Copy of Bank Account Details 6. Beneficiary Consent Form 7. Photograph of Old House with Beneficiary	1. Financial Assistance for House Construction: Direct Financial Grant: Beneficiaries receive a direct financial grant for the construction of a pucca house. Installment-based Payments: The financial assistance is disbursed directly to the beneficiary's Aadhaar-linked bank or post office account in multiple installments, ensuring transparency and timely availability of funds 2. Convergence with Other Schemes for Basic Amenities: PMAY-G emphasizes providing not just a house, but a complete dwelling with essential amenities through convergence with other government programs: Toilets: Financial assistance of ₹12,000 is provided for the construction of toilets under the Swachh Bharat Mission-Gramin (SBM-G) or other dedicated funding sources. Unskilled Labour Wages : Beneficiaries are entitled to 90/95 days of unskilled labour wages under the Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) for the construction of their house, over and above the unit assistance. This is also includes provisions for rural mason training. LPG Connection: One LPG connection per house is provided under the Pradhan Mantri Ujjwala Yojana. Other Essential Services: Convergence with other schemes ensures access to piped drinking water, electricity connection, clean and efficient cooking fuel (like solar lanterns or solar rooftops), and treatment of solid and liquid waste. 3. Minimum House Size: The minimum size of the house constructed under PMAY-G is 25 square meters, including a dedicated area for hygienic cooking	1,20,000.00/-

Beneficiary Consent Form 7. Photograph of Old House with Beneficiary	1. Financial Assistance for House Construction: Direct Financial Grant: The primary benefit is a direct financial grant of ₹2,00,000 (Rupees two lakh) per eligible beneficiary for the construction of a pucca (permanent) house. Installment-based Disbursement: This financial assistance is disbursed in five installments directly to the beneficiary's bank account, ensuring transparency and accountability in the utilization of funds. 2. Type of House Provided: The scheme aims to provide three-room concrete houses measuring approximately 31 square meters, which typically include a kitchen and a toilet. 3. Convergence with MGNREGA: Aabaa Awaas Yojana converges with the Mahatma Gandhi National Rural Employment Guarantee (MGNREGA). Beneficiaries are entitled to 95 days of unskilled labour wages under MGNREGA for the construction of their house, providing additional financial support and promoting local employment. 4. Focus on Unreserved Beneficiaries: It specifically targets families who are homeless or living in kutcha houses and have not received benefits from PMAY, Indira Awas Yojana, or other similar government housing programs. 5. Transparent Selection Process: Beneficiary selection involves a transparent and verifiable process, often including Gram Sabha (village assembly) assessments based on factors like family size, income, housing condition, and vulnerability. A scoring system may be used to prioritize the most deserving beneficiaries. 6. Modern Monitoring and Tracking: To ensure timely and transparent disbursement of funds and monitor construction progress, the Aadhaar-based launched a Beneficiary-Level Geo-Tag App. This app allows beneficiaries to upload geo-tagged photos of their house construction, linking payments to verified construction stages.	2,00,000.00/-
