SELF – DECLARATION / UNDERTAKING

I, _____ Son/Daughter of _____ Resident of _____ (hereinafter referred to as “Applicant”, which term shall mean and include executors, administrators, heirs, successors and assigns), do hereby swear and declare as under:

A. That the Applicant / deponent is owner / occupant of the premises bearing no., situated at _____.

B. That I have applied for _____ new connection (Domestic/ Non-domestic/ Industrial at the above-mentioned address [Google Coordinates – _____ (Latitude) & _____ (Longitude)]

C. That I have submitted the ownership / occupancy documents of the said premises / property / flat.

D. I understand that mere release of electrify connection / installation of meter/issuance of bill for the use of electricity shall not be termed as confirming any ownership or other rights over the concerned land or premise.

E. The deponent undertakes:-

(a) The dwelling unit where electricity connection is applied is within the height of 15 meters without stilt parking/ 17.5 meters with stilt parking of the building.

(b) The electricity connection granted to the premises will not be used for extending electricity supply to other dwelling units.

(c) In case, it comes to my knowledge that there is illegal extension of supply or electricity is used at dwelling units beyond the height of 15 meters without stilt parking/ 17.5 meters with stilt parking of the building, I will promptly bring the same to the DISCOM's notice.

(d) I do hereby confirm and agree that I shall ensure that NO illegal extension of supply or electricity is used at dwelling units beyond the height of 15 meters without stilt parking / 17.5 meters with stilt parking of the building from my connection. I do hereby undertake that in case the illegal extension of supply or electricity is used from my connection at dwelling units beyond the height of 15 meters without stilt parking / 17.5 meters with stilt parking of the building, I shall be liable to pay all outstanding bill of the said unit along with the bill as assessed by BSES without disputing the assessment and / or raising any claim whatsoever and the DISCOM shall be free to disconnect the electricity connection immediately, without any notice.

F. I hereby undertake that I shall be using electricity for purposes applied for & shall not use / permit to use in any other manner.

G. I agree and confirm that in case of any declaration containing in the instant undertaking is found false at any later occasion, the same shall be *mutatis mutandis* be termed as breach of the agreement between BRPL and the deponent, and BRPL shall be free to take all such action as permitted under law including the same related to breach of terms of agreement.

H. I declare that the above statements are true and correct, and I shall be unequivocally liable to abide the terms stated in this undertaking cum affidavit.

SELF – DECLARATION / UNDERTAKING#

[illegible]

9. That above referred applicable documents/certificates indicated at various points are available with me and can be inspected by the Licensee at any time. In case of failure or reluctance to produce/allow the inspection of said documents/certificates the licensee may disconnect the connection granted owing to such failure/, reluctance.
10. That I shall provide a legible and certified copy of any of above applicable documents to the licensee pursuant to order/request of any government agency, judicial forum or any other authority seeking such information.
11. That my industry/trade has not been declared to be releasing obnoxious hazardous/pollutant by any government agency and that no orders of any Court or judicial authority would be breached by running of my industry/trade or granting any electricity connection to the same. The licensee is indemnified against any loss accrued by the applicant on this account that on an Order issued by a Court of law or judicial authority or any government agency for disconnection of electricity, the licensee may disconnect the supply.
12. That I shall indemnify and hold harmless, the licensee, in case of any injury or incident on account of any fault in electrical work in the premises, and the licensee shall not be liable for any mishap or incident occurring at the premises to the applicant on account of any faulty/defective/inferior quality wiring at the premises for which the connection is being applied.
13. To pay the electricity consumption bills and all other charges at the rates set out in the licensee's Tariff Schedule and miscellaneous charges for supply as may be in force from time to time, regularly as and when the same becomes due for payment.
14. To deposit the additional security deposit and additional service line cum development (SLD) charges, if any from time to time based on the prevailing Orders/rules, directions and Regulations of the Commission.
15. To abide by the provisions of the Electricity Act, 2003, all applicable laws, conditions of Supply/Tariff Orders and any other Rules or Regulations as may be notified by the Commission, as applicable from time to time.
16. That licensee shall be at liberty to adjust the electricity consumption charges due/outstanding along with any other charges against the Consumer Security Deposit paid by the Applicant, in the event of termination of the agreement prior to expiry of the contracted period or in case of any contractual default as per provisions of regulations/rules/orders/directions of the Commission.
17. That as per Delhi Electricity Regulatory Commission (Supply Code and Performance Standards) Regulations, 2017 or as amended from time to time, I shall provide suitable and adequate land space for installation of the meter/electrical equipments where the licensee may have ready access to the same.
18. To allow clear and un-encumbered access to the meters for the purpose of meter reading and it's checking etc.
19. That the licensee may disconnect the electric supply under reference, in the event of any default, non-compliance of statutory provisions and in the event of a legally binding directive by Statutory Authority (ies) to effect such an order. This shall be without prejudice to any other rights of the licensee including that of getting its payment as on the date of disconnection.
20. All the above declaration given by the Applicant shall be construed to an Agreement between the licensee and the Applicant.
21. That the applicant is having the approval for safety and/or fire clearance for EV charging station wherever applicable from the concerned department such as Petroleum and Explosives Safety Organization (PESO), Fire Department etc.
22. That I/the applicant do hereby confirm and undertake that in case of falling within the requirement as stated below:
 - (i) Total cumulative demand of all floors in the plot/ building for LT service connection exceeds 100 kW/ 108 kVA; or
 - (ii) total cumulative built up area of the premises in the plot/building exceeds 1000 sqm; or
 - (iii) plot of size above 500 sqm or above;I/the applicant shall unconditionally and unequivocally provide the space along with right to access, without any charge & in perpetuity, for installation of Distribution Transformer to BRPL to energize my connection along with supply to other outside consumers and shall execute all other documents including Sub-station Space Agreement/ Affidavit as notified by BRPL time to time.
23. If Unique Property Identification Code (UPIC) is not submitted, I declare that I will submit it with BRPL, whenever it is issued to me by the concerned authorities.
24. That the applicant is aware of all safety precautions to be followed for the running of charging station and has taken all measures for adhering to the standards of the same. The applicant undertakes to maintain/follow the said safety precautions during the use of electricity/running of charging station
