Service Engineer

Statistics

- State /UT: PAN India
- Health Facilities: 2 Lakhs
- Total Allocation: 69,486
- Total Receipts: 21,530
- Total Users: 158319
- Mobile App: 1 Lakhs Downloads

Monitoring

1.14 Lakh

1222

Key Features

- Monitoring of Oxygen Concentrators (OCs), PSA Plants and Ventilators
- IOT based Real time data collection from PSA Plant
- End-to End Supply Chain Solution for Medical Oxygen
- Supplemented by mobile for daily reporting and problem resolution
- Online Dashboard for Monitoring

Uniform Solution for entire country

Real Time Reporting

Data Sharing with all stake holders

Sample Collection Through Mobile App for grass root out reach

Ease of Use
Monitoring Nutrition of Young India

MDM (Mid Day Meal)

Statistics

- State Onboarded: 22
- Total Schools: 3.97 Lakhs
- Total Teachers: 8.6 Lakhs
- Mobile App Downloads: 1 Lakhs

Daily / Monthly data collection through various modes SMS, Mobile App. and Web.

Automatic master data porting from predefined excel sheets to MDM servers

Daily / Monthly data reporting through SMS to toll-free non metered number 15544

District wise GIS maps with meals served percentage

Option to capture Teacher's and Student's daily attendance along with number of meals served.

Awards

- Gems of Digital India Award – 2019
- CSI Nihilent – 2017
- Technology Sabha Award - 2017
