

## **PRESS RELEASE**

Hon'ble the Chief Justice of India released today the first weekly part of Supreme Court Reports (SCR) for the year 2015, covering judgments pronounced in January, 2015, in a new attractive cover page and in a more informative and user friendly format in the august presence of the Hon'ble Judges of the Supreme Court of India. SCR is the official Journal of reportable Supreme Court decisions and is published on a weekly basis. It is the only law journal where the Head Notes are approved by the Hon'ble Judges themselves who delivered the judgment. On the occasion, His Lordship stated that important initiatives have been taken to increase promptness in the publication of SCR; and to ensure that henceforth reporting in SCR is timely and quick. His Lordship stated that many improvements have been introduced from this year to ensure that the SCR adheres to its publication schedule with more precise and informative "Head Notes" and improved indices, and an "International Standard Serial Number (ISSN)" to facilitate its international usage.

The Supreme Court Museum Brochure was also released today by Hon'ble the Chief Justice of India. His Lordship stated that a number of new arte-facts and historic judgments from various High Courts and remote District Courts are being brought for display in the Supreme Court Museum.
