HARYANA GOVERNMENT

INDUSTRIES & COMMERCE DEPARTMENT
DIRECTORATE OF MICRO, SMALL AND MEDIUM ENTERPRISES

Notification

The 16th November, 2026

No. 02/04/2026-1IB-II.— In pursuance of the Haryana Progressive MSME & Export Promotion Policy 2026 notified in the Gazette Notification Vide No. 02/04/2026-1IB-II dated 29th July 2026, the Governor of Haryana is please to notify the "**Greening & Sustainable Development Scheme"** comprising of different incentives as per details given below:

1. Background

Greening & Sustainable Development are key priorities of the State Government and are increasingly becoming strategic imperatives for MSMEs. The transition to a low-carbon, resource-efficient, and climate-resilient economy aligns with the Hon'ble Prime Minister's vision of a Viksit Bharat and India's commitment to achieving Net Zero emissions by 2070. Enterprises adopting environmentally responsible practices such as waste minimisation, resource efficiency, renewable energy integration, energy efficiency and green infrastructure can reduce their environmental footprint while improving operational efficiency, competitiveness and long-term business resilience.

As global sustainability standards and green procurement requirements continue to evolve, sustainable practices are increasingly important for MSMEs to access domestic and international markets and participate in global value chains. To facilitate and accelerate this transition, the State Government shall extend the following fiscal incentives to encourage MSMEs to adopt green and resource-efficient technologies, promote renewable energy and sustainable business practices, and foster the establishment and growth of enterprises engaged in green technologies and solutions.

2. Fiscal Incentives

2.1 Incentive No. 1 & 2 – Promoting Energy Efficiency and Circular Economy in Micro and Small Enterprises (MSEs)

As part of the Government of India's Raising and Accelerating MSME Performance (RAMP) Programme, the State of Haryana developed a comprehensive Strategic Investment Plan (SIP) to enhance the competitiveness and sustainability of its MSME sector, which was approved by the Ministry of MSME, Government of India, on 08.02.2024. The SIP serves as a long-term roadmap, aligning state-level initiatives with central interventions to address key challenges faced by MSMEs, including access to finance, technology, infrastructure, resource efficiency and market linkages.

One of the key interventions under Haryana's RAMP Programme is "**Improving Environmental Sustainability of MSMEs**", which focuses on promoting the adoption of green technologies, ranging from energy-efficient machinery to solutions for waste reduction, recycling and improved resource efficiency. The other key intervention is "**Creating a Circular Economy for MSMEs**", which seeks to promote the reuse of industrial equipment, efficient utilisation of resources and systematic scrappage and recycling practices, thereby supporting both environmental and economic sustainability.

To encourage adoption of such technologies and practices, the State Government, under the Haryana Progressive MSME and Export Promotion Policy, 2026, will provide a one-time financial assistance, on a reimbursement basis, to eligible new and existing Micro and Small Enterprises (MSEs) of the State for the adoption of approved circular economy and energy efficiency technologies in the following areas:

I. **Core & Intermediate Areas:** 25% up to a maximum of Rs. 50.00 Lakh
II. **Sub-Prime & Prime/Focus Areas:** 40% up to a maximum of Rs. 1.00 Crore

Note: *The list of approved technologies will be mentioned on the website of the Directorate of MSME, Haryana. Technologies mentioned in the MSE-GIFT and MSE-SPICE schemes of the Ministry of MSME, Government of India, will also be eligible.*

2.2 Incentive No. 3 – Support for Solar Rooftops

To promote MSMEs' transition to clean and renewable energy and enhance energy efficiency and long-term sustainability, the State Government will provide financial assistance on a reimbursement basis for installing solar rooftop systems with net metering. The financial assistance will be available to both new and existing MSMEs to reduce dependence on conventional energy sources, lower energy costs, promote distributed renewable energy generation, and reduce the MSME sector's carbon footprint.

