Inauguration of S3Waas Websites of Delhi District Courts, Digital Platform for Sharing of TCR with the High Court & Web Accessibility Compliant Cause List of the High Court of Delhi

On the occasion of Independence Day (15.08.2023), Hon'ble Mr. Justice Satish Chandra Sharma, Hon'ble the Chief Justice, Delhi High Court, in the august presence of Hon'ble Companion Judges of High Court of Delhi, Judicial Officers of Delhi District Courts, Members of Delhi High Court Bar Association and other dignitaries, inaugurated (i) Secure,

Scalable and Sugamya Website as a Service (S3Waas) of Delhi District Courts; (ii) Digital Platform for Sharing Trial Court Record (T.C.R) with the High Court & (iii) Web Accessibility Compliant Cause List of the High Court of Delhi for the benefits of Litigants, lawyers and the public at large.

(i) Secure, Scalable and Sugamya Website as a Service (S3WaaS) of Delhi District Courts

Ten new websites of all the Delhi District Courts were launched on the S3WaaS platform. Secure, Scalable & Sugamya Website as a Service (s3WaaS) websites are GIGW Compliant, based on Open-Source Technology, integrated search and Accessibility Complaint. All documents on the websites are kept in O.C.R. format to enable access by visually impaired persons.

(ii) Digital Platform for Sharing Trial Court Record With the High Court

The Digital Platform for Sharing of Trial Court Records (T.C.R.) with the High Court of Delhi was also launched. With this facility, the district courts of Delhi can seamlessly share the digitized T.C.R. with the High Court of Delhi through a SSL VPN based secured platform. On receipt of digital T.C.R., it will be

verified by the concerned Judicial branch of the High Court. After verification, the Portfolio Branch will make digital T.C.R. part of the case file/portfolio file which is shared with the Hon'ble Courts for court proceedings.

(iii) Web Accessibility Compliant Cause List of the High Court of Delhi

Taking another important accessibility compliant e-initiative, the High Court of Delhi launched its Web Accessibility Compliant Cause List. This Web Accessibility Compliant Cause List is available on the official website of the High Court of Delhi i.e. www.delhihighcourt.nic.in under the link:- Online Cause List. It will help the visually impaired Advocates, Litigants and Public at large to access the Cause List of the Delhi High Court seamlessly by using various assistive technology/Text-to-Speech software.

Inauguration of the Live Streaming of Court Proceedings & Other e-Services in the High Court of Chhattisgarh

Hon'ble Chief Justice Shri Ramesh Sinha inaugurated the Live Streaming of Court Proceedings in the High Court of Chhattisgarh and Nine other services in the presence of Hon'ble Judge, officers, and employees of Registry, Learned Advocates and public on 15.08.2023.

Live Streaming of Court Proceedings: The First Service that was inaugurated is live streaming of Court Proceedings. This service is

aimed with the vision of furthering the ease and convenience for the Learned Advocates, litigants, and all the stakeholders. To provide a platform for information sharing and showing Court proceedings live. The live Streaming of Courts is available on the website of the Chhattisgarh High Court. The live Streaming of Court Proceedings is one medium to bring transparency and make the common persons and stakeholders aware of the workings of the Courts

and proceedings of the High Court. It allows people to witness proceedings from any physical location around the country and allow litigants to keep themselves updated with proceedings in their cases. The Recording of these live Streaming is available on the YouTube channel of the Chhattisgarh High Court and the link to the channel can be accessed on the YouTube channel tab on the website of the Chhattisgarh High Court.

Notes on Telegram Channel (Cause list): To further the ease and convenience for advocates, litigants, and all the stakeholders, an additional platform for information dissemination i.e. an official Telegram Channel of the High Court, has been started. The link for joining the Telegram Channel is available on the website of the High Court of Chhattisgarh. Learned Advocates,

litigants, and all the stakeholders can join the telegram group by just clicking the telegram tab. The Telegram Channel will be one additional medium to access the cause list, tenders, important notices and AFR judgements and orders uploaded on the website of the High Court. This works on a push system- once a person becomes a member of the channel, they will receive automatic updates. By way of this additional mode of providing updates, the channel subscribers will be able to get the cause list, tenders, important notices and AFR judgements and orders without having to frequently check the website for the same.

