7. Since the factual matrix of the above noted claim petitions is almost the same, therefore, these claim petitions are decided together by a common judgment and order for the sake of brevity and convenience.

8. This is the second round of litigation in so far as Claim Petition No. 107/DB/2020, Suraj Mani Malasi & others vs. State of Uttarakhand and others; Claim Petition No. 108/DB/2020, Deep Chandra Pathak & others vs.

State of Uttarakhand & others and Claim Petition No. 156/DB/2019, Lalit Kumar Adlakha vs. State of Uttarkahand & others are concerned.

9. It will be useful to reproduce the judgment dated 12.09.2019, rendered by this Tribunal in first round of litigation in claim petition no. 13/DB/2019, Suraj Mani Malasi and others vs. State of Uttarakhand and others for understanding the facts, as under:

“By means of present claim petition, petitioners seek, *inter alia*, to direct Respondent No.3 to issue a Government Order for giving benefits of upgraded grade pay of Rs.8700/- to the petitioners.

2. Brief facts, giving rise to present claim petition, are as follows:

Petitioners are retired Assistant/ Executive/ Superintending Engineers in Public Works Department of State of Uttarakhand. The pay scale of Rs.37400-67000/- grade pay Rs.8700/- has been sanctioned to the Superintending Engineers of Govt. of India *vide* official Gazette No. 526 dated 17.10.2012 of the Govt. of India.

Pay scale of Rs.15600-39100/- grade pay Rs.7600/- of the Assistant/Executive /Superintending Engineers of the State has been upgraded to the pay scale of Rs.37400-67000/- grade pay Rs.8700/- *vide* G.O. No. 220/xxvii(7) 50(16)/2014 T.C. dated 31.10.2017 of the Principal Secretary, Finance, who directed for issuance of Govt. Orders accordingly by the administrative departments. The petitioners having retired before 31.10.2017 have not got the benefit of the upgraded scale of Rs.37400-67000/- grade pay Rs.8700/- and for the same they have filed a combined representation on 25.02.2019 for granting benefits of the said G.O. to the Engineers retired before 31.10.2017. When the representation was not decided, petitioners reiterated the same by sending a reminder on 10.06.2019 for granting benefits of the said G.O. to the retired Engineers, but the Govt. has not taken any decision on the said representation. Hence, present claim petition.

3. After arguing the claim petition at some length, Ld. Counsel for the petitioners prayed that their representation dated 10.06.2019, along with enclosures (Annexure: A 13), may kindly be directed to be decided by Respondent No.3, at an early date, as per law. Ld. A.P.O. is not averse to the idea of directing Respondent No.3 to decide such representation at an early date, as per law.

4. We have noted that the representation of the petitioners is self contained representation, enclosing the annexures in support of their contention and, therefore, it will be in the fitness of things if Respondent No.3 is directed to decide such representation.

5. Claim petition is, accordingly, disposed of, at the admission stage, by directing Respondent No.3, to decide the pending representation dated 10.06.2019 (Annexure: A 13) of the petitioners, by a reasoned and speaking order, in accordance with law, at an earliest possible, but not later than eight weeks of presentation of certified copy of this order along with copy of Annexure: A 13.”

3. After arguing the claim petition at some length, Ld. Counsel for the petitioner prayed that petitioner’s representation dated 10.06.2019, along with enclosures (Annexure: A 13), may kindly be directed to be decided by Respondent No.3, at an early date, as per law. Ld. A.P.O. is not averse to the idea of directing Respondent No.3 to decide such representation at an early date, as per law.

4. We have noted that the representation of the petitioner is self contained representation, enclosing the annexures in support of his contention and, therefore, it will be in the fitness of things if Respondent No.3 is directed to decide such representation.

5. Claim petition is, accordingly, disposed of, at the admission stage, by directing Respondent No.3, to decide the pending representation dated 10.06.2019 (Annexure: A 13) of the petitioner, by a reasoned and speaking order, in accordance with law, at an earliest possible, but not later than eight weeks of presentation of certified copy of this order along with copy of Annexure: A 13”

12. When the representations of the petitioners, Sri Suraj Mani Malasi, Sri Deep Chandra Pathak and Lalit Kumar Adlakha were rejected by the Respondent State, *vide* orders dated 20.12.2019, 21.02.2020 and 01.11.2019, they have filed present claim petitions no. 107/DB/2020, 108/DB/2020 and 156/DB/2019 respectively.

13. Written Statement(s) and Counter Affidavit(s) have been filed on behalf of the respondents contradicting material facts of the claim petition. Learned Counsel for the parties have taken their versions in the written arguments also. The Tribunal need not reproduce those facts or arguments, for they are already part of record.

14. Learned A.P.O. objected to the maintainability of claim petitions, *inter alia*, on the ground that the claim petitions are barred by limitation. These claim petitions have been filed, *inter alia*, for setting aside/modifying orders passed from 31.10.2017 to 01.02.2018. Whereas the claim petitions no. 112/DB/2019, 113/DB/2019 and 114/DB/2019 were filed on 11.09.2019, Claim petitions no. 08/DB/20 and 122/DB/20 have been filed on 09.01.2020 and 28.12.2020 respectively. According to Section 5(1)(b)(ii) of the Act, the limitation for filing claim petition before this Tribunal is one year.

15. It is the submission of Sri L.K. Maithani, learned Counsel for Sunil Kumar Tiwari in claim petition no. 08/DB/2020 that prior to the creation of state of Uttarakhand, all the petitioners were in the service of state of U.P. and were getting the same pay scale as that of Central Govt. On the recommendation of sixth central pay commission, the central Govt. revised the pay scale of central Government Service since 01.01.2006. The State Govt. constituted the pay committee (2008) and on the recommendation of the pay committee (2008), the State Govt. sanctioned the revised pay scale of Central Govt. to the employees of the State Govt. *vide* G.O. dated 17.10.2008. The Central Govt. sanctioned the benefit of revised pay scale to its employees on the recommendation of sixth pay commission since

