GANDERBAL

The President
District Bar Association Ganderbal

No: - 3/4/PDJG

Dated: -03/08/2023

Subject: - Implementation of Mandatory E-filing and Registration of Advocates in E-court and creation of e-filing accounts.

Sir,

Hon'ble Mr. Justice Atul Sreedharan, Judge High Court of J&K and Ladakh (Chairman, IT Committee), on 20/07/2023, had convened a meeting through virtual mode with all Pr. District & Sessions Judges. The primary agenda of this meeting was to discuss the implementation of E-Court initiatives.

During the meeting, it was emphasized that all advocates of every District, must promptly register themselves in the E-Court system. This step is crucial to ensuring a seamless transition to electronic filing and streamlining court proceedings. Therefore, you are informed to direct all the advocates of District Ganderbal to register themselves on the E-Court platform within week's time from the date of this letter. After this deadline, no further registrations will be accepted as per the instructions given by the Chairman of the IT Committee of the High Court of J&K and Ladakh. Failing to register within the specified timeframe will result in an inability to partake in e-filing, hindering the progress of our legal processes. It is of utmost importance that we embrace these digital technologies to optimize our legal services and facilitate efficient courtroom proceedings.

The System Officer can be contacted to assist advocates with the registration procedure and to address any queries. An e-filing support desk has been established at the E-Court section of District Court Ganderbal. The System Officer will provide step-by-step guidance to advocates on how to create their own e-filing accounts and navigate through the system.

The assistance of the Bar Association is vital in disseminating this information among its members and ensuring their active participation, and circulating this directive among all advocates within the District as soon as possible.

I believe that by collectively embracing this change, we can usher in a new era of efficiency and effectiveness in our legal system. Your cooperation and proactive participation in this endeavour are greatly appreciated. And I trust that the members of the Bar Association will recognize the significance of this transition.