“Ask Me” Software For Judicial Discussion: To facilitate spreading legal knowledge, clearing doubts and providing guidance to Judicial Officers, a web portal has been

created. Through it, questions of legal subjects may be raised and the Judicial Officers of the state can also express their views and opinions clearing the legal position. It works on NIC-NET (leased line), obviating the risk of unauthorised access. Every Judicial Officer can ask questions and answers anonymously.

e-Sewa Kendra: e-Sewa Kendras were inaugurated in 22 Districts. It has been set up with hardware provided for the help desk, after seeking permission from the e-Committee, Supreme Court of India. It will provide services like case information, e-filing, etc to the common man.

Mobile e-Gate Pass App: A Mobile e-gate pass app has been developed in order to facilitate generation of gate passes. Anyone can apply for a

pass on their smartphone. This would ensure a speedier issue of gate-passes and reduce the usage of paper for a hard copy of the gate pass.

Online Recruitment Software: Once this service starts, a person will apply online for posts advertised by the High Court. This will save time and costs involved in undertaking the recruitment process conventionally.

Virtual Court (Traffic challan): This service was already available in District Raipur and was inaugurated in Bilaspur, Ambikapur, Durg, and Jagdalpur. It allows a person to pay a fine for traffic violation cases from their home without appearing in the Court. This helps save the time and resources of the Courts and also, those liable to pay the fine.

Chhattisgarh State Judicial Academy Conducted a Training Programme on "Ubuntu Linux Operating System-Cum-CIS"

The participants took part in the training over a course of days to enhance their knowledge about CIS software, Libre office, features of Ubuntu OS customised by e-Committee, use of digital signature and many more issues., It would be instrumental in performing their judicial functions.

Training Programme on "Computer Skill Enhancement Program" for Technical Staff and Ministerial Staff of High Court

A one-day training programme (ECT_13_2023) for Technical Staff and Ministerial Staff of the High Court was held on 27.08.2023 at the CSJA in collaboration with the Hon'ble Computerization Committee of the High Court. The training was conducted under the valuable guidance of Hon'ble Mr. Justice P. Sam Koshy, Chairman of Committee for Computerization, Weeding and Digitization of Records of High Court and District Courts, Registrar(Computerization)-cum-Central Project Coordinator, and OSD,

High Court of Chhattisgarh. The 16 Technical Staff and 40 Ministerial Staff participated in the training. This training conducted regarding hosting the Video Conferencing, CIS (Updating, Bench Creation, Role Assign etc.), tools for paperless Courts such as LibreOffice Suite & PDF apps, introduction of tools to be used for digitization of the court records and workflow process of the scanning & digitization of judicial records was given. At the end of the training the doubts related to the training were taken up and resolved.

High Court of Kerala Implements Digital Sharing Of Process Services From Courts To Police Stations & Vice Versa at Kerala

In the light of request from the Deputy Inspector General of Police, Thrissur Range, the High Court has decided to conduct a pilot project in the First Additional District Court, Thrissur District, to digitally share process services such as summons, notices and warrants issued by various Criminal Courts under the District Judiciary to the concerned

police authorities. The digital sharing and consumption of the shared documents are being tested. As the next stage of digitization, the transmission of the aforementioned process service from the courts to the police stations via digital mode will make the Justice Delivery System more transparent, professional, and effective.

Implementation of Auto Processing of the Urgent Memos and Listing of Case Files

As a means of ensuring timely listing of cases where urgent memos are filed, it is decided to implement Auto Processing of the Urgent Memo and Listing of Case Files in the High

Court w.e.f. 14.08.2023. Please click the link for Guidelines in for e-Filers: https://hckerala.gov.in/notice_board.php

Courts in the District Judiciary with effect from 01.08.2023, FAQs with respect to the e-filing module and CIS related modules and functionalities were issued as per dated 31.07.2023.

Implementation of AI tools in the Kerala High Court

In furtherance to the decision of the Committee on Artificial Intelligence of the High Court, with the Chief Secretary and other higher officials of the Government, the Digital University of Kerala have been entrusted to study the areas of operation of the High Court in which Artificial Intelligence(AI) can be implemented.