01.01.2006, therefore the State Govt. also recommended the benefit of revised pay scale to its employees *w.e.f.* 2006, the date from which the pay scale of Central Govt. was revised. Thereafter, revised pay scale Rs. 15600-39100 grade pay Rs. 7600/- was given to the superintending engineers of the state services since 01.01.2006. The Central Govt. upgraded the pay scale Rs. 15600-39100 grade pay Rs. 7600/- in the pay scale of Rs. 37400-67000 grade pay Rs. 8700/-. When it came to the knowledge, the matter was sent to the pay anomaly committee and on the recommendation of pay anomaly committee, the State Govt. *vide* G.O. No. 220 dated 31.10.2017 sanctioned pay scale Rs. 37400-67000 grade pay Rs. 8700/- to the post of superintending engineers of the engineering departments of the state. It was the promise of the Govt. to its employees to sanction the same pay scale as per Central Govt. pay scales and *vide* G.O. dated 17.10.2008, the State Govt. also promised the same to its employees, on the basis of the same, the benefit of revised pay scales were sanctioned to the employees of the state *w.e.f.* 01.01.2006, thus, benefit of upgradation of pay scale grade pay Rs. 8700/- was to be given to the engineers of state service since the date of upgradation of pay scale Rs. 7600/- into pay scale grade pay Rs. 8700/- by the Central Govt. The matter of grade pay Rs. 8700/- was sent to the pay anomaly committee only because of the reason that in Central Govt. engineering services, the grade pay Rs. 7600/- was upgraded to the pay scale Rs. 8700/-. The basis of recommendation of pay anomaly committee was only the upgradation of pay scale grade pay Rs. 7600/- to pay scale grade pay Rs. 8700/- by the Central Govt. Thus, it should be given to the engineers of the state services since the date of upgradation of pay scale grade pay Rs. 7600/- to Rs. 8700/- by the Central Govt. On the date of upgradation of pay scale grade pay Rs. 7600/- into pay scale grade pay Rs. 8700/, the petitioners and other engineers of the state services were getting the benefit of the pay scale grade pay Rs. 7600/- of the post of superintending engineer under the ACP and promotion, therefore, on that day, they were fully eligible and entitled for the benefit of grade pay Rs. 8700/- as per policy of the State Govt. but due to arbitrary fixation of the subsequent date, the petitioners were not

given the benefit of grade pay Rs 8700/- because they retired from the service prior to 31.10.2017. *Vide* G.O. dated 31.10.2017, the respondent granted and sanctioned the benefit of grade pay Rs 8700/- to counterparts and juniors to the petitioner on the logic that Central Govt. sanctioned the upgraded pay scale grade pay Rs. 8700/- to the engineers of Central Govt., but denied the same to the petitioners, who were similarly situated.

15.1 On a perusal of the judgement dated 28.01.2014 of Hon'ble High Court of Judicature at Allahabad, passed in W.P. No. 236 and W.P. No. 1440/2013, it is revealed that the state of U.P. upgraded the pay scale of superintending engineers to Rs 37400-67000 grade pay Rs.8700/- *vide* G.O. dated 04.05.2010. This fact clearly shows that grade pay Rs. 7600/- was upgraded to the grade pay of Rs. 8700/- in the year 2010. From the office order dated 30.01.2015 of State of U.P., which has been filed by the petitioner as Annexure: A9 of the claim petition, the state of U.P. refixed the pay of Sri Virendra Kumar Maurya and Sri Ram Sagar in the grade pay Rs. 8700/- *w.e.f.* 19.08.2007. This fact clearly indicated that in the Central Govt., the grade pay Rs 7600/- was revised/ upgraded *w.e.f.* 01.01.2006. The state of U.P. *vide* G.O. dated 04.05.2010, upgraded the grade from Rs. 7600/- to Rs. 8700/-, but on the direction of Hon'ble High Court, the benefit of grade pay Rs. 8700/- was given to the engineers of U.P. since the date of eligibility. Hon'ble High Court of Uttarakhand at Nainital, in its judgement dated 19.11.2016, passed in WPSB No. 338/2014, Vijay Chand Raturi vs. Additional Secretary Law and others has observed that the monetary benefits should have been given to all those employees in whose case the anomalies were detected by pay anomaly committee *w.e.f.* 01.01.2006. In view of the above legal position, the benefit of grade pay 8700/- was to be given to the petitioners since the date when the benefit of grade pay 7600/- was given to them under the sixth pay commission.

15.2 The Uttarakhand Jal Sansthan and Uttarakhand Peyjal Nigam both are constituted under the provisions of Uttar Pradesh Water Supply and Sewerage Act, 1975 and having the duties and responsibilities of the same

nature as also the qualification for the promotion and appointment on the post of Superintending Engineer in both the departments are same. In the Peyjal Nigam, the benefit of upgraded grade pay Rs. 8700/- was given to the engineers since the year 2010-11. Grade Pay Rs. 8700/- is mentioned for the post of superintending engineer in the Rules of 2011, which is approved *vide* G.O. dated 23.12.2011 of the State Govt. The promotions were given to the Executive Engineers to the post of Superintending Engineer in the pay scale 37400-67000 grade pay Rs. 8700/-.

15.3 On the appointed day, the pay scales of the petitioners and their counterparts working in the state of U.P. were the same. In the state of U.P., the benefit of upgraded pay scale Rs. 37400-67000 grade pay Rs. 8700/- was given to the engineers of state of U.P. *w.e.f.* the date of eligibility but in the state of Uttarakhand, the State Govt. sanctioned the benefit of pay scale Rs. 37400-67000 grade pay Rs. 8700/- from the date of issuance of G.O. dated 31.10.2017 and not from the date of eligibility of engineers. The Hon'ble High Court of Allahabad, *vide* judgement dated 28.01.2014 (Annexure: A8), passed in W.P. No. 236/2013 and W.P. No. 1440/2013, directed the state of U.P. to give the salary to the petitioners (of those writ petitioners) in the pay band IV with grade pay Rs. 8700/- *w.e.f.* the date they are found eligible along with arrears, on the day when the Central Govt. upgraded the pay scale grade pay Rs. 7600/- to grade pay Rs. 8700/-. The benefit of upgraded pay scale grade pay Rs. 8700/- to the engineers of the state services was to be given from the date of eligibility and not from the date of issuance of G.O. dated 31.10.2017.

15.4 In the seventh pay commission, the scheme of grade pay is abolished *w.e.f.* 01.01.2016, therefore *vide* G.O. dated 31.10.2017, the benefit of grade pay Rs. 8700/- could not be given from the date of issuance of G.O. dated 31.10.2017 and it should be given from the date of upgradation of grade pay Rs. 7600/- in grade pay Rs. 8700/- by Central Govt., when the scheme of sixth pay commission was applicable. It is, therefore, prayed that a direction be given to respondents to sanction the benefit of upgraded pay scale grade pay

Rs. 8700/- to the petitioners *w.e.f.* the date of eligibility of petitioners and accordingly refix their pension.

15.5 According to Sri V.P. Devrani, learned A.P.O., and Sri Deepak Singh, learned Counsel for Peyjal Department, the applicable rules governing service conditions of the engineers of Jal Sansthan were Uttarakhand Jal Sansthan Engineering Service Rules, 2011 and the pay scales payable to the petitioners as per these rules were Rs. 15600-39100 grade pay Rs. 7600/-. Petitioner never challenged prescribed pay scales of superintending engineers. No right vests in the petitioners to claim parity with Central Govt. employees in the revised pay scale prescribed by Urban Development Ministry, Government of India for its own employees on 17.10.2012. Service rules and conditions prescribed for the employees of Ministry of Urban Development, Government of India by the Central Govt. *vide* its notification dated 17.10.2012 are not *ipso facto* applicable to the employees of the Govt. of Uttarakhand. The Uttarakhand Jal Sansthan is a govt. controlled body and has to manage its own funds for the salary and other perks. The Govt. of Uttarakhand is neither bound to implement the pay scales as prescribed by Urban Development Ministry of Govt. of India for its engineers nor the petitioners have any vested right or parity with Central Govt.

