1. General Information

• Introduction

eFiling system is a complete end to end solution developed for online filing of complaints, written statements, replies and various applications related to cases. Both Civil and Criminal cases can be filed before any High Court or District Court of the country. It is designed in Bilingual (English and local language) to reach wider group covering advocates/litigants.

eFiling system provides several benefits;

- Save time, money, travel of advocates and clients
- Obviate the need to physically visit the court
- Reduce the need of meetings between clients and advocates
- Automatic digitization of case records
- Positive impact on environment by reducing paper footprint

• Audience

The document is intended for Advocates and Litigants who need to frequently file cases and upload documents.

• Purpose of the document

The purpose of the document is to familiarize the advocates and litigants with online procedures for filing the cases and uploading the documents.

• Objectives of the document

The main objectives of the document are to enable the user to:

- Register with eFiling system
- File New Cases
- Complete Vakalat procedure
- Upload Pleadings for cases
- E-sign pleading for authentication
- Record Oath for pleadings
- IA filing
- Online payments
- Add or revoke partners
- Manage exclusive portfolio

6.2 Case Filing

New case filing can be considered to have 3 parts:

- **Initial filing** – This can be done only by advocates or Party-in-person litigants. It includes all the basic case information.
- **Entering case details** - These details can be entered either by advocate or by litigant, as per the convenience. These include:
 - Litigant – information of all the concerned parties
 - Legal Heir – enabled only if legal heir option is checked in the initial case information by advocate
 - Fact Details
 - Case Details
 - Motor Vehicle Compensation (MVC) – enabled only if the case type is chosen as motor vehicle compensation in the initial case information by advocate
- **Final Submission** – This again can be done only by the advocate or by party-in-person litigant.

Note: Once the Final Submission is done, the case details cannot be modified. As a result, the case cannot be viewed by Litigant for editing.

Accordingly, the different menu and forms appear for advocates and litigants.

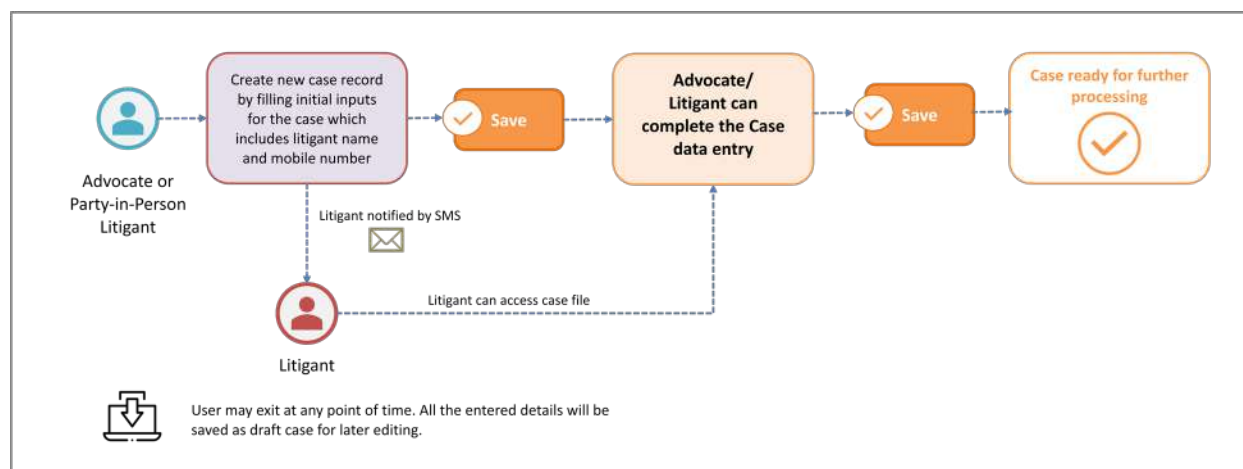

Fig: Case Filing Flow

6.2.1 New Case Filing (only for Advocates and Party-in-Person Litigants)

6.2.1.1 Initial Inputs

The initial inputs required to file a case are to be filled in this form.

- Select **Case Filing** menu; select **Initial Inputs** tab.
- Enter **District/ Establishment Details** where case needs to be filed.
- Enter **Case Type Details**. If the selected case type is MVC, **MVC** tab appears to fill in the additional details.