I. **Core & Intermediate Areas:** 30% up to a maximum of Rs. 25.00 lakh on eligible expenditure
II. **Sub-Prime & Prime/Focus Areas:** 30% up to a maximum of Rs. 35.00 lakh on eligible expenditure

2.3 Incentive 4 – Assistance for Environment Compliance

Environmental compliance is essential for MSMEs to operate responsibly and sustainably while meeting legal and regulatory requirements. Adhering to environmental norms, such as proper waste management and pollution control, not only helps avoid penalties but also reduces the enterprise's carbon footprint and improves access to green financing.

To support this, the State Government will provide the following incentives on a reimbursement basis:

I. **For Effluent Treatment Plant (ETP):** 25% of the total cost of ETP (including civil works and machinery) up to a maximum of Rs. 1.00 Crore in Sub-Prime & Prime/ Focus Areas for eligible new and existing MSMEs.
II. **For Zero Liquid Discharge (ZLD):** 25% of the total cost of ZLD (including civil works and machinery) up to a maximum of Rs. 5.00 Crore for eligible new and existing MSMEs. (*The Cost will be calculated on an actual basis or Rs. 5.00 Crore per MLD, whichever is less*)

An eligible enterprise may avail one or all of the above-mentioned incentives, either individually or in combination, during the policy period, subject to the eligibility conditions prescribed under each incentive. However, each incentive can be availed only once by the enterprise during the policy period.

3. Definitions

I. **Applicant:** It means any individual, Legal entities such as Public & Private Sector Companies, Partnership Firms, Limited Liability Partnership (LLP), Proprietorship Firms, Corporations, Cooperatives, Self-Help Groups (SHGs), Trust, Farmer Producer Organisation (FPO).

Note: *The legal constitution of the applicant shall be verified through Certificate of Incorporation/Registration. For a proprietorship firm, the status shall be verified through PAN, GST Registration Certificate and Udyam Registration Certificate.*

II. **Authorised Representative of the Applicant:** It means the Director, Promoter, Partner, Proprietor or any other person duly authorised by the applicant to act on its behalf through a valid Board Resolution, Power of Attorney or any other legally valid authorisation, as applicable.

III. **Categorisation of Areas:** The categorisation of areas is as follows:

Location	Areas Covered
Prime/ Focus Areas	a) Any area which falls within the boundary of Industrial Investment Promotion Zones as notified by the Department of Industries and Commerce, Government of Haryana, from time to time
Sub-Prime Areas	a) Any area earmarked as conforming Industrial Zone in any Development Plan of any City as notified by the Town & Country Planning Department or Urban Local Bodies Department, Government of Haryana. b) All vacant and unallotted[#] plots in any Industrial Model Township or in any Industrial Estate of HSIIDC. c) All vacant and unallotted* plots in any Private Industrial Park or in any Industrial Colony licensed by the Town & Country Planning Department, Government of Haryana. d) Any land/area granted an industrial colony license by the Town and Country Planning Department, Government of Haryana, after the notification of this policy. e) Any area which falls outside the Controlled Area limits notified by the Town & Country Planning Department, Government of Haryana, but not included in the Prime/Focus area.
Intermediate Areas	a) All allotted plots[##] in any Industrial Model Township or in any Industrial Estates of HSIIDC. b) All allotted plots** in Private Industrial Parks or in Industrial Colonies licensed by the Town & Country Planning Department, Government of Haryana. c) Any area which falls between the municipal limits notified by Urban Local Bodies Department, Government of Haryana and the Controlled Area limits notified by Town & Country Planning Department, Govt. of Haryana, but not included in Prime/Focus Area or Sub-Prime Area.
Core Areas	a) Any area which falls within the municipal limits notified by the Urban Local Bodies Department, Government of Haryana, but excluding all areas covered under Prime/Focus Area, Sub-Prime Area or Intermediate Area.

