2. Arguments and other hearings will be done through video conference facility and attendance of parties will be allowed through video conference or representation by the learned engaged lawyer.
3. The judicial officers of this establishment are encouraged to adopt car-pooling arrangements wherever possible/feasible.
4. All the courts under this establishment are fully functional and cases have already been fixed to the maximum capacity. Also, the present staff strength of this establishment is not sufficient in comparison to the work load. Moreover, in most cases the parties/litigants and witnesses are appearing before the court(s) and reduction in physical attendance of staff may hamper the case proceedings for which it will be difficult for the courts to handle the already fixed matters/cases if physical attendance of the staffs is dispensed with at the moment. Hence, the matter relating to 50% of roster duty of staff is not feasible at this moment but it will be reviewed again later on.
5. This order shall remain effective till 26.06.2026 or until further order. The Chief Administrative Officer is directed to circulate this order amongst all concerned.

Inform all concerned.
