I invite Your attention to the subject and reference cited.

I am to inform that the Hon'ble e-Committee has directed all the High Courts to undertake a comprehensive self-assessment of the hardware procured under the e-Courts Mission Mode Project and to furnish a certificate confirming that no hardware procured under the Project funds is lying idle or pending installation, except where specifically justified. Under the e-Courts Mission Mode Project, Phase-III, the High Court has supplied the recommended ICT hardware to all eligible Courts and is also providing the same to newly established Courts in the District Judiciary for their computerization.

I am to further inform that in the first phase of Phase-III i.e. during FY 2023-24, Courts already covered under Phase-II were provided with additional computer systems to strengthen their existing infrastructure. Thereafter, Courts which are not covered under Phase-II have also been provided with the recommended ICT hardware.

In view of the above, you are requested to undertake a comprehensive self-assessment of all ICT hardware supplied under the e-Courts Mission Mode Project, Phase-III and installed in all Courts under your administrative control, including the District Headquarters and all Subordinate Courts.