[#]Plots within Industrial Model Townships and Industrial Estates of HSIIDC for which no Regular Letter of Allotment (RLA) has ever been issued, as on the date of notification of the policy, shall be considered as unallotted plots

**All Plots within Private Industrial Parks or in Industrial Colonies licensed by the Town & Country Planning Department for which no Allotment Letter/ Buyer-Developer Agreement has ever been issued/executed as on the date of notification of the policy shall be considered as unallotted plots*

[##]Plots within Industrial Model Townships and Industrial Estates of HSIIDC for which Regular Letter of Allotment (RLA) has already been issued as on the date of notification of the policy shall be considered as allotted plots

***All Plots within Private Industrial Parks or in Industrial Colonies licensed by the Town & Country Planning Department for which an Allotment Letter/ Buyer-Developer Agreement has already been issued/executed as on the date of notification of the policy shall be considered as allotted plots*

Where the land comprising an eligible project falls in more than one Category of Area, the Category of Area applicable to the project shall be the category in which the largest proportion of the total project land area is situated. For this purpose, the proportion of land falling in each category shall be determined on the basis of the area of land comprised within the approved project site.

The category of area applicable to an eligible unit may be verified by the investor through the Single Window Portal of the Government of Haryana. The area categorization displayed on the Portal shall be considered for the purposes of determining the eligibility and quantum of incentives under the Scheme, unless otherwise decided by the Competent Authority.

Location	Areas Covered
Note: *Municipal limits and Controlled Area limits as on the date of promulgation of the policy shall be considered.*	
This definition is aligned with the Make in Haryana Industrial Policy 2026, and any subsequent amendments to that policy shall automatically apply to the Haryana Progressive MSME & Export Promotion Policy 2026.	

IV. **Chartered Accountant (CA):** It means a person who is a member of the Institute of Chartered Accountants (ICAI) and holds a valid certificate of practice, authorised to verify and certify the books of account(s) and financial records of the applicant.

V. **Chartered Engineer (Civil):** It means a qualified Civil Engineer who is duly registered or recognised as a Chartered Engineer by the Institution of Engineers (India) [IEI] or any other competent statutory or professional body authorised to grant such recognition, and who is competent to certify civil engineering works, estimates, valuations, measurements, and other technical matters within the scope of his/her professional expertise.

VI. **Chartered Engineer (Mechanical):** It means a qualified Mechanical Engineer who is duly registered or recognised as a Chartered Engineer by the Institution of Engineers (India) [IEI] or any other competent statutory or professional body authorised to grant such recognition, and who is competent to certify mechanical engineering works, estimates, valuations, measurements, and other technical matters within the scope of his/her professional expertise.

VII. **Directorate:** It means the Directorate of Micro, Small and Medium Enterprises, Government of Haryana, which shall be the nodal department for the implementation of the scheme.

VIII. **Eligible Expenditure/Investment:** The new expenditure/investment in building & machinery and related components/infrastructure pertaining to approved energy efficiency and circular economy technologies, solar rooftops, ETP and ZLD made by the applicant unit within the premises of the project during the policy period shall be considered as eligible expenditure/investment.

Note:

- *Transfer of plant, machinery and equipment from the same or different unit located anywhere else will not be considered towards the calculation of eligible expenditure/investment.*
- *Taxes, duties, cess, levies and other statutory charges, including GST, customs duties, excise duty and registration charges, shall not be considered for the purposes of calculation of eligible expenditure/investment.*
- *Handling charges, Working capital, goodwill, preliminary and preoperative expenses, capitalised interest, and expenses incurred towards acquisition of technology or technical know-how, including consultancy charges, royalty, design and drawings, patents, licenses and other intellectual property rights, whether capitalised in the books of accounts or otherwise, shall not be considered while calculating eligible expenditure/investment.*

IX. **Existing Enterprise/ Unit:** It means any enterprise/unit existing and in operation prior to notification of the policy.

X. **Medium Enterprise:** Investment in Plant and Machinery or Equipment does not exceed Rs. 125 Crore and annual turnover does not exceed Rs. 500 Crore as amended under the MSMED Act, 2006 or as amended by the Government of India from time to time.

