Re. No. 139G1/TGFSL/2026

MEMO

Date 20.06.2026

Sub: TGFSL – Court Evidence – Streamlining of coordination for adducing expert evidence before various Courts through Video Conferencing – Designation of Nodal Officer – Regarding.

All the Assistant Directors and Scientific Officers of TGFSL and the Regional Forensic Science Laboratories (RFSLs) are frequently required to attend various Courts to adduce expert evidence in criminal cases.

1507
Court summons are received from different Courts and communicated directly to the concerned experts. Further, many Courts are conducting proceedings through Video Conferencing (VC) and sharing VC links through various modes of communication. In the absence of a centralized coordination mechanism, difficulties are being experienced in monitoring court summons, obtaining VC links from Courts, communicating the same to experts, maintaining records of court attendance, and ensuring timely compliance.

Therefore, it is necessary to encourage the adducing of expert evidence through Video Conferencing wherever such a facility is available and permitted by the Hon'ble Courts.

In view of the above, **Sri M. Prudhvi Raj, RSI, TGFSL, Hyderabad (Cell No. 8712656488)**, is hereby nominated as the Nodal Officer at Remote Control Point at TGFSL, Hyderabad for Court Evidence Coordination with all Courts. He shall perform the following duties:

- Receive, compile, and maintain records of all court summons received from various Courts.
- Coordinate with the concerned Scientific Officers/Experts regarding court evidence schedules.
- Liaise with Court authorities for the scheduling and conduct of evidence through Video Conferencing.
- Obtain Video Conferencing links, meeting credentials, hearing schedules, and other instructions from the concerned Courts well in advance.
- Maintain a dedicated official mobile number for Court Evidence Coordination and request the Courts to share VC links and hearing details to the said number.
- Communicate the VC links and hearing schedules promptly to the concerned Scientific Officers/Experts.

Coordinate with the IT/Technical staff for arranging Video Conferencing facilities and ensuring uninterrupted connectivity.

Please acknowledge the Memo.