15.6 It is the submission of Sri B.B. Naithani, learned Counsel for Uttarakhand Jal Sansthan that Jal Sansthan is a corporate body constituted under Section 18 of the U.P. Water Supply and Sewerage Act, 1975. Jal Sansthan has very limited sources of income. *Vide* Section 25(2)(V) of U.P. Water Supply and Sewerage Act, 1975, the Sansthan has to adopt its own budget annually. *Vide* Section 25(2)(VI), the Sansthan collects taxes and charges for the service it renders to the public. *Vide* Section 25(2)(VII), the Sansthan has to manage its own funds to incur expenditure. *Vide* Section 41 of the Act of 1975, the Jal Sansthan has its fund, which is deemed as local fund and to which all moneys received by or on behalf of Sansthan are credited. The Govt. of Uttarakhand, *vide* order dated 31.10.2017 has revised the pay scale of superintending engineers serving in various engineering

departments of Govt. of Uttarakhand from Rs. 37400-67000 grade pay 7600 to 37400-67000 grade pay 8700 w.e.f. 31.10.2017 (Annexure: A3). The state of Uttarakhand, *vide* order dated 01.02.2018 revised the pay scale of superintending engineers serving in Jal Sansthan from the same date i.e. 31.10.2017. All the petitioners in claim petition no. 08/DB/2020 have retired much before the revision of pay scales. Petitioners have not challenged the order dated 01.02.2018 of pay revision. Petitioners have stated in para 1 of the claim petition that they are challenging the impugned order dated 24.07.2019 (Annexure: A1), which is not an order but a letter by which letter dated 08.07.2019 has been replied to respondent no. 10, 16 and 22. Copy of the letter dated 08.07.2019 has not been filed.

15.7 It was also argued that following important facts are discernible:

- (a) The said letter dated 24.07.2019 is not an order as required under Section 4(1) of the P.S.T. Act, 1976 to knock the door of this Hon'ble Tribunal.
- (b) The said letter is in personam to only 3 petitioner out of 42 petitioners. So the question of being aggrieved with the said letter for 39 out of 42 petitioners does not arise.
- (c) The said letter dated 29.07.2019/ 24.07.2019 (Annexure: A1) is a part of correspondence/ communication which cannot be said as an order.
- (d) *Vide* said letter dated 29.07.2019/ 24.07.2019, nothing like an order has been passed or issued.
- (e) *Vide* said letter dated 29.07.2019/ 24.07.2019, simply the contents of said G.O. dated 31.10.2017 and G.O. dated 01.02.2018 have been explained as the same is admitted *vide* contents of para 1 of the instant petition.
- (f) *Vide* said letter dated 29.07.2019/ 24.07.2019, no right of the petitioner has been withdrawn nor denied nor affected. So no question of being aggrieved with the said letter arises.

- (g) No new Cause of Action has arisen with respect to revision of pay by making reply to some letter dated 08.07.2019.
- (h) No representation against the said reply letter dated 29.07.2019/ 24.07.2019 has been filed by the petitioner to the maker of this reply letter or to any higher authority of the Jal Sansthan as such they all remained satisfied with the said reply letter.
- (i) *Vide* para 1 of the instant petition, the said G.O. No. 187 dated 01.02.2018 has not been impugned. So the instant petition could not be admitted and the same is liable to be dismissed.

16. According to Sri B.B. Naithani, there are statutory rules like Uttarakhand Jal Sansthan Engineering Service Rules, 2011, prescribing specific pay scales *vide* its Annexure 'A' under Rule 25. The question of parity with rules of other corporations cannot arise without amending the Rules of 2011. Hon'ble Apex Court in Civil Appeal No. 7427 of 2011, Punjab State Co-operative Milk Producers Federation Ltd. and another vs. Balbir Kumar Walia (decided on 09.07.2020) has held that the boards and corporations have to depend on either on their own resources or seek grant from the Central/ State Govt., as the case may be, for their expenditures. Therefore, the grant of benefits of higher pay scale of the Central/ State Govt. employees stand on different footing than grant of pay scale by instrumentalities of the State. Similar views have been expressed by Hon'ble Supreme Court in State of Punjab and other vs. Amar Nath Goel [2005(2) SC SLR 409]. Sri B.B. Naithani has also submitted that the claim petition is barred by limitation.

17. Learned A.P.O. submitted that, earlier, Claim Petition No. 157/DB/2019, Keshav Lal Todariya & others vs. State of Uttarakhand & others, with almost similar facts and law, was decided by this Tribunal on 31.10.2020 and present controversy is squarely covered by the aforesaid decision. Dr. N.K. Pant, learned Counsel for the petitioners in claim petitions no. 107/DB/2020, 108/DB/2020, 122/DB/2020 and 156/DB/2019 submitted

that a few points, which were not taken up in Todaria's decision, may be considered by the Tribunal now.

18. Dr. N.K. Pant, Advocate, who had argued Todaria's case at length, submitted, *inter alia*, that the G.O. no. 220 dated 31.10.2017 has sanctioned pay scale of Rs. 37400-67000 grade pay Rs 8700/- in place of pay scale Rs 15600-39100/- grade pay Rs. 7600/-. He further submitted that Finance Department of Govt. has not disclosed the date of commencement of the granted new pay scale. The Irrigation Department upgraded the pay scale of Rs. 7600/- to Rs. 8700/- *vide* its G.O. dated 01.01.2018 from the date of 31.10.2017. No higher approval from the higher authority has been taken by the department for applicability of upgradation of pay scale. Even after the concurrence of the Finance Department, no approval from the higher authority has been taken by the department, which is totally against the Uttar Pradesh *Karya Niyamawali*, 1975 (as applicable to the State of Uttarakhand). Hence, the application of the said G.O. is arbitrary and should be quashed. He further submitted that in para 04 of the G.O. dated 01.02.2018, it is clearly provided that the pay fixation will be made according the mentioned procedure in the Uttarakhand Government Servant Pay Rule, 2016, hence, the said benefit should be provided from the date of 01.01.2016. Copy of the said G.O. is enclosed as Annexure: WA-07 and WA-08 to the written argument in claim petition no. 108/DB/2020, Deep Chandra Pathak vs. State of Uttarakhand and others.

18.1 Dr. N.K. Pant, Advocate, also placed copies of the orders issued by Uttarakhand Pey Jal Nigam wherein the grade pay of Rs. 8700/- has been given to the Superintending Engineers from the year 2010-11 itself.

