SIO-HP

Monthly Review Meeting by State Coordinator and SIO with DIOs/ADIOs/ Group Heads through VC/ at Shimla on 7-August-2017 during the Visit of NIC HP State Coordinator to District Kangra at Dharamshala on 7, 8 August 2017

The Monthly Review Meeting of State Coordinator, SIO, ASIO and DIOs/Group Heads was held on 7th August 2017. The meeting was attended by Sh. Sethi, State Coordinator, Himachal Pradesh, from Dharamshala, NIC District Center. The Group Heads and NIC HP officers at Shimla were present in person at Shimla and DIOs and ADIOs participated through Video Conferencing. The list of participating officers is given at the end. The main **agenda points** for discussion were:

- **Review** of last month's decisions/ assignments
- **Swaccha Pakhwada:** activities being carried out/ Photos/ feedback/ suggestions.
- **New Project-Standard Solution for Public Service Commission-Status**
- **CM/ DM Dashboard-Current Status review**
- **Training Information / Activities in Districts/ Groups**
- Usage of **Online NIC Support System** – Calls entered/ cleared
- **Replacement of Computers/ ACs** – Status, Calls/ AMCs
- **Regarding program of State Coordinator in Dharamshala-Launch of Online Donations to CM Relief Fund by Hon'ble CM of Himachal Pradesh, Launch of CCBS for KPARDB Head office + 3 Branches at Dharamshala and meeting with Deputy Commissioner, Kangra**

Video Conferencing Session in Progress-Remote Districts/Sites on TV

Video Conferencing Session in Progress-Shimla site

Sh. Ajay Singh Chahal, SIO NIC HP welcomed Sh. Sethi, State coordinator and all NIC HP officers. The SIO appreciated the fact that Sh. Sethi is the first state coordinator of HP who is visiting a District center. Sh. Sethi was formally facilitated by DIO and ADIO Kangra on behalf of NIC Himachal Pradesh.

Sh. Sethi, applauded the work being done by NIC HP. He added that HP is doing good work both at the State and Central level and there is demand for products like Manav Sampada, MDM-ARMS and Mobile Apps being developed by NIC HP. He added that many applications have been launched and wished that NIC HP will continue the work with same enthusiasm. Sh. Sethi was of the opinion that now focus should shift from traditional applications to Data Analytics, Graphical interfaces etc. Many Technical up gradation courses are being conducted at different places by NIC, so all the officers should be motivated and provided opportunity to attend these trainings.

He also mentioned that CM/ DM Dashboard is priority and efforts should be made to launch it. He informed that Public Service commission standard ICT solution with pilot at HP has been mandated as Cloud Based common platform for all the commissions of country. Enterprise Architecture will be standard architecture for reference. Generic solution should be developed based on that. Very soon a consultant will be deployed at Shimla to develop reference documents for Enterprise Architecture. Consultant will include the feedback gathered by SIO HP and his team who have already visited Punjab and will soon be visiting Utrakhnad to study the functionality. SIO HP informed that note is being sent for deployment of consultant.

Sh. Sethi enquired about the status of Mini Cloud infrastructure being set up at NIC HP. Sh. Shailender Kaushal updated that installation has been completed and now Delhi Team is in the process of testing the same.

The SIO HP informed that in addition to activities related to Swachhta Pakhwada, Group Heads and DIOs have been assigned the task of training around 25 people per month to achieve an annual target of about 4000 for the State. Also, for NIC Centralized call reporting System NIC HP has taken lead. The SIO raised the issue of replacement of Computers/ Laptops and ACs. Sh. Sethi informed that the delay is due to shifting of procurement to GEM portal and asked to share the copy of existing work order and assured that he will take up the matter at NIC Headquarters Level. Sh. Vimal sharma was asked to send copy of work order to Sh. Sethi. He asked NIC HP to send reply to the current audit inspection report.

Thereafter, DIOs updated the work being carried out as per agenda items. All the DIOs Updated status related to following:

- Activities being carried out regarding Swacchta Pakhwada
- Implementation status of Vahan 4.0 & Saarthi 4.0
- Usage of NIC Centralised Call Reporting System
- Status of trainings conducted
- Status of ALIS implementation
- Status of AWCMIIS implementation
- CM/ DM Dashboard Status was updated by DIO Hamirpur
- Shreshth Himachal App training cum awareness for District officers
- DIO Shimla updated about latest developments in ALIS and IVFRT
- DIO Kangra briefed about the implementation of Vahan 4.0 and Saarthi 4.0 and that only RTOs need to be covered for Vahan 4.0 to make 100% implementation of both Saarthi and Vahan web enabled software in the State.
- It was informed that few services have already been developed using Service Plus framework and many services are in pipeline for development

After DIOs, group heads apprised about the **activities** undertaken by them. Sh. Sanjay kumar updated about Manav Sampada, MDM. Sh. Sethi was of the opinion that as no support in terms of Manpower and funds is available for Manav Sampada and many requests are being received, the matter should be taken up with DG, NIC for further course of action to be adopted for implementation/ replication of the software. The SIO informed that as per directions of Sh. Sethi very soon a note will be prepared and shared for further action. Sh. Sanjay Sharma updated about Public Service Commission project, Training activities mainly trainings on Web site responsive design where Officers from Districts are visiting State Unit form 2-3 days for hands on training. Sh. Sandeep Sood, updated about eHimboomi and Aadhaar seeding in land records. He also updated about mobile apps. Sh. Shailender Kaushal updated about

Min Cloud Infra structure, Online Call Reporting SW implementation, CM/DM Dashboard interface and Mobile App being developed for VC Division. Sh. Vijay Gupta informed about the IFMS and latest activity related to GST and integration of IFMS with eKuber. He informed that 4 numbers of workshops have been held at HIPA for DDOs and other treasury staff, also field visit is planned to provide trainings on the locations itself. He informed about the MYGPF and eBhugtan mobile Apps. Sh. Gurpreet will visit Kaza sub-division during the IFMS training program there.

The SIO HP thanked Sh. Sethi for his guidance and appreciation on behalf of NIC Himachal Pradesh officers.

The meeting ended with a vote of thanks.
