E-Committee Regional Digital Accessibility Training For Visually Challenged Court Staff of the Karnataka State Judiciary (Zone-2)

The High Court of Karnataka launched the Digital Accessibility Training programme under the guidance of eCommittee, Hon'ble Supreme Court of India in October 2023 at Karnataka Judicial Academy. It turned out to be a remarkable and transformative experience for all the staff involved. In the State Judiciary,

there are a total of 371 visually challenged employees working. The training is being imparted by a Resource Person from Samarthanam Trust for the Disabled. A total 6 batches with a total of 120 visually challenged employees of the Karnataka State Judiciary. The primary objective of the training was

to equip visually challenged employees with the knowledge and skills needed to ensure digital literacy to enable them to work effectively and productively. The curriculum was thoughtfully designed to cater to the diverse needs of visually challenged staff. Various assistive tools were introduced in this training. Practical sessions were conducted to use screen readers and learn how to operate Desktops and Android devices. These sessions were highly engaging and effective. The trainers taught how to use the e-courts website for searching and reading the judgments. The empowering session from the popular visually challenged person was done to have an impact on the Staff that nothing is impossible and it inspired a lot on all

the Court staff. Participants expressed an interest in expanding the training curriculum to include court internal software systems. In summary, the training program conclusively revealed that visually impaired court staff members not only exhibit a keen interest in acquiring knowledge about digital accessibility but also demonstrate a remarkable ability to comprehend and apply intricate concepts. Their unwavering determination to overcome digital challenges, coupled with their enthusiastic pursuit of new skills, serves as a promising indicator of advancements in fostering digital inclusion and accessibility for everyone.