Note: *The category of enterprise shall be verified through the latest Udyam Registration Certificate issued by the Ministry of MSME, Government of India.*

XI. **Micro Enterprise:** Investment in Plant and Machinery or Equipment does not exceed Rs. 2.5 Crore and annual turnover does not exceed Rs. 10 Crore as amended under the MSMED Act, 2006 or as amended by the Government of India from time to time.

Note: *The category of enterprise shall be verified through the latest Udyam Registration Certificate issued by the Ministry of MSME, Government of India.*

XII. **New Enterprise/ Unit:** It means an enterprise/unit established and commencing commercial production/operation during the operative period of the policy. The existing enterprise/unit undertaking expansion/diversification at a different location shall also be considered as New Enterprise/Unit, provided that such different location is duly reflected in the GST Registration Certificate and Udyam Registration Certificate of the enterprise/unit.

XIII. **Policy:** It means the Haryana Progressive MSME & Export Promotion Policy 2026 notified by the Government of Haryana vide Notification No. 02/04/2026-1IB-II dated 29th July 2026, as amended, modified or supplemented from time to time.

XIV. **Promoter(s):** It means director(s)/partner(s)/proprietor or other person(s) having ownership or controlling interest in the applicant, as applicable.

XV. **Scheme:** It means Greening & Sustainable Development Scheme under the Haryana Progressive MSME & Export Promotion Policy 2026, as amended from time to time.

XVI. **Small Enterprise:** Investment in Plant and Machinery or Equipment does not exceed Rs.25 Crore and annual turnover does not exceed Rs.100 Crore as amended under the MSMED Act, 2006 or as amended by the Government of India from time to time.

Note: *The category of enterprise shall be verified through the latest Udyam Registration Certificate issued by the Ministry of MSME, Government of India.*

4. Overall Capping of Incentives

The cumulative incentives received by the applicant under the Haryana Progressive MSME and Export Promotion Policy 2026 together with any fiscal incentives, subsidies, reimbursements, grants, or financial assistance received under any Government of India scheme for the same project, shall be subject to a ceiling of 100% of Fixed Capital Investment (FCI).

5. Commencement and Applicability

The scheme shall commence with effect from the date of notification of Haryana Progressive MSME & Export Promotion Policy 2026, i.e., 29th July 2026 and shall remain in operation for a period of 5 years or till the validity of the Haryana Progressive MSME & Export Promotion Policy 2026 or the date of any new policy/amendment introduced by the Government of Haryana, whichever is earlier.

The assistance shall be admissible on the purchase and installation of equipment/technology on or after 29th July 2026 and before 28th July 2031.

Taxes, duties, cess, levies, and other statutory charges, including GST, customs duties, and excise duty, shall not be considered for the purposes of calculating grant-in-aid.

6. Eligibility

I. Any individual, legal entity such as Proprietorship Firms, Partnership Firms, Limited Liability Partnership (LLP) Firms, Public & Private Sector Companies, Corporations, Cooperatives, Self-Help Groups (SHGs), Trusts, Farmer Producer Organisation (FPO) shall be eligible to apply for financial assistance under the scheme.

II. The land for the project shall be arranged by the applicant either by purchase or on a registered lease deed of at least 15 years.

III. The applicant availing fiscal incentives under this scheme shall not be eligible to avail or claim incentives for the same component under any other scheme/policy issued by the Government of Haryana, and vice versa. However, where any subsequent policy issued by the Government of Haryana expressly permits an eligible unit to avail incentives under such policy in addition to incentives under the Haryana Progressive MSME & Export Promotion Policy 2026, such incentives may be availed, provided that incentives shall not be admissible under both policies for the same or substantially similar incentive head or benefit.

IV. The applicant/promoter(s) of the applicant should not be categorised as a Wilful Defaulter as per RBI guidelines or should not be debarred from doing business /blacklisted from any Government Agency/Department/State or Central Government at the time of application.

V. The applicant shall have to procure new machinery for the project. Second hand/old/refurbished machinery shall not be considered for financial assistance under the scheme.

