### Video-Conferencing Setup for Evidence recording

The detail would be sent to the co-ordinator of the remote location through email after granting permission from the court concerned.

## Requirements

- > Connect PC/Laptop/mobile with good internet connectivity, Camera, Speaker and Microphone.
- > Open given link in your browser
- > Now you will be connected through Jitsi Meet Video-Conferencing.

### Guidelines for effective meeting

- > Get connected through only one device from a single place otherwise there would be the problem of echo of sound and it would be difficult to hear the person.
- > There should be proper lighting from behind the camera.
- > Keep your microphone muted, open your microphone at the time of speaking only.

**NOTE: For any type of support contact respective court/office staff.**
