Respected Sir/Madam,

I am directed to inform your goodself that, as per the trail email received from the eCommittee, Hon'ble Supreme Court of India dated 05.05.2026, the eCourts Services Mobile App (Version 4.0) was launched during the National Conference on Judicial Process Re-engineering and Digital Transformation held in April 2026 and is scheduled for rollout shortly.

It has also been conveyed that all users are mandatory required to take a backup of their saved case data by utilizing the "Export" feature available in the current version of the mobile application within the extended timeline i.e. 13-05-2026.

In this regard, your goodself are requested to kindly take necessary action on the following:-

- Wide dissemination of this advisory on the District Court websites.
- Display of public notices at eSewa Kendras and Court Complexes.
- Sensitization of advocates, litigants, and court staff regarding mandatory data backup.
- Ensuring that all stakeholders complete the backup process within the extended timeline i.e. by **13.05.2026**.

It may be noted that **failure to take backup may result in permanent loss of saved case data**, particularly in the event of any technical issues during the upgradation process.

This advisory may be treated as **urgent and time-bound**.

Regards

I/C Registrar (IT) -cum-C.P.C,
Patna High Court, Patna

Subject: Advisory: Mandatory Data Backup – Rollout of eCourts Services Mobile App Version 4.0 (Extended Deadline).

===== Forwarded message =====

Sir/Madam,

Kindly refer to this office email dated **20.04.2026** (trailing email), wherein detailed information regarding the upgraded version of the eCourts Services Mobile App (Version 4.0), including its features and user guidance, was shared.

It is reiterated that Version 4.0 was launched during the National Conference on Judicial Process Re-engineering and Digital Transformation April 2026 and is scheduled for rollout shortly. The upgraded version represents a significant technological transition from the legacy Cordova framework to React Native, aimed at enhancing performance, responsiveness, and overall user experience.

In continuation thereof, and **considering the readiness of stakeholders**, the last date has been extended up to **13.05.2026**.

All users are required to **mandatory take backup of their saved case data** by utilizing the "Export" feature available in the current version of the mobile application within the extended timeline.

All Central Project Coordinators are requested to ensure the following on **priority**:

- Wide dissemination of this advisory through High Court and District Court websites.

- Display of public notices at eSewa Kendras and Court Complexes.
- Sensitization of advocates, litigants, and court staff regarding mandatory data backup.
- Ensuring that all stakeholders complete the backup process **within the extended timeline i.e. by 13.05.2026.**

It may be noted that **failure to take backup may result in permanent loss of saved case data**, particularly in the event of any technical issues during the upgradation process.

This advisory may be treated as **urgent and time-bound**.

Regards,
O/o e-Committee,
Supreme Court of India.

Subject: Fwd: Subject: User Manual and Training Video for eCourts Service Mobile Application Version 4.0 on Release Server

===== Forwarded message =====

Sir,

It is informed that an upgraded version of the eCourts Services Mobile App i.e. Version 4.0 was launched during the National Conference on Judicial Process Re-engineering and Digital Transformation held on 11th and 12th April 2026 in the Supreme Court of India.

Version 4.0 marks a critical transition from the legacy Cordova hybrid framework to React Native v0.77.0 to ensure high performance and responsiveness under heavy data demands.

Core Enhancements are:

1. Technological Compliance: The app now targets Android 14 (API level 34), ensuring continued availability on the Google Play Store for users with the latest hardware.
2. Performance Upgrade: The shift to a native rendering engine facilitates faster load times, smoother animations, and more efficient resource management.
3. Ergonomic UI Redesign: Following expert consultation, the interface features a minimalist design with a bottom-tab navigation menu for easier one-handed use.

4. Functional Improvements:

- a. Direct Order Access: Clickable links within the "Case Status" screen allow users to view order PDFs directly.
- b. Case Conversion Tracking: A new table enables users to view both old and new case numbers for converted cases.
- c. Personalization: The "My Cases" section now utilises pagination (10 records per page) to resolve previous unresponsiveness and "page hanging" issues.
- d. Unified Quick Links: All secondary services like ePay, NJDG, and eFiling are consolidated into a single "Quick Links" menu for intuitive navigation.
- e. Integrated with BHUVAN maps for locating Court Complexes.

To safeguard user data, and ensure a seamless migration across all judicial tiers, it is mandatory to take data backup of the mobile App. Users can use the "Export" feature in their current app to back up their saved cases. This is essential to prevent any data loss during the transition to the new React Native storage architecture.

To prevent data loss during the transition to version 4.0, a public notice may be issued across official websites, eSewa Kendras, and Court Complexes. This notice can detail the new features and advise stakeholders to back up their saved cases. Users be provided a 15-day window for data backup before the upgraded version goes live on **May 5, 2026**.

The details regarding materials providing the comprehensive guidance on the application's functionality, workflow, and enhancements introduced in Version 4.0 may be found in the trail email message dated 17.04.2026.

Regards,
O/o e-Committee,
Supreme Court of India.

Subject: Subject: User Manual and Training Video for eCourts Service Mobile Application Version 4.0 on Release Server

===== Forwarded message =====

Sir,

The User Manual and Training Video for the **eCourts Service Mobile Application Version 4.0** have been made available on the **Release Server** for reference.

The following resources are accessible under the "**New Initiative**" tab on the Release Server:

- eCourts Service Mobile App User Manual
- eCourts Service Mobile App Video

In addition, the above-mentioned User Manual is attached herewith for ready reference. These materials have been prepared to provide comprehensive guidance on the application's functionality, workflow, and enhancements introduced in Version 4.0. The Release Server may be accessed at the link provided below.