18.2 Learned Counsel for the respondents argued that Pey Jal Nigam is a separate corporate entity having their own pay scales etc. and other Govt. departments and even the Jal Sansthan, which is another organisation in the same Pey Jal Department, cannot claim parity with the Uttarakhand Pey Jal Nigam. According to learned Counsel for the respondents, the orders issued by Pey Jal Nigam have no bearing on the claim petitions in hand.

19. After considering all the points, we are of the view that the decision in Todaria's case remains unaltered and has applicability to present claim petitions on material propositions of law and facts.

20. It will be appropriate to reproduce complete decision rendered by this Tribunal in Claim Petition No. 157/DB/2019, Keshav Lal Todariya & others vs. State of Uttarakhand & others, as below:

“ By means of present claim petition, petitioners seek the following reliefs:

- (i) To quash the impugned Govt. Order No. 80211 dated 26.12.2017 and rejection order dated 01.11.2019, issued by the Principal Secretary/ Secretary, Rural Engineering Service Department, Government of Uttarakhand, wherein the benefits of revised grade pay of Rs.8700/- have not been granted to the petitioners.
- (ii) Directing Respondent No.3 to issue fresh Govt. Order for giving benefits of upgraded pay Rs.8700/- to the petitioners.
- (iii) Any other relief, to which petitioners are entitled.

PETITIONERS' CASE

2. Facts, giving rise to the present claim petition are as follows:

The petitioners were appointed as Junior Engineers in the Rural Engineering Service Department (RES) (*now known as Rural Works Department*) in the year 1978-79, by way of direct recruitment. They have retired as Executive Engineer/ Superintending Engineer (Ex.En./S.E.) from the said department. Pay scale of Rs.15600-39100/- grade pay Rs.7600/- is admissible as 3rd financial level promotion after 26 years on the post of direct recruitment under Govt. Orders No. 872 dated 08.03.2011, 313 dated 30.10.2012 and 770 dated 06.11.2013 (Copies: Annexures- A 3 to A5). Pay scale of Rs. 37400-67000/- grade pay Rs.8700/- has been sanctioned to the Ex.En./S.E. w.e.f. 01.01.2016 *vide* official gazette no. 526 dated 17.10.2012 of the Govt. of India (Copy: Annexure- A 6). Govt. has accepted the pay scale of Rs. 37400-67000/- grade pay Rs.8700/- for the Ex.En/ S.E., who were drawing pay scale of Rs.15600-39100/- grade pay Rs.7600/- on 17.12.2015 in response to the recommendations of the Pay Commission (Annexure: A 7).

Pay scale of Rs.15600-39100/- grade pay Rs. 7600 of the Ex. En./S.E. has been upgraded to the pay scale of Rs. 37400-67000/- grade pay Rs.8700/-*vide* G.O. dated 31.10.2017 of the Principal Secretary, Finance, Govt. of Uttarakhand (Annexure: A 8). Pay scale of Rs.15600-39100/- grade pay Rs. 7600/- of the departmental Ex.En./S.E. has been upgraded to the pay scale of Rs. 37400-67000/- grade pay Rs.8700/- *vide* G.O. dated 26.12.2017. It has been mentioned in the G.O. that the same

will be applicable from the date of issuance (of such G.O.). The said G.O. has created anomaly in the pay scale and pension of the petitioners, as the same was not made applicable to the retired engineers before 31.10.2017. Petitioners have received grade pay Rs.7600/- as promotional time scale on the post of S.E. as 3rd financial level promotion.

Second para of G.O. dated 07.04.2011 provides that if the grade pay of a post is upgraded after the admissibility of the financial level promotion, then new grade pay in place of admissible grade pay, as received prior to the upgraded pay, shall be admissible to the concerned holders of the post (Annexure: A 9). Aggrieved with the impugned order dated 26.12.2017, the petitioners filed a combined representation (Annexure: A 10) on 25.02.2019 for granting benefits of the said G.O. to the retired engineers before 31.10.2017. Prior to making the representation dated 25.02.2019 by the petitioners, the Finance Department of the Govt. has issued a letter dated 08.02.2018, for collecting annual expenditure and number of (effected) engineers in the department concerned (Annexure: A11). Concerned department has provided the required information to the Finance Department *vide* letter dated 20.08.2018 (Annexure: A 12).

Finance Department, Government of Uttarakhand, has issued a Govt. Order on 12.09.2017 (Copy: Annexure- A13) to direct that grade pay of Rs.8700/- shall be applicable *w.e.f.* 01.01.2016. Benefits of said G.O. have not been granted to the petitioners. Petitioners filed a combined representation on 10.06.2019 (Annexure: A 14) for granting benefits of G.O. dated 12.09.2017 to the retired engineers before 31.10.2017. Benefit of G.O. dated 26.12.2017 is not being extended to the petitioners and the cut-off date fixed in the G.O. is illegal.

In fixing the cut-off date 26.12.2017, no approval was taken either of the Finance Department or RES Department. For fixing the date of commencement of G.O. dated 31.10.2017 and 26.12.2017, it was necessary to obtain the approval of these two departments as per *Uttar Pradesh Karya Niymawali, 1975*.

Equals cannot be treated unequally. The engineers, who retired before 31.10.2017 and the engineers who retired after 31.10.2017, cannot be treated differently. In Writ Petitions No. 236 of 2013, Ashok Kannaujia vs. State of U.P. and 1440 of 2013, Virendra Kumar Maurya vs. State of U.P., Hon'ble Allahabad High Court (Lucknow Bench) has held that the benefit of pay band (IV) with grade pay of Rs.8700/- shall be given to the engineers *w.e.f. the date they are found eligible, along with arrears.* SLP was filed against the said petitions and was dismissed. Thereafter, Govt. of

U.P. issued Office Memorandum on 30.01.2015 for granting the benefits as per the orders of Hon'ble Courts.

As per Section 74 of the U.P. Reorganization Act, 2000, condition of service applicable to the employee immediately before the appointed day, shall not be varied to his disadvantage, except with the previous approval of the Central Government. The Government should have made the said G.O. applicable *w.e.f.* 01.01.2016, *i.e.*, the date from which the recommendations of 7th Pay Commission were accepted.

Petitioners filed the claim petition no. 111/DB/2019 before this Tribunal, who had directed Chief Engineer, RES Department to decide the representation, *vide* order dated 12.09.2019, but the said representation has been dismissed by the said respondent, ignoring vital aspects. In Civil Appeal No. 1123/2015, *State of Rajasthan vs. Mahendra Nath Sharma*, Hon'ble Apex Court has observed that the State cannot take plea of financial burden to deny the legitimate dues of the employees.

Petitioners have, therefore, filed present claim petition for quashing Govt. Order dated 26.12.2017, as also the order passed on the representation of the petitioners and for directing Respondent No.3 to issue a fresh G.O. for giving benefit of upgraded grade pay of Rs. 8700/- to the petitioners.