As a part of this, a team from the Digital University led by Shri. Saji Gopinath, Vice Chancellor, DUK and Shri. Jayachandran MB (CTO) visited the High Court on 08.08.2023 for identifying the areas where AI can be implemented in the High Court immediately and also to conduct a requirement analysis in this

connection. Despatch through e-Office. As a part of the successful implementation of e-office automation at the High Court, it has been decided to despatch the communications through eOffice. The despatch of communications generated through eOffice, is currently being processed by the Sections mostly in the physical mode by taking print out of the electronic

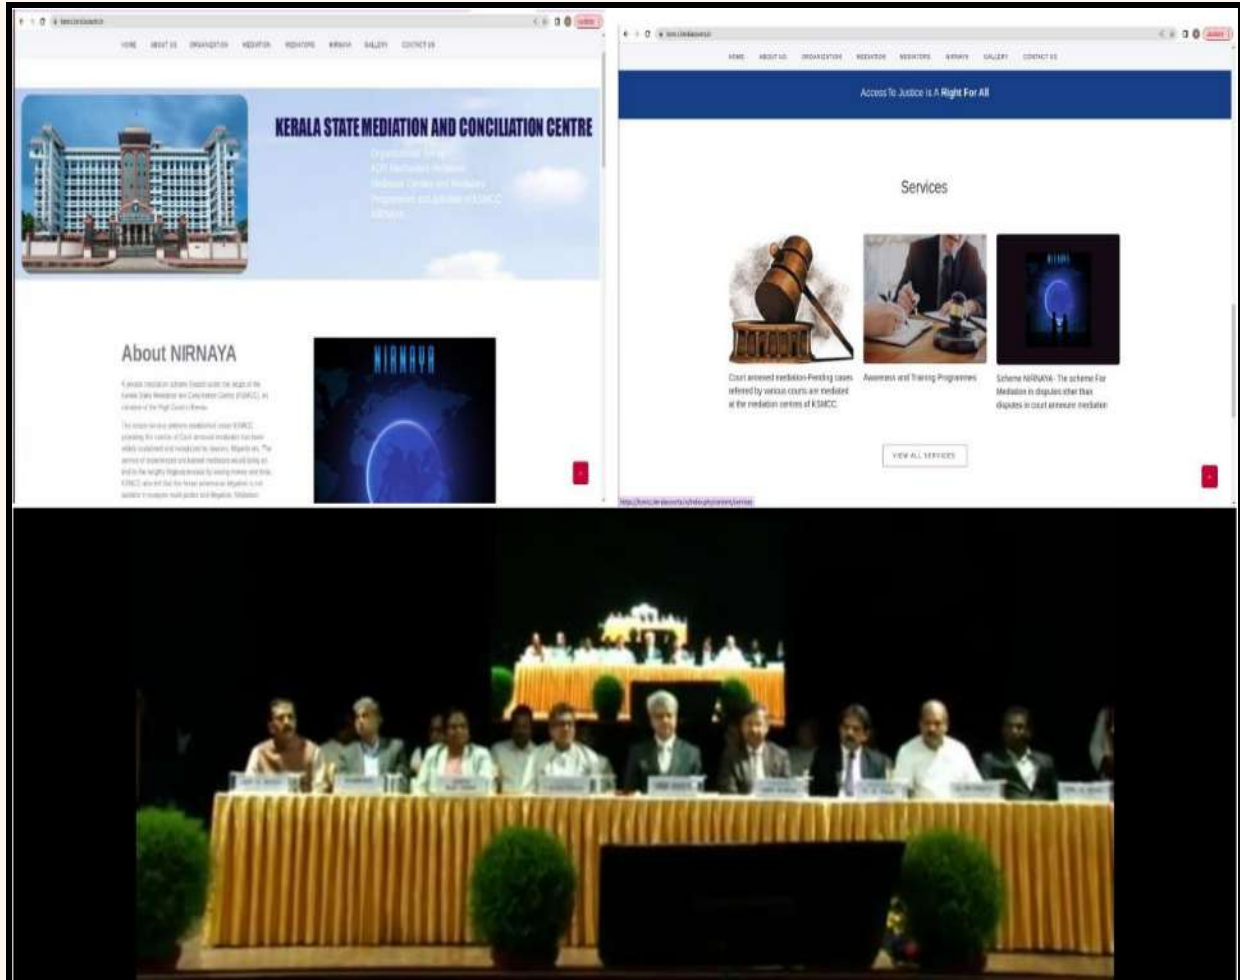

document and forwarding to the Despatch Section. In order to achieve office automation in its true sense, despatch of communications through e-Office has been adopted as a routine mode of despatch. On the administrative side, two training sessions were held on the 17th and 25th of August for the officials in this regard.

