1. General Information

• Introduction

eFiling system is a complete end to end solution developed for online filing of complaints, written statements, replies and various applications related to cases. Both Civil and Criminal cases can be filed before any High Court or District Court of the country. It is designed in Bilingual (English and local language) to reach wider group covering advocates/litigants.

eFiling system provides several benefits;

- Save time, money, travel of advocates and clients
- Obviate the need to physically visit the court
- Reduce the need of meetings between clients and advocates
- Automatic digitization of case records
- Positive impact on environment by reducing paper footprint

• Audience

The document is intended for Advocates and Litigants who need to frequently file cases and upload documents.

• Purpose of the document

The purpose of the document is to familiarize the advocates and litigants with online procedures for filing the cases and uploading the documents.

• Objectives of the document

The main objectives of the document are to enable the user to:

- Register with eFiling system
- File New Cases
- Complete Vakalat procedure
- Upload Pleadings for cases
- E-sign pleading for authentication
- Record Oath for pleadings
- IA filing
- Online payments
- Add or revoke partners
- Manage exclusive portfolio

6.2 Case Filing

New case filing can be considered to have 3 parts:

- **Initial filing** – This can be done only by advocates or Party-in-person litigants. It includes all the basic case information.
- **Entering case details** - These details can be entered either by advocate or by litigant, as per the convenience. These include:
 - Litigant – information of all the concerned parties
 - Legal Heir – enabled only if legal heir option is checked in the initial case information by advocate
 - Fact Details
 - Case Details
 - Motor Vehicle Compensation (MVC) – enabled only if the case type is chosen as motor vehicle compensation in the initial case information by advocate
- **Final Submission** – This again can be done only by the advocate or by party-in-person litigant.

Note: *Once the Final Submission is done, the case details cannot be modified. As a result, the case cannot be viewed by Litigant for editing.*

Accordingly, the different menu and forms appear for advocates and litigants.

6.3 Vakalat

Vakalat allows user to formally assign lawyers to the cases. It includes following steps-

1. Advocate assigns self and partner/s to the case.
2. Litigant appoints the lawyer by sending offer to the advocate.
3. Advocate accepts the offer to complete the process.

Lawyer's assignment to the case is complete only after all the three steps are done. All the three steps can be completed with this menu. Send offer menu (step 2) is visible only to Litigant.