- Enter **Party (client) Details**.
- Click on **Submit**.
- The message '**New Case Added**' is displayed along with temporary EFiling Number.

Fig: Initial Inputs

Fig: New Case Added Successfully

6.2.1.2 Litigant

This tab is used to fill Litigant details. To access this tab, click **Next** button on the Initial Input form. However, this tab is accessible only after successfully filing out the Initial Input tab.

Note: It is required to fill the details of all the parties before clicking **Next** button. Litigant may also enter these details using his login.

User can check previously saved litigant details by clicking the **View Previous Parties** link in top right corner.

Enter the following details-

- Select the **Type** (Appellant/ Respondent).
- Enter **Personal Details**.
- Enter **Contact Details**.
- Enter **State Information**.
- Check on **Other Information** to fill more details.
- Check **Legal Heir Add** to add legal heir. If this is checked, **Legal Heir** tab appears after submission to add the legal heir details.
- Enter information in Local Language.
- If required, check on **Add to Favorites**. If a party is added as favorite, the details of the litigant are saved for future use, thereby enabling easy and quick access to frequent party details. Parties, added as favorite, can be viewed/deleted through '**Manage Favorite Clients**'. However, this step is not mandatory.
- Click on **Update** to save the details.
- If the Appellant or Respondent is an organization, check on **Organization Details** after selecting the Type.
- Select **Organization Name** and enter all above mentioned details and click on **Update** to save the details.
- When details of all the parties are entered, click on **Next** button. To check whether all party details are entered, click on the **View Previous Parties** link in the top right corner. The link is visible only if entered party details are saved.

6.3 Vakalat

Vakalat allows user to formally assign lawyers to the cases. It includes following steps-

1. Advocate assigns self and partner/s to the case.
2. Litigant appoints the lawyer by sending offer to the advocate.
3. Advocate accepts the offer to complete the process.

Lawyer's assignment to the case is complete only after all the three steps are done. All the three steps can be completed with this menu. Send offer menu (step 2) is visible only to Litigant.

6.4.2.2 Indexing (For Advocates)

Indexing for the document is nothing but preparing index for the contents of the document. This step is not mandatory; however, it is always better to index the documents.

This tab also provides provision to authorize signatories, as to who will be signing the documents. The details of both indexing and signatories are provided below.

❖ Indexing

Indexing allows the user to create index for the selected document. It provides more clear view of the contents of the document. Through indexing, the user can jump to his required content without going through the whole document.

Indexing can be done for individual as well as merged files.

- Select **Pleadings** from the main menu.
- Select **Pleadings** from the submenu.
- Select **Indexing** tab.
- Select radio button for **New case** or **Existing Case**. If 'new cases' is selected, only the e-filed cases are shown; if 'existing case' is selected manually filed and e-filed, both types of cases are shown.

A table is shown with details Index Title, From Page Number, To Page Number, and View Document. The title of each document is also displayed, clicking on which will open the document.

- To add index to the selected document
 - Click on **Add Index** button.
 - Enter the details for **Index Title**, **From Page No.**, and **To Page No.**

- Click on **Index Document** button.
- The message, “**Document Indexed successfully**” is displayed.
- When indexing is complete, it is displayed in the table. The indexed parts of the document can be viewed separately by clicking on the **View Document** link in front of the index.
- The index can be deleted by clicking on **Delete** button.

6.4.2.3 Pleading eSign (For Advocate and Litigant)

Pleading eSign tab enables user to assign signatories and e-sign a pleadings (document). Multiple parties can e-sign a single document.

❖ Authorize Signatories

This facility allows user to assign signatories for a document including the advocates or clients. The service also enables to specify the mode of signing- whether it will be e-signed or OTP verified by the signatory. Only the assigned advocates and clients are able to sign the document. When a client is assigned as signatory by the advocate, he will be able to see the document for e-signing under pleadings menu.

- Click on **Authorize Signatories** to authorize who can sign the selected document.
- Check the box for those who the user wishes to authorize. Check box is provided in front of their names.

- Select the method of signing, by selecting the radio button for eSign or OTP. For OTP, enter the mobile number and the OTP is sent to that number.
- Click on Submit button.
- The message, “Signatory Authorized Successfully” is displayed. This signatory will now be able to eSign/ OTP verify document through own login.