Implementation of e-office in the Kerala Judicial Academy

As a part of the Mission Mode project of the Government, e-office mode of administrative file movement has been implemented in all Sections of the High Court, except the Kerala Judicial Academy. W.e.f. 18.08.2023, it has decided to

implement e-office mode of administrative file movement in the Kerala Judicial Academy as well and to optimise the use of e-office module for the movement of administrative files, adhering guidelines issued in this regard.

The said application is aimed as a citizen centric service through which an SMS alert will be sent to the registered mobile number of the Advocates and litigants whenever the

Presiding Judge of District & Sub-Divisional Courts is on leave on any particular date. It is designed to provide enhanced convenience to all stakeholders, particularly the litigants and lawyers involved in the Justice Administration. It helps to ensure that everyone has access to essential information.

Karnataka High Court Rolls Out E-Filing Platform 3.0

The Karnataka High Court has rolled out a new version of E-filing 3.0 to enhance efficiency and accessibility within the legal system. The court aims to foster a paperless court environment, streamlining the judicial process and ensuring a faster and more effective dispensation of justice. The E-filing 3.0 platform encompasses several features that have been meticulously designed to simplify the filing process and augment the overall user experience. It will be accessible through <https://filing.ecourts.gov.in/pdedev/>. Some Key Features of E-filing 3.0 are Ready-made templates, Online

submission of vakalath, e-signing, e-Payment, Online Video Recording of Oath, Application Filing, Portfolio Management etc. Registrar (Computers), N G Dinesh enumerated the advantages of e-filing. The notification issued by Registrar General K S Bharat Kumar urges the users to acquaint themselves with the Karnataka (e-Filing) Rules, 2021. It also advises the Government Departments of both the Centre and State to take note of the notification dated 23.12.2021 which mandated e-Filing of cases & documents by the Government w.e.f 01.01.2022.

Under the aegis of Hon'ble e-Committee, Supreme Court of India, the Hon'ble the Chief Justice Sri Alok Aradhe, High Court for the State of Telangana in the august presence of all the Hon'ble Judges of the High Court inaugurated the eSewa Kendra in the premises of High Court on 19.08.2023. The High Court's eSewa Kendra established to serve the common litigant as a one stop centre for all his/her Court related needs. It is located near to the entrance of the High Court for

easy access to the litigants and other stakeholders. The Project of establishment of eSeva Kendras at District Courts and High Courts was conceived and conceptualised by the Hon'ble eCommittee with an objective of leveraging the accessibility of services provided by the Hon'ble eCommittee of Supreme Court of India under its eCourts related Project and is aimed at strengthening 'Access to Justice for all'.

Inauguration of 57 Paperless Courts in Phase-III by High Court of Orissa

On 01.08.2023, 57 Paperless Courts in Phase-III were inaugurated in virtual mode by Dr. Justice S. Muralidhar, Chief Justice, High Court of Orissa in presence of Justice Subhasis Talapatra, Chief Justice-Designate and Chairperson, Artificial Intelligence and Information Technology Committee, Dr. Justice Bidyut Ranjan Sarangi, Judge were also present. District Judges and judicial officers of the state joined the event through virtual mode. In the

National Conference on Digitization, e-Initiatives and paperless courts held at Cuttack on 05.05.2023 & 06.05.2023, the Chief Justice of the High Court of Orissa had made a commitment to set up 100 paperless courts in the State within a period of three months, in addition to the 34 paperless courts existing by then. The commitment was fulfilled with the inauguration of 50 paperless Courts on 03.07.2023 & 57 paperless courts on 01.08.2023. The number of

paperless courts in the District Judiciary have now reached 141. Speaking in the inaugural function Dr. S. Muralidhar said 57 paperless courts in the third phase is yet another milestone crossed by the Odisha judiciary and this work is in progress. He said, as preparatory to the paperless courts, digitization of pending as well as disposed of records in the districts has been taken up in the District Court Digitization Hubs and training has been imparted to judicial officers other stakeholders across the state by the master-trainer judicial officers and the technical team headed by the CPC. He complemented the master-trainer judicial officers in effective implementation of e-Initiatives in District Judiciary. He said the journey started in September, 2021 with inauguration of 34 paperless courts and Odisha has become the first State to have so

many paperless courts at the district level. Calling paperless court a citizen centric measure the Chief Justice emphasised on the impact of paperless court on the reconfiguration of space and the whole architecture and atmosphere of the Courts. The Chief Justice informed in his address that while Ganjam was the first district where all the Courts in its headquarters had become paperless, Khurda now became the second District to achieve the rare feat with all the courts at Bhubaneswar going paperless. He added, the High Court would be completely paperless in both administrative and judicial sides very soon and it would be replicated in the districts. Justice Subhasis Talapatra stressed upon the need of using technology for benefit of the poor.