RESPONSE OF THE RESPONDENTS

3. Counter Affidavit has been filed on behalf of Respondents No. 1 to 4. According to C.A. filed by Sri G.B.Oli, Additional Secretary, Rural Development, Government of Uttarakhand, Assured Career Progression (ACP) scheme was introduced in the year 2011 and as per G.O. dated 08.03.2011, ACP scheme was made applicable from 01.09.2018 to the employees in the pay band of Rs.7500-12000/- with revised grade pay of Rs.4800/- and from 01.01.2016 to the employees in the pay band of Rs.8000-13500/- with revised grade pay of Rs.5400/-. Under ACP scheme, employees are entitled to next higher pay scale as mentioned in the pay matrix table dated 17.10.2008 (Copy of G.O. dated 08.03.2011: Annexure- CA 1).

4. Clarification was issued on 07.04.2011, clarifying the G.O. dated 08.03.2011. Sub- para 2(1) (ka) was introduced in Para 1 (Copy of G.O. dated 07.04.2011: Annexure- CA 2). *Vide* G.O. dated 30.10.2012, ACP was made applicable to all the Govt. employees irrespective of their pay scales and grade pays, *w.e.f.* 01.09.2018 (Copy: Annexure- CA 3). In the year 2013, G.O. dated 08.03.2011 was amended *vide* G.O. dated 06.11.2013

(Copy: Annexure- CA 4). As per amended G.O. dated 06.11.2013, all substantively appointed Govt. employees with grade pay Rs. 4800/- or less, shall be given the (next higher) promotional pay scale, if promotion avenues are available in the relevant Service Rules and, in case no post of promotion is available in such Rules, then they shall be given next higher pay scale, as is mentioned in the pay matrix table in G.O. dated 17.10.2008.

5. Prior to 26.12.2017, the pay scale of S.E. in the RES Department was Rs.15600-39100/- with grade of Rs.7600/- (unrevised). Initial appointment of the petitioners was on the post of Junior Engineer. All the petitioners completed more than 26 years of service by the year 2009. On completing 26 years of service, petitioners were already granted benefit of 3rd ACPw.e.f. 01.09.2008, in view of G.O. dated 08.03.2011. 01.09.2008 is the date from which the ACP scheme was implemented for employees with grade pay Rs.4800 or less.

6. All the petitioners retired from RES in the years 2016 and 2017. Petitioner No. 4 was the last to retire on 30.09.2017. At present, no petitioner is in service.

7. Ministry of Urban Development Central Engineering (Civil) 'Group A' Rules, 2012, were framed by the Government of India for its employees. In 2012 Rules, the pay band of the post of S.E. was fixed as Rs. 37400-67000/- grade pay Rs.8700/-, by the Central Government. State Pay Committee, in its report, recommended the same pay scale for S.Es. working in the State. As a result of such recommendations, anomalies occurred in fixation of pay scale of S.Es., working in the State. The issue was referred to State Pay Redressal Committee for its decision. The said Committee, *vide* report dated 17.12.2015, recommended grant of pay scale of Rs. 37400-67000/- grade pay Rs.8700/-. The recommendations of the committee were forwarded to the Finance Department, who issued G.O. dated 31.10.2017, granting this pay scale and grade pay. The Engineering Departments also issued their G.Os. relying upon the G.O. dated 31.10.2017. Since all the petitioners had retired from service on or before 30.09.2017, therefore, benefit of G.O. increasing the pay scale was not extended to the petitioners, inasmuch as, they had retired from service on 30.09.2017. In other words, since the pay scales were increased *vide* G.O. dated 26.12.2017 of the Rural Works Department (RES), and the petitioners retired from service before 30.09.2017, therefore, they were not extended the benefits of increased pay scale. (Copy of G.O. dated 26.12.2017: Annexure- CA 8).

8. After G.O. dated 31.10.2017, PWD issued its G.O. on 07.12.2017, granting grade pay of Rs. 8700/- to S.Es. working in PWD for fixing the higher pay band. The matter was referred to Finance Department. Finance Department, *vide* G.O. dated 24.01.2018, clarified that all the J.Es., who have been given benefit under G.O. dated 06.11.2013 on or before 31.12.2016, shall be given the benefits as mentioned in G.O. dated 07.04.2011 prospectively (Copy of G.O. dated 24.01.2018: Annexure- CA 10). Petitioners are not covered by G.O. dated 24.01.2018, because they had already retired before issuance of G.O. dated 26.12.2017, therefore, they are not entitled to the higher grade pay of Rs.8700/-, according to respondent department.

REJOINDER

9. Rejoinder Affidavit has been filed on behalf of the petitioners reiterating the facts contained in the claim petition and making a reference of G.O. dated 12.09.2017 in support of their claim petition.

DISCUSSION

10. Petitioners were appointed, on regular basis, as Junior Engineers in Rural Engineering Service Department in the grade pay of Rs.4600/-in the years 1978 and 1979. When they were promoted as Assistant Engineers, they were given grade pay of Rs. 5400/-. On actual promotion from Assistant Engineer to Executive Engineer, the petitioners were given grade pay of Rs.6600/-. On completion of 26 years of satisfactory service, the petitioners got the grade pay of Rs.7600/- of the promotional post of S.E., when 3rd ACP was given to them. All the petitioners reached the age of superannuation in the years 2016 and 2017. Petitioner No. 4 was the last to retire from service on 30.09.2017.

11. Govt. of India introduced amendments in Central Rules on 17.10.2012. Pay scale of S.E. Rs.15600-39100, grade pay Rs.7600/- was upgraded to Rs.37400-67000/- grade pay of Rs. 8700/-.

12. *Vide* G.O. dated 31.10.2017 of the Finance Department and subsequent G.O. dated 26.12.2017 of RWD, pay scale of S.E. was enhanced from grade pay of Rs. 7600/- to Rs. 8700/-. All the petitioners had retired by then.

13. The petitioners' demand is that the cut-off date for increasing the grade pay of S.Es. from Rs. 7600/- to Rs. 8700/- , as per the above G.Os., is wrong and this cut-off date should be the same as the date on which the Govt. of India upgraded the grade pay of S.Es. or at least 1st January, 2016 when the 7th Pay Commission pay scales were implemented and the level-13 (corresponding Grade Pay Rs. 8700/-) pay matrix was revised. Deciding cut-off date is a policy matter. According to the petitioners, cut-

off date, in the instant case, is illegal. We are not persuaded to accept such contention of Ld. Counsel for the petitioners, for the very reason that, deciding a cut-off date is a policy matter and is within the domain of the Executive. The question is, can a Court issue a direction to any authority to say that such cut-off date is not proper. If such directions are given by the Court, the same will amount to entering into the realm of Executive, unless the Court finds that it is violative of Article 14 of the Constitution, or contrary to (some other) Rules of the Govt. One person will come and say, for example, that 01.01.2016, as cut-off date, is not proper. Another will come and say 01.01.2015 is not proper. The third one will say 01.01.2014 is not proper. Person, to whom, that date does not suit, will always say that such a date is illegal. There is no end to it. This Tribunal is, therefore, of the view that no direction regarding a cut-off date can be given to the Executive, unless the same is in violation of any law or contrary to some other Govt. Orders. No interference, therefore, seems to be called for in the cut-off date prescribed in the G.O. dated 26.12.2017.

