

**OFFICE OF THE DISTRICT RECRUITMENT COMMITTEE
KALIMPONG JUDGESHIP**

**NOTIFICATION
CORRIGENDUM**

No. R-19/2021

**Dated 24th. December '2021'
Kalimpong**

At the time of preparation of final result of the candidates belonging to the category of Group-D; it was detected by the Recruitment Committee members and those who were assisting them, that due to "**inadvertence**" and **oversight**, certain words had been mentioned in two (02) notifications viz, Notification No.R-07/2021, dated: 13.10.2021 and Notification No.-11/2021, dated 28.10.2021. Both the notifications were issued with respect to "Group-D" category's preliminary result and viva voce.

In the original notification which got Published in our website on 19.12.2019 vide R.C-01/2019, the vacancies were declared for Group-D category as :

[UR(2) ; UR-EC(2); SC(2); ST(1); O.B.C-A(1), O.B.C-B(1); UR-PWD(1), SC-E.C(1), O.B.C-A-E.C(1), UR-EX-SM(1)]

So, the advertisement was for "**13**" number of vacancies in the category of Group-D. Now one mistake occurred on 13.10.2021 when it was mentioned in the notification that out of two vacancies in '**UR-EC**', one would be filled up from the successful candidates from that category only and the remaining one (01) vacancy will go to "**UR**" Category. It is hereby intimated that any vacancy, in the "**Exempted Category**" has to be filled up by those candidates only who belonged to that category or by those whose Parent "**die in harness**", or in "**Census**" etc. and will never revert back to '**UR**' or any other category.

Accordingly both the vacancies in "**UR-EC**" for "**Group-D**" Category is going to be filled up by two candidates belonging to exempted categories only (one from the UR-EC category itself and another from OBC-A-EC as he secured higher marks amongst all the candidates of exempted categories).

So, necessary rectification is done and both the notifications viz, Notification No. R-07/2021, dated 13.10.2021 and Notification No.R-11/2021, dated 28.10.2021, are modified and corrected up to this extent.

The recruitment Board will remain confined to the limits set in Notification No.RC-01/2019, dated 19.12.2019 by the then Recruitment Committee, so far calculation of vacancies (13) in Group-D category is concerned.