Inauguration of Warrant Management System and PIL Portal

On 07.08.2023, Warrant Management System and PIL Portal were inaugurated in virtual mode by Dr. Justice S. Muralidhar, Chief Justice, High Court of Orissa in presence of Justice Subhasis Talapatra, Chief Justice-Designate and Chairperson, Artificial Intelligence and Information Technology Committee of the High Court, Justice Biswanath Rath, Chairperson, State Court Management System Committee and the Judges of the High Court of Orissa. Among others, Shri Sunil Bansal, Director General of Police and Shri Binaytosh Mishra, Director,

State Crime Records Bureau (SCRB), Odisha and all the District Judges and judicial officers of the state joined the event through virtual mode. In the last two and half years a series of e-Initiatives were implemented by the High Court of Orissa including e-filing, e-payment of court fees, digitization, hybrid hearing, paperless courts, e-libraries, live streaming of court proceedings and so on. Warrant Management System and PIL Portal are the latest additions to the series.

Warrant Management System is a portal of the High Court of Orissa,

developed in coordination with the State Crime Records Bureau, (SCRB) Odisha to ensure expeditious transmission and tracking of warrants. The portal has the facility of issuing warrants to the police, tracking the status of execution of the warrants and acknowledgement of warrant execution. Various types of warrant such as non-bailable warrants, bailable warrants, Distress Warrant, Recommitment etc. can be issued through this portal. While issuing warrants, the details of the warranty existing in the Crime and Criminal Tracking Network and Systems (CCTNS) can be automatically fetched to avoid erroneous data entry and reduce time. The warrants issued by the Courts will be notified on the dashboard of the local CCTNS module instantly, so that the concerned Police Officer can take immediate steps for execution of the

same. Details of the executed warrants can be maintained in the portal for effective tracking and monitoring of the same by the Courts and the Police. Other features such as Modification of warranty address with history log, Recall of warrants, Re-generation of warrants and Viewing of warrants etc. are also available for the Courts. Login credentials have been provided to all the warrant issuing Courts with different User Roles such as High Court Admin, District Court Admin and Court Staff for secure and effective management of the Warrant Management System. This portal also provides a report module to generate reports of various types: Police Station Wise Warrant Report, Court Wise Warrant Report etc. with the facility for exporting it to excel sheets. Warrant Management System was first made functional for the Cuttack district and now it has

been made functional for 7 districts namely, Angul, Balasore, Ganjam, Khurda, Koraput, Sambalpur and Rourkela in the district of Sundargarh. In the next phase it would be made functional in other districts.

PIL Portal is a tool through which the public can know about the important Public Interest Litigations (PIL) in the High Court, its relevant orders, reports etc. which will also help the researchers and students. Speaking in the inaugural function Dr. S. Muralidhar expressed concern over pendency of huge number of unexecuted warrants in the police stations across the state and said it is not in the interest of rule of law if the executing arms of the court are unable to submit compliance report in respect of the warrants forwarded to them. He added, the role of executing arms is crucial to ensure rule of law. The Chief Justice

informed that as many as 61,000 non-bailable warrants, 57000 bailable warrants, 3700 distress warrants and about 600 recommitment warrants are now pending for execution by the police stations, and hopefully, the Warrant Management System will help reduce these numbers. Speaking on the PIL Portal the Chief Justice said very often the lawyers filing PILs are not able to know that the same issue has already been pending before the court in an earlier filed PIL which leads to multiplicity of litigations. He said the lawyers bringing petitions before the court in matters of public interest should be more responsible and ensure that the issue is not already pending before the court. The Chief Justice said the PIL Portal will help the citizens and the lawyers know the status of various PILs and the relevant orders and it also gives links to the live streaming hearings of PIL cases and

