

NOTE

Dated : 2nd August, 2015

The Registry of Supreme Court of India takes a serious objection to the distorted news item reported by Electronic and Print Media that a Deputy Registrar of Supreme Court (Dr. Anup Surendranath) has resigned in protest of the execution of Yakub Memon or order of the Apex Court against stay of his execution. This is not only incorrect but highly misleading. In fact, a faculty from National Law University (Dr. Anup Surendranath) who was working on short-term assignment on deputation in Supreme Court as Deputy Registrar(Research) has been repatriated to his parent Institution w.e.f. 31-7-2015 on his own request as he wanted to pursue his interest in research projects in which he is involved in. The position can be verified from his letter dated 31-7-2015 which is enclosed.

In order to dispel any misgivings created due to distorted news item, the Electronic and Print Media may immediately present the correct facts before the Public.

SUBJECT: Resignation from the post of Deputy Registrar (Research)

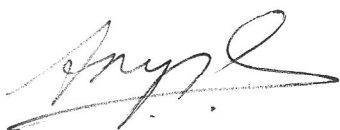

Dear Sir,

I wish to hereby inform you that I am resigning from the post of Deputy Registrar (Research). I would like to return to my parent institution (National Law University, Delhi) to pursue my research interests and other projects I am involved in.

I have already discussed this matter with the Hon'ble Chief Justice of India. I thank you and the Supreme Court of India for this wonderful opportunity over the last one year. It has provided me the opportunity to understand the Supreme Court much better and I will be forever grateful for that.

Thanking you

Yours sincerely,

(Dr. Anup Surendranath)
Deputy Registrar (Research)
