M.Radha Krishna Chahavan
Registrar (I.T.)-cum-
Central Project Coordinator

HYDERABAD,
DT: 09/07/2020.

ROC.No.177/2020-CPS

To
All the Unit Heads,

Sir/Madam,

Sub: Computer Section – Provision of Internet connection to each of the Subordinate Courts for the official purposes like processing the bills, browsing official websites, home offices of the Judicial Officers and District and Subordinate Court complexes (Server Room) for uploading orders, Judgments and replicating the NC CIS software to the National Judicial Data Grid (NJDG) server as an alternative to the existing MPLS connections (without internet) – Instructions – Regarding.

Ref: 1.High Court's letter ROC.No.462/2018-CPS, dated 02/05/2018.
2.High Court's letter ROC.No.462/2018-CPS, dated 02/08/2018.

***

I invite your attention to the subject and references cited.

I am to inform that many requests were received by the Registry to opt for the BSNL FTTH Internet connections other than the recommended BSNL Broadband Internet plan and also to go for the alternative Internet Service provider (ISP) other than BSNL, in this regard, the Hon'ble the Chief Justice and the Hon'ble Computer Committee pleased to consider the said requests.

I am to inform that the Unit heads are permitted to opt for an alternative Internet connectivity other than the recommended "BSNL BBG Combo ULD 845 CS 219" Internet plan (Bandwidth of 10 Mbps up to 200GB, 4 Mbps thereafter), where the BSNL internet connection is not feasible or service is poor, with an upper limit of the annual Internet charges per connection is at Rs.12,500/- (inclusive of GST and modem charges) per annum for provision of Internet to all the District & Subordinate Courts, Home offices of the Judicial Officers and CIS server of the Court complexes (one connection) in the State of Telangana.

I am to further inform that instead of having separate Internet for each individual Court in a Multi Court complex, the Unit Heads are also permitted to opt for an alternative Internet connectivity other than the recommended "BSNL BBG Combo ULD 845 CS 219" Internet plan at the Subordinate Courts of Multi Court complexes (together as a group) to opt for one higher bandwidth Internet with an upper limit for the individual Court with annual internet charges of Rs.12,500/- (inclusive of GST and modem charges) per annum multiplied with number of Courts of the group (i.e. Rs.12,500/- X No. of Courts in the Complex) per annum, instead of each Court having separate Internet. The Unit Heads may take the decision accordingly as to the availability of LAN to each Court of that complex to distribute the above opted Internet among all Courts of the Complex.

I am to request the Unit Heads to treat the Internet connection as independent and primary connectivity for Internet purposes and wherever possible not to opt the Internet service on the existing Telephone lines and opt the same in case of non-feasible on other network lines.

I am to further request the Unit Heads may see that all the Courts and Judicial Officers are utilizing the Internet connection effectively and a Register in this regard may be placed centrally to enter the office name/Court/Court complex name, the Internet Service Provider Name, Name of the Internet plan, Bandwidth, FUP limit/Unlimited, Bill payment details etc., in order to fully utilize the Internet services for official purposes.

This may be treated as **Most Urgent & Important.**

Yours faithfully,

9/7/2020

REGISTRAR
(I.T.)-cum-Central Project Coordinator
