OFFICE CIRCULAR

It is observed in all the Addl. Chief Metropolitan Magistrate's as well as Metropolitan Magistrate's Courts that many Magistrates insist on surety bond while releasing accused on bail. They release the accused on bail on cash security for temporary period and mandate the accused to furnish surety.

Similarly, many courts direct the accused to pay deposit of cash while allowing him/her to go out of India for a particular period but when the accused returns from abroad, he is entitled to get back his cash deposit from the Court.

Hence, it is requested to all the Addl. Chief Metropolitan Magistrates as well as Metropolitan Magistrates not to withheld cash deposit amount without any reason till the disposal of the case.
