Cyber Security Awareness Month (October 01.10.2026 to 31.10.2026)

National Informatics Centre (NIC), Himachal Pradesh successfully organized a workshop on 27th October 2026, to observe Cyber Security Awareness Month. Conducted under the "Tech Saksham" initiative by NICSI, centered on the official theme "Cybersecurity Awareness Month -Stay Secure, Stay Vigilant. The workshop focused on fostering safe computing habits and building cyber resilience and strengthening digital defense capabilities. The event was honored by the presence of Sh. Harbans Brascon, IAS Special Secretary, General Administrative Department alongside with Sh. Lalit Kapoor, State Informatics Officer. A total number of 100 HP Secretariat officials and all NIC Himachal Pradesh officials attended the session.

Sh. Lalit Kapoor, SIO NIC Himachal Pradesh felicitating the Chief Guest.

Glimpses of the Workshop