14. The view taken by this Tribunal is fortified by the following decisions of Hon'ble Supreme Court:

Hon'ble Supreme Court in the decision rendered in Sita Ram Bansal and others vs. State of Punjab and others, (1997) 9 SCC 250, in Para 3, has observed as under:

“3. Shri Dhingra, learned counsel for the petitioners, contended that in view of the judgments of this Court in Union of India v. Deoki Nandan Aggarwal 1992 (S1) SCC 323, R. L. Marwaha v. Union of India (1987 (4) SCC 31 and M. C. Dhingra v. Union of India (1996 (7) SCC 564, the cut-off date is arbitrary; the pensionary benefits should be extended to the retirees prior to the cut-off date; otherwise, it violates Article 14 of the Constitution. We find no force in the contention. It is true that the pension is not a bounty but a right earned by the persons while in service. But, unfortunately, the pensionary scheme was not in vogue prior to the retirement of the petitioners. The pension scheme came to be introduced for the first time with effect from 1-4-1990 and it was applied to persons serving the municipalities drawn from All India Service or the Provincial Service. Subsequently, that was extended to other employees in the non-provincial service. The later GO also applied to those who retired between 1-4-1990 and 28-7-1994, the date on which the scheme was extended to the non-provincialised employees. In other words, all of them have been treated as a class and no invidious discrimination has been meted out to them. Thus, the date of 1-4-1990 bears rationality, namely, the scheme for the first time was introduced on that date. All those employees who retired prior to that date were treated as a class and those employees either in service or retiring on and after that date have been treated as a separate class and the scheme was extended to it. Thus, we find that there is no illegality in introducing the cut-off date; nor does it violate Article 14. The ratio in the above judgments has no application to the facts in this case.”

Hon'ble Supreme Court in the decision of Hariram Gupta (dead) through L.R. Kasturi Devi vs. State of U.P., (1998) 6 SCC 328, has observed in Para 9, as under:

“ 9. The only other question that survives for our consideration is whether the ratio in Nakara's case will assist the appellant in getting the relief sought for? In D.S. Nakara and others vs. Union of India (1983) 1 SCC, 305 the question for consideration before this

Court was whether on the basis of date of retirement the retirees can be classified into different groups and thereupon make provision granting some benefits to one group denying the others? In the aforesaid case the provisions for pension was applicable to all retirees and, therefore, pensioners form a class as a whole. But when Liberalised Pension Scheme was introduced the said Scheme was made applicable to a group of pensioners and not to all and therefore, it was held by this Court that pensioners form a class as a whole and cannot be micro-classified by an arbitrary, unprincipled and unreasonable eligibility criteria. it is to be noted that the aforesaid judgment was considered by this Court In the subsequent Constitution Bench judgment of Krishna Kumar vs. Union of India (1991) 4 SCC, 207 wherein the decision of Nakara (supra) was explained and it was held that the pension retirees and provident fund retirees do not form one homogeneous class on the other hand the Rules governing the provident fund and its contribution are entirely different from the Rules governing pension and, therefore, it would not be reasonable to argue what is applicable to the pension retirees must also equally be applicable to Provident Fund retirees must also equally be applicable to Provident Fund retirees. It was further held in the aforesaid case that the rights of each individual retiree finally crystallised on his retirement where after no continuing obligation remained in case of those who are governed by Provident Fund Rules whereas in case of Pension retirees the obligation continues till the death of the employee. This Court categorically held that Nakara (supra) cannot be an authority for the decision in Krishna Kumar (supra). In Union of India vs. B.P.N. Menon (1994) 4 SCC 68 a similar question came up for consideration and distinguishing Nakara and following Krishna Kumar and other similar cases the Court held that whenever the Government or an authority, which can be held to be a State within the meaning of Article 12 of the Constitution, frames a scheme for persons who have superannuated from service, due to many constraints, it is not always possible to extend the same benefits to one and all, irrespective of the dates of superannuation. As such any revised scheme in respect of post-retirement benefits, if implemented with a cut-off date, which can be held to be reasonable and rational in the light of Article 14 of the Constitution, need not be held to be invalid. Whenever a revision takes place, a cut-off date becomes imperative because the benefit has to be allowed within the financial resources available with the Government. When the Army personnel claimed the same pension irrespective of their date of retirement this Court in the Constitution Bench case of the Indian ex-services League vs. Union of India, (1991)2 SCC 104, the Court considered the grievance of ex-servicemen who had laid the claim on the basis of nakara (supra) but ultimately negated the same and followed Krishna Kumar (supra). In All India Reserve Bank Retired Officers Association vs. Union of India, (1992) Suppl 1 SCC 664, when the validity of the introduction of Pensions scheme in lieu of Contributory Provident Fund Scheme was challenged on the ground that Bank employees who retired prior to 1.1.1986 have not been given the benefit of the said scheme it was held by this Court that there is no arbitrariness in the same.”

D.S. Nakara’s decision (*Supra*) appears to be of no help to the petitioners in the instant case.

In the decision of State of Punjab vs. Ram LubhayaBagga, (1998) 4 SCC 117, Hon’ble Apex Court, in Para 25, has observed as below:

“25. Now we revert to the last submission, whether the new State policy is justified in not reimbursing an employee, his full medical expenses incurred on such treatment, if incurred in any hospital in India not being a Government hospital in Punjab. Question is whether the new policy which is restricted by the financial constraints of the State to the rates in AIIMS would be in violation of [Article 21](#) of the Constitution of India. so far as questioning the validity of governmental policy is concerned in our view it is not normally within the domain of any court, to weigh the pros and cons of the policy or to scrutinize it and test the degree of its beneficial or equitable disposition for the purpose of varying modifying or annulling it, based on however sound and good reasoning, except where it is arbitrary or violative of any constitutional, statutory or any other provision of law. When Government forms its policy, it is based on number of circumstances on facts, law including constraints based on its resources. It is also based on expert opinion. it would be dangerous if court is asked to test the utility, beneficial effect of the policy or its appraisal based on facts set out on affidavits. The Court would dissuade itself from entering into this realm which belongs to the executive. It is within this matrix that it is to be seen whether the new policy violates [Article 21](#) When it restricts reimbursement on account of its financial constraints.”