VI. A project owned or controlled by a large enterprise, group, private equity fund, or other body corporate, which is unable to obtain a Udyam Registration Certificate or has not been incorporated as a separate legal entity, but is within the purview of MSME by virtue of its investment/turnover of the project may also be considered eligible to avail the incentives under the scheme on a standalone basis, subject to the fulfilment of the following conditions:

a. The project/unit maintains a separate GST registration.
b. The project/unit maintains separate books of accounts reflecting its standalone financial and operational performance.

The eligibility of such projects/units shall be determined by the Competent Authority on a case-to-case basis, subject to verification of the prescribed conditions and supporting documents.

7. Documents required for online application

The following documents, duly signed by the authorised representative of the applicant, shall be required to be uploaded on the portal for availing the financial assistance under the scheme:

I. Application form in the prescribed format (**Annexure – I**).

II. Certificate of incorporation/ registration of the organisation, Memorandum and Articles of Association and Bye-laws of the society (*As applicable*).

III. Land title documents i.e., sale deed or registered lease deed for at least 15 years or Regular Letter of Allotment (RLA), in case of a plot allotted by HSIIDC, IMT or any other Industrial Estate/Authority.

IV. Change of Land Use (CLU)/ NOC permission for the proposed land from the Competent Authority.

V. CA Certificate for actual expenditure on the project and means of finance.

VI. Consent to Establish (CTE)/Consent to Operate (CTO) from Haryana State Pollution Control Board (HSPCB).

VII. Chartered Engineer Certificate certifying the item-wise and cost-wise details of Civil works envisaged, duly certified by Chartered Engineer (Civil) (*Wherever applicable*).

VIII. Chartered Engineer Certificate certifying the item-wise and cost-wise details of Plant & Machinery envisaged, duly certified by Chartered Engineer (Mechanical) (*Wherever applicable*).

IX. Installation/completion certificate from empanelled vendor/channel partners of MNRE/HAREDA or any other equivalent competent agency (*For Incentive No. 3 – Support for Solar Rooftops*).

X. Copy of the Net Metering Sanction Letter, Net Metering Agreement, or Commissioning Certificate issued by the DHBVN/UHBVN (*Only for Incentive No. 3 – Support for Solar Rooftops*).

XI. Designs and implementation scheme of ETP/ZLD approved by the competent authority (*Only for Incentive No. 4 – Assistance for Environment Compliance*).

XII. Certificate from the Regional Officer of the Pollution Control Board (*Only for Incentive No. 4 – Assistance for Environment Compliance*).

XIII. Udyam Registration Certificate (URC) and GST Registration Certificate.

XIV. Board Resolution/Power of Attorney for authorised signatory.

XV. Declaration of guarantee as per Annexure VIII.

8. Procedure

I. The applicant shall have to apply online on the Invest Haryana New Single Window portal (new portal) in the prescribed performa **(Annexure–I)** along with complete documents within a period of three (3) months from the date of complete installation or from the date of notification of the scheme, whichever is later.

Until the new portal is made operational, applications under the scheme shall be accepted and processed in accordance with the existing prescribed procedure or through e-mail, as may be specified by the Directorate.

Upon the new portal becoming operational, all applications under the scheme shall thereafter be submitted and processed exclusively through the portal. No application submitted through any other mode shall then be considered.

II. Upon submission of the application, the Invest Haryana Single Window Portal shall, wherever system integration is available, automatically fetch relevant records from the concerned Government Departments and agencies, including land and stamp duty details from the Revenue Department, electricity connection details from UHBVN/DHBVN, Consent to Establish/Operate details from the Haryana State Pollution Control Board, GST details, and such other records as may be required for preliminary verification of the claim.

III. The Directorate or third-party verification agency appointed by the Directorate of MSME shall undertake preliminary scrutiny of the application based on the information furnished by the applicant, records fetched through system integration, the CA Certificate, Chartered Engineer Certificate, undertakings, declarations and such other documents prescribed under the scheme.

Where any deficiency is noticed during preliminary scrutiny, the same shall be communicated to the applicant through the portal within ten (10) working days from the date of submission of the complete application. To avoid delay in processing of applications, all deficiencies/queries shall be raised in one single instance. The applicant shall be allowed thirty (30) working days to remove such deficiencies.

