

MINUTES OF PURCHASE COMMITTEE MEETING HELD ON
20.02.2024 AT 04:30 PM

A meeting of the Purchase Committee was held on 20.02.2024 at 4:30 PM in the Chamber of the District & Addl. Sessions Judge-I, Lohardaga.

In the meeting it was intimated that only two companies, on GeM Portal, have participated in the BID of supply of Air Conditioner Unit of two ton capacity each, namely 1. FARCON ENTERPRISES AND SUPPLIES and 2. INDU TRADERS. It is resolved on the basis of bid proposed by only two companies and further both the bidder are not from Jharkhand which was the condition precedent of the participation in the bid. The committee also resolved that at least three companies must have participated for bringing out the best among them and the GeM portal also conveys that if less than three companies participate in the bid then in that case the approval of the competent authority is required. This committee is not inclined to go ahead with the bid as only two companies have participated.
