**CIRCULAR**

**Subject: Mandatory Disposal of Leftover Food Items to Prevent Animal Bites**

It has been observed that incidents of animal bites within and around the Supreme Court Complex have increased significantly. Following a joint meeting with officials from NDMC and MCD to address this issue, the following directive is issued with immediate effect:

**Directive:**

**Disposal of Leftover Food:** All leftover food items must be disposed of exclusively in properly covered dustbins. Under no circumstances should food be discarded in open areas or uncovered containers.

This measure is crucial to prevent animals from being attracted to and scavenging for food, thereby significantly reducing the risk of bites and maintaining hygiene standards.

Your cooperation in implementing this directive is essential for the safety of all.