IV. In case the deficiencies are not rectified within the prescribed period, the claim shall be rejected by the Directorate, under intimation to the applicant through email. The applicant shall not be required to submit any document other than those specified in Annexure-I, unless such additional documents are considered necessary by the Directorate for establishing the genuineness of the claim. The applicant shall be provided only one opportunity to rectify the deficiencies, and thereafter, the Directorate shall take a final decision on the claim for acceptance or rejection.

V. After completion of all requisite information/documentation, the application shall be taken up for detailed scrutiny by the Directorate or by a third-party verification agency appointed by the Directorate of MSME. Such detailed scrutiny may include verification of documents and certificates furnished by the Chartered Accountant, Chartered Engineer (Civil), and Chartered Engineer (Mechanical); verification of the existence, installation, and utilisation of eligible assets; and such other examination or verification as may be considered necessary under the policy and the scheme.

Note:

a. *Expenditure incurred towards buildings, civil works and associated infrastructure shall be verified with reference to the applicable Schedule of Rates notified by the Central Public Works Department or Haryana Schedule of Rates or any other competent Government authority, wherever considered necessary. The Directorate may suitably restrict the Eligible Capital Expenditure where the claimed cost is found to be excessive or unreasonable.*

VI. Upon completion of the detailed scrutiny, the case shall be placed before the State Level Steering Committee (SLSC) for further consideration and approval.

9. Approval, Sanction and Disbursal Authority

I. **Approval & Sanctioning Authority:** The State Level Steering Committee (SLSC) under the chairmanship of the Administrative Secretary, Industries & Commerce Department, Haryana, shall conduct the evaluation and assessment of the project and provide approval to the project. The other members of the committee shall be as under:

S. No.	Name & Designation of Officer	Position
1.	Administrative Secretary, Industries & Commerce Department	Chairman
2.	Director General, Industries & Commerce, Haryana	Member
3.	Managing Director, Haryana State Industrial & Infrastructure Development Corporation (HSIIDC)	Member

S. No.	Name & Designation of Officer	Position
4.	Representative of Haryana State Pollution Control Board (*Only for the cases related to Incentive No. 4 – Assistance for Environment Compliance*)	Member
5.	Representative of Finance Department	Member
6.	Director General, Micro, Small & Medium Enterprises (MSME), Haryana	Member Secretary

Note: *Any other member in addition to the above can also be co-opted by the chairman, keeping in view the requirement(s) of the proposal. The meeting shall be convened every two months (at least 6 meetings per year). A meeting may, however, be called at any other time at the discretion of the committee Chairman.*

II. **Disbursal Authority:** The Director General, Directorate of MSME, Haryana, shall be competent to disburse the grant after approval from SLSC and compliance with requisite formalities.

10. Circumstances where subsidy shall not be released

Subsidy shall not be released in the following circumstances:

I. the applicant has failed to furnish required declarations, reconciliation or supporting documents;

II. the unit has violated any condition prescribed under the Scheme; or

Provided that where only a part of the claim is disputed or requires further verification, the Competent Authority may withhold the disputed portion and process the undisputed admissible portion in accordance with the procedure prescribed under this scheme.

11. Interpretation/Clarification

I. The decision of the SLSC shall be final and binding on all concerned parties on the interpretation of the provisions of these guidelines and the matters related/ incidental thereto.

II. The SLSC shall have the final say regarding the eligibility or otherwise of the proposals and the selection of proposals for grant-in-aid.

III. The Administrative Secretary, Industries & Commerce, Haryana, shall be competent to make interpretation/clarification, modification/simplification to the scheme guidelines as may be necessary and removal of any difficulties in the provision of this scheme.

12. Power to condone delay in submission of application for reasons beyond the control of the applicant

I. The Director/ Director General, Micro, Small and Medium Enterprises, Haryana, shall be competent to condone the delay up to a period of 03 months after the prescribed time limit.

