27 April 2023

## NOTICE

1. The neutral citation is a form of citation where the Supreme Court would assign a unique sequential number to each judgment as a permanent identification. It will facilitate ease of citing the judgments by providing uniform and common citation mechanism.
2. All concerned must take notice that a list of judgments (See **Annexure — A** enclosed) for the relevant period i.e., 01.01.2014 to 31.03.2023 is published with proposed neutral citation numbers.
3. To facilitate this exercise of crowdsource checking i.e., obtaining ideas, opinions and knowledge for this project from legal professionals and legal publishers, the list of cases and proposed neutral citations is being provided which can be downloaded in PDF and/or CSV format.
4. We solicit invaluable suggestions on the proposed list of cases and the referral neutral citations. One may compare the list of cases and neutral citations with their own database and accordingly make suggestions regarding any missing or incorrect data, if any, in the list of judgements.
5. Suggestions, if any, may be forwarded to the Registrar, Library and Editorial Section through email on [judgeslibrary@sci.nic.in](mailto:judgeslibrary@sci.nic.in) within 15 days from the date of publication of this notice.
6. Please also take note that on consideration of suggestions received, a final list of judgments with neutral citation will be published by the Registry.
