Sub: Regarding engagement of contractual manpower for online/paperless courts and e-Sewa Kendras.

Respected Sir,

Apropos, I am under direction to request that, under eCourts Project Phase-III, contractual manpower for limited time period ranging from 6 months to 12 months is to be engaged for online/paperless courts and e-Sewa Kendras. This task is to be accomplished through NICS empanelled vendor.

As the prescribed monthly remuneration for such contractual manpower relatively low and many eSewa Kendras are situated at outlying Court premises, therefore local assistance in identifying suitable panel is required. In this regard Hon'ble Chairman Steering Committee Rajasthan High Court has permitted that the vender may initially take assistance from local SSO/SO/SA to identify a suitable panel of manpower in each district. Pursuant to this i.e. identification of suitable panel of candidates, the concerned District Level Computer Committee has been authorized to evaluate and select suitable contractual manpower as per the number of required posts.

In the matter the Concerned NICS empanelled vendor i.e. CMS Computers India Pvt. Ltd., New Delhi, has been directed to initially seek assistance at local level from concerned SSO/SO/SA and thereafter also to assist District Level Computer Committee in the hiring process of local manpower.

Therefore, in compliance with the above, I am under direction to request you to kindly issue directions to the concerned SSO/SO/SA and also to concerned District Level Computer Committee to initiate the process for selection of contractual manpower through NICS empaneled vendor and intimate the details of selected candidates to this office.

In case of any clarifications kindly contact this office for assistance.

With regards,

Yours Sincerely,

Registrar cum CPC