II. The Administrative Secretary, Industries & Commerce, Haryana, shall be competent to condone the delay up to a period of 06 months after the prescribed time limit.

Provided that the competent authority is satisfied with the reasons for the late submission of the application, based on the substantial evidence, documents, and arguments presented by the applicant.

13. Penal Action

I. If at any stage it is found that grant-in-aid has been obtained on the basis of false information, misrepresentation, suppression of facts, misstatement, fraud, deceit or concealment of material facts, the applicant shall be liable to face action in terms of prevailing laws along with the refund of the entire amount of assistance along with compound interest at the rate of 12% per annum, or such other rate as may be prescribed by the Government from time to time. Such applicants shall also be debarred from availing incentives or assistance from the State Government and from public procurement for such period as may be decided by the competent authority.

II. Before facing action and initiating recovery, the applicant shall be given a reasonable opportunity of being heard

14. Amendment, Modification and withdrawal of scheme

The Government reserves the right to withdraw, suspend, modify, amend or discontinue this scheme, in whole or in part, at any time, without assigning any reason, subject to such terms and conditions as may be specified by the Government.

No approval or sanction of any incentive under this scheme shall be construed as creating an irrevocable or vested right to receive or continue to receive such incentive. The Government reserves the right to suspend the disbursement of, cancel, modify or withdraw any incentive approved or sanctioned under the scheme, in accordance with the provisions of the policy, this scheme or such directions as may be issued by the Government from time to time.

AMIT KUMAR AGRAWAL,
Commissioner & Secretary to Government Haryana,
Industries & Commerce Department.

Chandigarh:
The 11th November, 2026.

Annexure – I

APPLICATION FORM

S. No.	Particular	Details
1.	Name of the applicant entity/enterprise	
2.	Constitution of applicant entity/enterprise (*Proprietorship Firm/Partnership Firm/Limited Liability Partnership Firm/ Public & Private Sector Companies/Corporations/Cooperative Societies/ Self-Help Groups (SHGs)/Farmer Producer Organisations (FPO)*)	
3.	Registration/ identification number of applicant entity/enterprise, as applicable ▪ *For Company: CIN* ▪ *For LLP: LLPIN* ▪ *For Partnership Firm/Corporation/ Cooperative Society/SHG/NGO: Registration No.* ▪ *For Proprietorship: GSTIN/ Udyam Registration No./ any other Government-issued registration*	
4.	PAN of applicant entity/enterprise	
5.	Category of Unit (Micro/Small/Medium)	
6.	GSTIN, wherever available/applicable	
7.	Udyam Registration Number and date, as applicable	
8.	Name of authorised representative	
9.	Designation of authorised representative	
10.	Email ID of authorised representative	
11.	Mobile number of authorised representative	
12.	Registered office address	
13.	Item of manufacture/processing	
14.	Complete address of project site Address: Tehsil: District:	
15.	GIS/Google Coordinates	
16.	Location Category (*Prime or Focus Area / Sub-Prime Area / Intermediate Area / Core Area*)	
17.	Mode of Land/Premises Possession (Owned/leased)	
18.	Lease period, if land/premises is on lease	
19.	Sale Deed/ Lease Deed Registration Number	
20.	Sale Deed/ Lease Deed Registration Date	
21.	Details of equipment(s) installed on which assistance has been claimed: (a) Cost of equipment(s) (b) Cost of Civil works (if any)	

Note: The applicant shall have to submit the application along with documents mentioned at clause No. 7 of scheme guidelines.

Date:

Signature of Authorised Representative of applicant entity with seal

Annexure – II

CHARTERED ACCOUNTANT (CA) CERTIFICATE
(*with Membership No. & Firm Registration No. on the letterhead of CA*)

To WHOMSOEVER IT MAY CONCERN

I/We have examined the books of account, audited financial statements, fixed asset register, trial balance, general ledger, purchase register, statutory records, invoices, proof of payment, bank statements, GST records, sales records, capitalization records, depreciation schedule and such other books, records and documents of applicant, i.e., M/s _____ as considered necessary for the purpose of certifying the particulars relating to the application submitted under the **Greening & Sustainable Development Scheme** of **Haryana Progressive MSME & Export Promotion Policy 2026** by the applicant.