In the decision of Union of India vs. Lieut (Mrs) E. Iacats, (1997)7 SCC 334, in Paras 4 and 5, Hon'ble Apex Court has observed as below:

“4. The next question relates to payment of pension. Under Army Instruction No. 14 which was in force at the material time, the respondent, either on the date of her appointment or on the date of her retirement, or at any time during her service, did not have the benefit of pension on retirement. The terms and conditions of service were known to her at the time when she joined the service. At the time of joining service she has signed an agreement to abide by the Rules and Regulations governing Military Nursing Service (Local) from time to time. She has claimed that pensionary benefits which were conferred for the first time to all those who retired on or after 1st October 1983 should be given to her although she retired much prior to that date. Although she has not challenged the cut off date as arbitrary, reliance in this connections is placed by her on the decision in the case of D.S. Nakara and Ors. Vs. Union of India (1983 1 SCC305). This decision has been subsequently explained and distinguished in a number of cases. In the case Dr. (Mrs.) Sushma Sharma etc. etc. v. State of Rajasthan &Ors. (AIR 1985 SC 1367 at 1379) this Court cited with approval the observations of this Court in Union of India &Anr. Etc. V. Parameswaran Match Works Ltd. (AIR 1974 SC 2349) to the effect that the choice of date as a basis of classification cannot always be dubbed as arbitrary unless it is capricious or whimsical. In the case of State of West Bengal &Ors. v. Ratan Behari Dey &Ors. (1993 (4) SCC 62) this court considered the pension scheme introduced by the Calcutta Municipal Corporation from 1.4.1977. It upheld the validity of the cut-off date. Nakara's case (supra) was distinguished on the ground that in Nakara's case by an artificial cut-off date, distinction was sought by the same rules. However, when a pension schema is introduced from a given date, there are two sets of employees who are governed by two different sets of rules. They cannot be treated as similarly situated. As the cut-off date was retrospective, this Court also examined the reasonableness of this retrospective operation. It found the cut-off date to be reasonable, it being based upon the date of appointment of the pay Commission. In a recent decision in the case of Commander, Head Quarter, Calcutta &Ors. V. Capt. Biplabendra Chanda (1997 (1) SCC 208) new rules reducing the minimum qualifying service for pension came into affect from 1.1.1986. The respondent who had retired prior to this date was not granted pension under the old rules as he did not qualify for pension under those rules. This Court, distinguishing Nakara's case (supra), held that he cannot be retrospectively made eligible under the new rules. Pensioners under the old rules and pensioners under the new rules are not similarly situated. Each set of retiring employees will be governed by their own rules in force when they retire.

4. The respondent, therefore, cannot claim the benefit of a scheme which came into operation from a date subsequent to the date of her retirement. The respondent also did not contend either before the High Court or in the grounds of appeal before us that a cut-off date for grant of pensionary benefits is arbitrary or unreasonable. Even otherwise in view of the fact that a study team was first appointed and pursuant to its report certain benefits were given after considering the report of the study group would show that the cut-off date had a logical nexus with the decision to grant these benefits on the basis of the report of the study team. fresh financial benefits which are conferred also have to be based on proper estimates of financial outlay required. Bearing in mind all relevant factors, if such a benefit is conferred from a given date, such conferment of benefits from a given date cannot be considered as arbitrary or unreasonable.”

Hon'ble Supreme Court in the decision of Union of India and others vs. M.V. Valliappan and others, (1999) 6 SCC 259, has observed, in Para 12, as below:

“Next ground is with regard to violation of Article 14. The amendment is brought with effect from 1st April, 1980 and is to apply in relation to assessment years 1980-81 and thereafter. It is true that two distinct classes are created one of families having partial partition which has taken place prior to the cut off date and other of partial partition taking place after the cut off date. Benefit which is conferred upon those assesseees who have partially partitioned their property prior to the cut off date is not withdrawn and others who partitioned their property after the cut off date would not get the same, but that would hardly be a ground for holding it as violative of Article 14. It is settled law that differentiation is not always discriminatory. If there is a rational nexus on the basis of which differentiation has been made with the object sought to be achieved by particular provision, then such differentiation is not discriminatory and does not violate the principles of Article 14 of the Constitution. This principle is too well- settled now to be reiterated by reference to cases. Further, whether the same result or better result could have been achieved and better basis of differentiation could have been evolved is within the domain of Legislature and must be left to its wisdom. In the present case, there is intelligible basis for differentiation and the classification is having rational nexus of

achieving the object of preventing the creation of further multiple Hindu undivided families for reduction of tax liabilities. Further, for the validity of the Section, it is not necessary for the legislature to withdraw the benefit which is already conferred.”

[Emphasis supplied]

15. In the case of *State of Rajasthan and others vs. Mahendra Nath Sharma, Civil Appeal No. 1123/2005*, some employees got the benefit of revision of pay scale with effect from 01.01.1986 *vide* notification dated 03.06.1988. Hon’ble Supreme Court observed in its judgment dated 01.07.2005 that the State cannot take a plea of financial burden to deny the legitimate dues of the employees. In Writ Petitions No. 236 of 2013, Ashok Kannaujia vs. State of U.P. and 1440 of 2013, Virendra Kumar Maurya vs. State of U.P., Irrigation department issued orders for recovery of excess amount paid to the petitioners (serving Engineers of U.P.), which recovery was set aside by Hon’ble Allahabad High Court. SLPs filed by the State of U.P. were dismissed by Hon’ble Supreme Court. State of Uttarakhand was not a party in the aforesaid writ petitions (*there was no occasion for the same*). Moreover, the reliefs to the petitioners were granted by Hon’ble Allahabad High Court precisely on the basis of a G.O. which was issued by the Govt. of U.P. (*after the appointed day*). Here, Govt. of Uttarakhand has not issued such G.O. State Govt. (of U.P.) granted reliefs to the petitioners after the SLPs were dismissed. Facts of Kannaujia and Maurya’s case (Supra) are distinguishable from the facts of this case.

16. Reference of Section 74 of the U.P. Re-Organization Act, 2000 has also been made in the pleadings and in the arguments by Ld. Counsel for the petitioners. It relates to conditions of service applicable to the employees immediately before the appointed day. It says that the same shall not be varied to its disadvantage without the previous approval of the Central Govt. The petitioners have failed to show that as to how the conditions of service applicable to them immediately before the appointed day have been varied to their disadvantage. The G.O. of U.P. came only after 09.11.2000 (the appointed day), when the SLPs of the State against the decisions of Hon’ble Allahabad High Court (Lucknow Bench) were dismissed by the Hon’ble Supreme Court. Section 74 of the U.P. Re-Organization Act, 2000 has application in relation to the conditions of service applicable to an employee immediately before appointed day. If U.P. Govt. has issued an Office Memorandum on or after 09.11.2000, the same is not binding on the Govt. of Uttarakhand. The State of Uttarakhand came into existence on 09.11.2000. Section 74 does not foresee or visualize future events. It only gives assurance for

maintaining or enhancing service conditions, as were existing on the appointed day. It does not do prophesy. The State of U.P. and State of Uttarakhand are separate States, much less separate legal entities, after 09.11.2000 and, therefore, this Tribunal is unable to accept the submission of the petitioners that the conditions of service of the petitioners have been varied to their disadvantage by not applying the G.O. dated 26.12.2017 retrospectively.