reports of expert committees appointed by the court. He expressed hope that both the Warrant Management System and the PIL Portal will go a long way in serving the cause of justice. Justice Subhasis Talapatra said non-execution of warrants affect the trial and very often the trial courts remain in darkness without any clue about the warrants issued by them. He said it is a malady affecting the administration of justice and the Warrant Management System will be an effective tool to address the issue. Justice Talapatra expressed hope that both the e-initiatives will further

the end of justice. Justice Biswanath Rath said that at the first instance the Warrant Management System is being made functional for 7 districts and very soon it would be implemented in other districts after availability of infrastructure. Justice Rath hailed the PIL Portal as a much needed initiative to make the general public aware of the issues taken up by the court in Public Interest Litigations. Shri Binaytosh Mishra, Director, State Crime Records Bureau thanked the High Court for the initiatives and said it would ease the work of the executing agency and ensure much better coordination with the issuing courts.

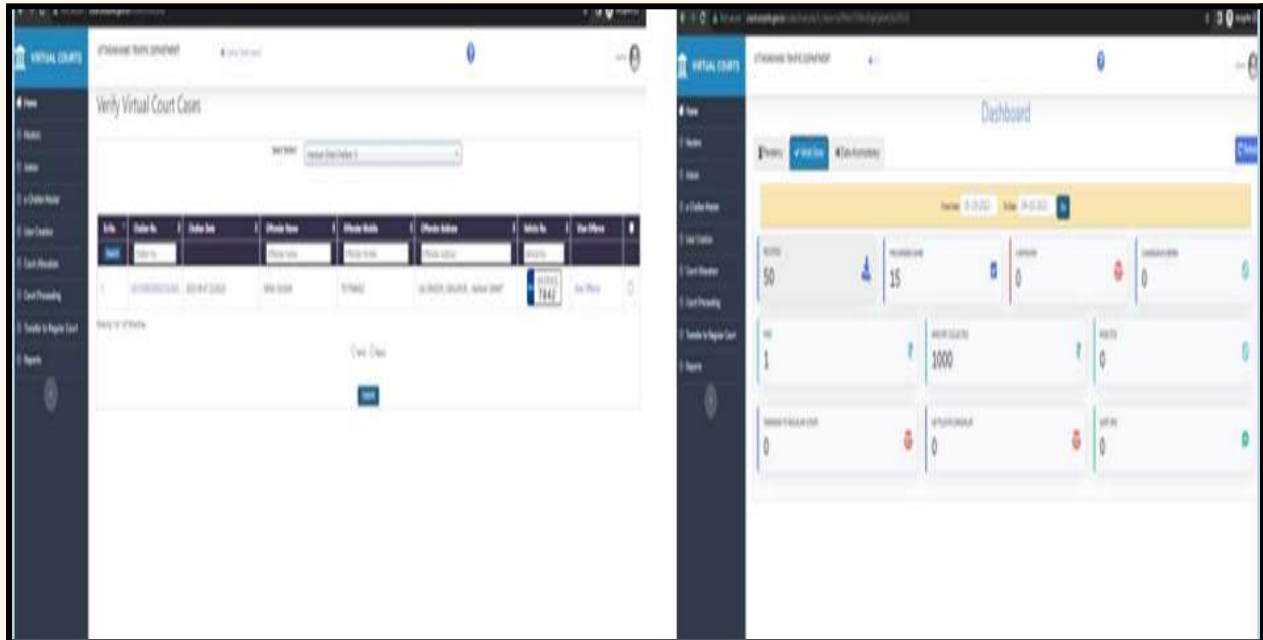

Implementation of Online Daily Sitting Register Module In The State of Uttarakhand

A periphery module for online submission of daily sitting for all Judicial Officers in District Courts has been developed. Earlier daily sittings were transmitted in manual mode, now the module has been developed for the online submission of daily sitting data. The said mechanism has been implemented in the State of Uttarakhand w.e.f. 01.09.2023. The daily sitting module has been integrated in the Case Information System (CIS) functioning at District Courts of Uttarakhand. The

user needs to login in the CIS software and mark his/her daily sitting in this module. The daily sitting register module has three different sub modules i.e. Daily Sitting Entry, Daily Sitting Record and Daily Sitting Monitoring. The Admin Module of said daily sitting register has been integrated with District Court Performance Monitoring Tool (DCPMT) software. Using DCPMT software, the data of the entire State can be accessed/monitored at the High Court.
