*****

All the Judicial Officers in Nalgonda District Judiciary are hereby informed that the Hon'ble High Court, through its circular 6th cited, has issued directions regarding employees pursuing further studies by observing that several staff members have been applying for permission to pursue studies after taking admission, just before the commencement of examinations or seeking ratification after completion of the course. Such practices are in gross violation of the Government and Hon'ble High Court's instructions communicated vide references 1st to 5th cited, which mandate that prior permission must be obtained before commencement of the course.

Therefore, in compliance with the directions of the Hon'ble High Court, all Unit Heads are instructed to strictly follow the rule that every employee under their control must obtain prior permission before commencing any course of further studies. ***It is made clear that no application seeking permission to appear for examinations or seeking ratification of a course shall be forwarded to the High Court, if prior permission was not obtained. Henceforth, such actions will not be ratified as a matter of course and the instructions must be followed scrupulously by all.***

In this context, it is noticed with regret that despite the earlier communication vide this office endorsement 7th cited, most of the Courts have failed to submit the acknowledgements obtained from their respective staff members. Further, this office is still receiving applications seeking ratification of further studies, which clearly indicates a lapse on the part of the concerned Judicial Officers in communicating the instructions and ensuring compliance. Such conduct is viewed seriously and calls for strict adherence to the instructions forthwith.

Therefore, in terms of the Hon'ble High Court's circular 6th cited and this office endorsement 7th cited, all Judicial Officers are once again requested to communicate the contents of the Government Memo 1st cited and the High Court's instructions to all staff members working in their respective courts. A copy of the said Government Memo and High Court's instructions is enclosed herewith for ready reference and circulation. A proper and separate acknowledgement shall be obtained from each staff member, including their name, designation and the date of receiving copy of the Government Memo. This requirement shall also apply to all future appointees posted to their Courts. A compliance report in this regard, along with the collected acknowledgements, shall be submitted to this office on or before 31-03-2026 without fail.

...

According to the orders contained in the U.O.Note cited, Government servants may join evening colleges by obtaining the permission of the Heads of Departments in the case of non-gazetted officers and of the Government in case of gazetted officers. In the Memo. cited, powers have been delegated to all Heads of Departments to permit the gazetted officers working under them to join evening colleges, subject to the condition that this should not, in any way, interfere with or be detrimental to the discharge of their official duties.

2. It has been brought to the notice of the Government that some Universities have started correspondence courses for the degree course and joining the colleges is not necessary for these courses. The question whether prior permission of the Government or other competent authorities, as for regular evening classes, is necessary inrespect of Government employees who intend pursuing these study courses has been examined by the Government. In order to enable the competent authorities to stipulate the condition that the pursuit of the study course (By correspondence) does not in any way interfere with the official duties of the Government servants, the Government have decided that prior permission of Government or the Heads of Departments, as the case may be, is necessary in such cases also. The Heads of Departments and Departments of Secretariat are requested to bring this to the notice of all Government servants under their control.

Secretary to Government.
