3. Heard both sides.

4. The points for determination is that can the petitioner be released on bail ?

..2..

Answer :

5. The final report against the petitioner was already taken on file as C.C.No.86/2017 and the case is pending for Trial. The prosecution submitted that already Non Bailable Warrant was pending against the petitioner for about two years. Further the petitioner has not cross examined the prosecution witnesses. Also the petitioner is a history sheeter and already five criminal cases were pending against him. Considering all the facts as well as Non Bailable Warrant was pending against him for about two years, I am not inclined to release the petitioner on bail.

In result, this bail petition is dismissed.

Pronounced by me in open Court on this the 14th day of May 2024.
