HYDERABAD,
Dt: 21/07/2026.

ROC.No. 920/2026-CPS

To
All the Unit Heads

Sir/Madam,

Sub: **Computer Section** – eCourts Project – *"One Case One Data"* - Mentioning CNR number in orders and judgments of High Courts and District Courts to facilitate integrated data management in ICMIS of Hon'ble Supreme Court - Electronic fetching of case related information from the digital case-data repositories of High Courts and /or District Courts – Regarding.

***

I invite your attention to the subject cited.

I am to inform you that the Hon'ble Supreme Court of India launched the 'One Case One Data' initiative on 11/05/2026, wherein the eCourts APIs and the Government's Crime Records System APIs have been integrated with the Case Management Software (ICMIS) of the Supreme Court of India to enable automatic retrieval of information from the digital case-data repositories of the High Courts and/or District Courts, ***eliminating the need for duplicate data entry, ensuring instantaneous verification, and also ensuring data integrity and accuracy from the very first day*** of a matter instituted before the Hon'ble Supreme Court. Further, as a reciprocal measure, the Hon'ble Supreme Court of India is making available the APIs of its Case Management Platform to the High Courts and State Governments alike, enabling improved monitoring and management of litigation before the Apex Court.

Accordingly, it is impressed upon that all orders and judgments must be uploaded promptly upon pronouncement and shall be made available on the NJDG without delay; every court functioning under the supervision of the High Court, including courts at the district and taluka levels, must be onboarded to the eCourts platform; and the Judicial Officers and Court Staff must be sensitised to consistent, structured, and accurate data entry practices across all courts.

Further, the Secretary General, Hon'ble Supreme Court of India, vide letter dated 02/06/2026, requested all the High Courts to ensure that the CNR number for every matter is duly reflected in the orders and judgments of the High Courts and/or

Inwards No. 1467 of 2026

District Courts for automatic retrieval of the case-related information in the ICMIS when the matter is challenged before the Hon'ble Supreme Court. Further, the Secretary General has requested to take appropriate steps to reflect the CNR number of each matter conspicuously preferably in the heading area on the digital copies of orders and judgments (which are available on the NJDG), as well as on the certified copies.

Hence, as per the directions of the Hon'ble Supreme Court of India and as directed, I request you to issue necessary directions to the Staff of your Unit to mandatorily reflect the CNR number of each matter conspicuously preferably in the heading area on the digital copies of orders and judgments, as well as on the certified copies. You are further requested to direct all the officers who verify the orders and judgments to scrupulously supervise the same. This will also help the High Court and the District Courts in their appellate jurisdiction, in a manner similar to that of the Hon'ble Supreme Court of India in appeal matters arising from the trial courts.

Further, if any standardized templates are being used by the Staff in the CIS software to generate orders/judgments, they may contact the Computer Section/NIC for the necessary changes to the templates to reflect the CNR number. Till such changes are made effective, the concerned staff may also be directed to place the CNR number manually.

This may be treated as Most Important & Urgent.

Yours faithfully,

Registrar (I.T.)-cum-SJ/7
