Note:

- This Email ID list should be circulated amongst all the Judicial Officers with an instruction to start using their new email accounts and send an acknowledgement to ecommittee@aij.gov.in.
- The details of the email account including the password & login ID have been sent to the alternate mail ID and/or the mobile number of the Judicial Officer as given in the application form.
- eCommittee should be informed, at the earliest, if any of the Judicial Officers of this list have not yet received their email account password from the eCommittee. The password can be resent to the same mobile no./alternate Email Address given in the application form only. If the password is required to be sent to any other mobile no. or Email Address, the request should be forwarded to the eCommittee through Hon'ble High Court only.
- The Judicial Officers may contact eCommittee at the above given mail ID for any further information or any discrepancy in their email account. They themselves can change the information relating to their profile i.e. Designation, Posting, Address, Mobile No. etc. using the link <https://msgapp.nic.in/logindetail/>. This page can also be accessed from 'Profile & Last Login' at 'aij.gov.in'.
- This Email ID list should be also submitted to the Admin Department of the High Court so that any further communication from the Hon'ble High Court to the Judicial Officers may also be facilitated through email.
- The initial password sent by the eCommittee should be changed immediately on first login itself. A list of guidelines about password policy is given below which is also available at <http://www.sci.nic.in/e-committee.htm>
- It is expected that now onwards this email account shall be used regularly to avoid account deactivation or password expiry.

Guidelines for changing and protecting Email Password**Guidelines for changing the password:**

- Minimum password length must be 8 characters.
- It must contain a mixture of alpha, numeric & special characters.
- Combination of uppercase and lowercase alphabets must be used.
- At least one (or more) special character (e.g. @, #, \$, %) is required in the password.
- Any common sequences from a keyboard row: qwerty, 12345, asdfgh are not allowed.
- The password or any part of it should not be a dictionary word.
- Old passwords are not allowed to be used again

Password Protection Measures:

- Default Password that is conveyed with the email account details must be changed immediately on the first login itself.
- Information that can be easily guessed or obtained about the email account holder should not be a part of the password. This includes user's own name, spouse's name, vehicle license plate number, telephone number, D.O.B., PAN number, the brand of his/her automobile, the number of street of home/office address etc.
- The password should not be shared with anyone. Password is to be treated as a sensitive confidential information.
- The password should never be written down or stored online without encryption.
- The password should not be revealed in email, chat, any other electronic communication.
- Users should always decline the use of the "Remember Password" feature of any browser or other applications.
- If email account or password compromise is suspected, this should immediately be reported to the NIC/eCommittee.

When password of the email account is lost or forgotten or the email account gets disabled due to non-use, an application in prescribed form (available at <http://www.sci.nic.in/e-committee.htm>) is to be addressed to the eCommittee for resetting the password. It can also be sent through email from the official email ID of the respective High Court to ecommittee@aij.gov.in.
