#### 510-Motor Vehicles:

511 - Maintenance of Office Vehicles

The expenditure on the Maintenance of Office Vehicles excluding Petrol, Oil and Lubricants will come under this Head.

It is seen that usually huge amounts in excess of the requirements are asked every year under each head with the result that the allotted funds are neither utilised fully nor surrendered in time i.e., before the month of December. Consequently large amounts remain unspent and finally they have to be lapsed to the Government resulting in the large variations in the actual expenditure and allotments made. These variations often figures as the subject matter for discussion before the Public Accounts Committee. Therefore, this practice should be deprecated. Surplus funds shall be surrendered by the end of December, so as enable the High Court to re-allot the same to other districts.

Utmost care should therefore be taken in furnishing the above particulars and the particulars required should be sent Minor Head-wise without fail before the due date viz., 10-05-2023, otherwise it would cause a lot of dislocation in allotting funds. It may be noted that as

far as possible utmost economy in the expenditure should, as a rule, be observed at every stage. It may also be noted that it would not be possible to ratify the expenditure incurred by the Sub-Controlling Officers, over and above the allotments made.