17. No doubt, the equals cannot be treated unequally. But, in the instant case, the petitioners have not been able to make out as how they have been treated differently or unequally with similarly placed persons? It is the submission of Ld. A.P.O. that the Govt. has taken a conscious decision to provide a cut-off date in the Govt. Order dated 26.12.2017 which has no retrospective operation, therefore, it is not open to the petitioners to challenge the contents, much less, the cut-off date specified therein, in this claim petition. We agree with such submission of Ld. A.P.O.

WHETHER THE PETITIONERS ARE ENTITLED TO ANY RELIEF?

18. Learned counsel for the petitioners has argued that the Finance Department's G.O. dated 12th September 2017 *vide* which the pay matrix of grade pay of Rupees 8700 has been revised from 1 January 2016 has not been applied in their case. Further the G.O. of Finance department dated 28 December 2018 which says that the promoted persons will not get lesser pay than the directly recruited persons has also not been applied in their case. We find that the G.O. dated 12th September 2017 is revision of the level 13 pay column of the pay Matrix table of the seventh pay commission. This corresponds to the earlier grade pay of Rs 8700 while column 12 of this pay matrix table corresponds to the earlier grade pay of Rs 7600. This pay matrix table was applied from 1-1-2016. The G.O. dated 12th September 2017 increased the pay in this column 13 *w.e.f.* 1-1-2016, but it doesn't mean that column 12 (grade pay Rs 7600) was replaced by column 13 (grade pay Rs 8700). For the petitioners and other similarly placed persons who continued in service, pay was given in level 12 only till September 2017. Afterwards, when the grade pay of serving persons was revised to Rupees 8700 corresponding to level 13 then they were given the enhanced pay as mentioned in the revised level 13 *vide* G. O. dated 12th September 2017.

19. We find that the G.O. dated 28-12-2017 is about the pay anomaly between promoted persons and direct recruits caused during the sixth pay

commission and is not relevant to the case in hand, because at the level of Superintending Engineer, all persons are promoted and there is no direct recruitment. Further, till the petitioners were in service (up to September, 2017), none of their juniors was getting more pay than them.

20. It was also learnt during the arguments that the grade pay of superintending engineer has been revised to Rupees 8700 with effect from 31st October 2017 and not from 26 December 2017 as the initial G.O. of finance department in this regard was issued on 31st October 2017 and other engineering departments had followed the same as the cut-off date for the revision of the grade pay. Before this date, all those who were getting grade pay of 8700 (Level 13) were having that not as the grade pay of the post of superintending engineer but were either working as Chief Engineer, level 2 (post with grade pay of Rs 8700) or working on subordinate posts who got their 3rd ACP with grade pay of Rupees 8700, because they started their career as Assistant Engineers, the post with grade pay of RS 5400 and got first, second and third ACPs with grade pays of Rupees 6600, 7600 and 8700 respectively. These persons got level 13 from 1-1-2016 itself along with subsequent revision of this level. The grade pay of directly appointed JEs like the petitioners continued after third ACP to be Rs 7600 (level 12) and it was revised to level 13 only on 31-10-2017. The petitioners having retired before this date remained at level 12 only and we understand that this must be the case in all engineering departments of the State.

21. Much emphasis has been laid by the petitioners to direct the respondents to grant them reliefs on the basis of Kannaujia's decision (*supra*). This Tribunal has already mentioned above that Kannaujia's decision (*supra*) is based upon a G.O. issued by the Govt. of U.P. after the appointed day. When Irrigation department of U.P. failed to appreciate it, petitioners approached Lucknow Bench of Hon'ble Allahabad High Court. They succeeded. State of U.P. preferred SLPs, which were dismissed. Govt. of U.P., then, complied with such decision of Hon'ble Courts. No such G.O., as was issued by Govt. of U.P., was issued by the Govt. of Uttarakhand. State of U.P. and State of Uttarakhand are separate legal entities. No legal right, therefore, accrues to the petitioners in the instant case. Had any G.O. been issued by the Govt. of U.P., before the appointed day, the same would have been applicable in the State of Uttarakhand, by virtue of U.P. Re-organization Act, 2000. It is always open to the State of Uttarakhand to repeal, amend or modify any G.O. of U.P. and bring out its own G.O.

The decision of Kannaujia's case (*supra*) is on different footing and is not binding on the State of Uttarakhand. SLPs preferred against the decisions of Hon'ble Allahabad High Court were simply dismissed. It is the submission of learned A.P.O. that no principle of law has been laid down by Hon'ble Apex Court while dismissing the SLPs. We agree with such submission of learned A.P.O. The doctrine of precedent does not apply to an order rejecting an SLP [*Hari Singh vs. State of Haryana, (1993) 3 SCC 114*]. It is not fair or proper to read a sentence from the judgments of Hon'ble Courts, divorced from the complete context in which it was given and to build up a case treating as if that sentence is the complete law on the subject [*J.K. Industries Ltd. vs. Chief Inspector of Factories & Boilers, (1996) 6 SCC 665 (para 23)*]. No relief can, therefore, be given by this Tribunal on the basis of decisions, which have been quoted above or on the basis of G.Os. referred to above.

22. It shall, however, be open to the Govt. of Uttarakhand to review its decision. The discretion to issue a fresh G.O., on the lines of G.O. issued by the Govt. of U.P., to give financial benefits to the petitioners and similarly situate employees, from an earlier date, vests with the Govt. of Uttarakhand. The decision should, however, be well informed by reason.

23. We are given to understand that exercise for revising the grade pay of Rupees 7600 of the post of superintending engineer to Rupees 8700 from an earlier date is under way. The Government may consider the same at an early date so that some of the petitioners and similarly placed engineers in other departments may be benefited by the same. If the same is not possible, the Government may consider revising the pension of petitioners and similarly placed persons with effect from 31st October, 2017 worked out on the basis of their last pay as upgraded to level 13 on this date.

24. The claim petition is disposed of with the observations, as above. In the circumstances, no order as to costs."

21. It is clear that the controversy involved in present claim petitions is wholly covered by Tribunal's decision rendered in Todaria's case (*supra*). The arguments, which have been advanced in the claim petitions in hand, have already been discussed by us alongwith, reasons, in Tribunal's decision in the aforesaid claim petition, which remains unaltered till date. Judicial propriety demands that identical cases should be decided alike. Similar

cases should be decided in the similar manner. There appears to be no scope to go beyond the reasons given by us in our judgment dated 31.10.2020 in Claim Petition No. 157/DB/2019, Keshav Lal Todariya & others vs. State of Uttarakhand & others. Therefore, the present claim petitions are disposed of in terms of Todaria's decision (*supra*).

22. Order accordingly.

23. Limitation is for the Tribunal and not for the Govt. Paras 22 and 23 of the Todaria's decision (*supra*) are reiterated. We do not think that the issue of limitation will come in the way of the official respondents in considering the grievances of the petitioners.

No order as to costs.
