MOST URGENT
TO BE PLACED BEFORE PRINCIPAL DISTRICT JUDGES/
PRINCIPAL JUDGES

Respected Sir/Madam,

Apropos the subject and trail mail, I am to state that, the eCommittee, Supreme Court of India vide an trail mail informed that the upgraded version of the eCourts Services Mobile App i.e. Version 4.0 was launched during the National Conference on Judicial Process Re-engineering and Digital Transformation held on 11th and 12th April 202 in Supreme Court of India. The eCourts Service Mobile App User Manual and eCourts Service Mobile App Video is attached herewith for your ready reference. **Kindly note that the upgraded version will go live on May 5, 2026.**

It is also directed to take mandatory backup of the mobile App. To prevent of data loss during the transition to version 4.0, a public notice may be issued across official websites, eSewa Kendras, and Court Complexes. This notice can detail the new features and advise stakeholders to back up their saved cases.

Your good self are requested to kindly direct the concerned to do the needful as directed in trail mail of eCommittee.

This is for your kind information and necessary action.

Regards,
O/o Central Project Coordinator,
e-Courts Project,
Bombay High Court, Appellate Side,
Bombay.

GT Office: 022-20820665

HC Office: 022-20820565

=====

Sir,

It is informed that an upgraded version of the eCourts Services Mobile App i.e. Version 4.0 was launched during the National Conference on Judicial Process Re-engineering and Digital Transformation held on 11th and 12th April 2026 in the Supreme Court of India.

Version 4.0 marks a critical transition from the legacy Cordova hybrid framework to React Native v0.77.0 to ensure high performance and responsiveness under heavy data demands.

Core Enhancements are:

1. Technological Compliance: The app now targets Android 14 (API level 34), ensuring continued availability on the Google Play Store for users with the latest hardware.
2. Performance Upgrade: The shift to a native rendering engine facilitates faster load times, smoother animations, and more efficient resource management.
3. Ergonomic UI Redesign: Following expert consultation, the interface features a minimalist design with a bottom-tab navigation menu for easier one-handed use.
4. Functional Improvements:
 - a. Direct Order Access: Clickable links within the "Case Status" screen allow users to view order PDFs directly.
 - b. Case Conversion Tracking: A new table enables users to view both old and new case numbers for converted cases.
 - c. Personalization: The "My Cases" section now utilises pagination (10 records per page) to resolve previous unresponsiveness and "page hanging" issues.
 - d. Unified Quick Links: All secondary services like ePay, NJDG, and eFiling are consolidated into a single "Quick Links" menu for intuitive navigation.
 - e. Integrated with BHUVAN maps for locating Court Complexes.

To safeguard user data, and ensure a seamless migration across all judicial tiers, it is mandatory to take data backup of the mobile App. Users can use the "Export" feature in their current app to back up their saved cases. This is essential to prevent any data loss during the transition to the new React Native storage architecture.

To prevent data loss during the transition to version 4.0, a public notice may be issued across official websites, eSewa Kendras, and Court Complexes. This notice can detail the new features and advise stakeholders to back up their saved cases. Users be provided a 15-day window for data backup before the upgraded version goes live on **May 5, 2026**.

The details regarding materials providing the comprehensive guidance on the application's functionality, workflow, and enhancements introduced in Version 4.0 may be found in the trail email message dated 17.04.2026.

Regards,
O/o e-Committee,
Supreme Court of India.
