NO: GD/957/PDSJP

Dated: 29/4/23

**Subject: Implementation of ICJS (The Inter-operable Criminal Justice System (ICJS)).**

Sir,

With reference to the subject cited above, it is submitted that a letter No. GD/913/PDSJP dated. 16.11.2023 regarding the subject cited above was issued by this Office for the implementation of **ICJS (The Inter-operable Criminal Justice System (ICJS))** and all Police stations of District Pulwama are adhering to the directions of earlier Order. But while submitting the chargesheets to Court Complex we are facing issues as we cannot verify the chargesheets because the chargesheets are not entered properly on your software "CCTNS". **The issues which we are facing are mentioned below:**

1. **Petitioner field in the chargesheet is left blank**
2. **Accused field in the chargesheet is left blank**
3. **Act details are not entered properly**
4. **These columns should be entered properly and if any of these is left blank we cannot verify the chargesheet.**
5. **If there is any error we do not have the verify option and we have only return for correction option which also needs to be checked at your end as we return the chargesheet back to the concerned Police station.**

It is as such requested to your goodself that these issues needs to be rectified at your end and no FIR and Chargesheet shall be accepted until it is error free.
