

OFFICE OF THE PRINCIPAL DISTRICT & SESSIONS JUDGE
GANDERBAL

✓ The Sr. Superintendent of Police
Ganderbal

No:- 532/PDJG

Dated:- 9-10-23.

Subject:- Submission of fresh charge-sheets (Challans) online through CCTN.

Sir,

The fresh charge-sheets/challans submitted by the Police before the courts of District Ganderbal. To facilitate this, it has been recognized that the submission of charge-sheets/challans online through the **Crime and Criminal Taking Network System (CCTN) software** of your department will greatly enhance the overall efficiency of the legal process.

Therefore you are hereby required to direct all the Police Stations/Police Posts of District Ganderbal to update the fresh Challans/Charge-Sheets online on CCTN before submitting the same in the courts of District Ganderbal. This new requirement comes into effect immediately, and henceforth, challans submitted offline will not be accepted.

The implementation of the CCTN software will streamline the process of submission, ensure accuracy, and enable easy accessibility to crucial case-related information. Moreover, it will facilitate seamless integration between the police department, courts, and other relevant stakeholders, ultimately expediting the delivery of justice.

If any queries or concerns arise during this implementation, Police Stations/Police Posts may contact the Systems Officer of the District Court for guidance and assistance. This step towards digitization and streamlining of processes will greatly benefit both the Police Department and the judicial system in District Ganderbal. It will enhance efficiency, reduce paperwork, and expedite the handling of cases, ultimately resulting in a more effective administration of justice.