1. The actual expenditure incurred on component [*strike out whichever is applicable (1) Promoting Energy Efficiency in MSEs; (2) Promoting Circular Economy in MSEs; (3) Support for Solar Rooftops; (4) Assistance for environment compliance*] during the policy period and the means of finance as prescribed under the scheme are summarised below and detailed in Schedule 1 to this certificate.

Project Cost

S. No.	**Name of Component/ Item**	**Project Cost (Rs. in Lakh)**
1.		
2.		
3.		
4.		
5.		
	Total	

Means of Finance

S. No.	**Item**	**Amount (Rs. in Lakh)**
1.		
2.		
3.		
	Total	

2. The aggregate amount certified in Schedule 1 reconciles with the amount certified in this certificate and with the corresponding balances reflected in the books of account of the applicant.

3. The expenditure certified herein has been verified from the books of account, audited financial statements, fixed asset register, invoices, proof of payment, bank statements and other supporting records maintained by the applicant. Such expenditure is supported by documentary evidence including tax invoices, payment records and accounting entries.

4. The expenditure certified herein has been actually incurred, fully paid (*except where specifically permitted under the scheme*), capitalised wherever applicable, and recorded in the books of account of the applicant during the eligible period prescribed under the scheme.

5. The expenditure under which the applicant claimed have been computed strictly in accordance with the provisions prescribed under the scheme.

6. All eligible assets forming part of the claim have been capitalised, wherever applicable, in accordance with the applicable accounting standards and are reflected in the fixed asset register of the applicant.

7. The eligible expenditure does not include expenditure specifically excluded under the Haryana Progressive MSME & Export Promotion Policy 2026 and this scheme.

8. The expenditure certified herein have been determined after giving due effect to all applicable rebates, discounts, credit notes, recoverable or refundable taxes and duties, reimbursements, grants, subsidies and other similar adjustments.

9. To the best of our knowledge and based on the records examined, no second-hand, transferred, leased, rented, relocated or previously used plant, machinery or equipment has been considered towards eligible expenditure.

10. No asset or expenditure forming part of this claim has been considered more than once while computing the project cost.

11. Where expenditure has been incurred in foreign currency, the amount certified has been converted into Indian Rupees based on the exchange rate adopted in the books of account of the applicant.

12. The applicant has disclosed all subsidies, grants, reimbursements, incentives and financial assistance received, sanctioned or applied for from the Government of India, Government of Haryana or any other Government agency in respect of the project.

13. The particulars contained in this certificate and the schedules attached hereto are true and correct to the best of our knowledge and belief based on the records examined. In case any information is subsequently found to be false, misleading, misrepresented, suppressed or based on concealment of material facts, we shall be liable for appropriate action under the prevailing laws.

Annexure – III

CHARTERED ENGINEER (CIVIL) CERTIFICATE
(*On Letterhead*)

TO WHOMSOEVER IT MAY CONCERN

I, _____, an Independent Chartered Engineer (Civil), holding Registration No. _____, at the request of M/s _____ ("the applicant"), have inspected the project site at _____ and examined the civil works related to component(s) claimed buildings and such other documents as deemed necessary for certifying the technical particulars relating to the application submitted by the applicant under the scheme.

Based on my physical inspection, verification of technical records and information produced before me, I hereby certify as under:

Sr. No.	Name of Component/Asset	Area (Sqm)	Rate/Unit (Rs./Sqm)	Cost (Rs. Lakh)
	Total			

1. I have physically verified the civil infrastructure and other related assets claimed under the application to the extent technically feasible.
2. The assets physically verified by me correspond substantially with the descriptions contained in the invoices, purchase documents, fixed asset records and other documents produced before me.
3. To the best of my knowledge and based on physical inspection and records produced before me, the civil works certified herein appear to be new.
4. No asset which is visibly dismantled, abandoned, permanently non-functional or unrelated to the approved project has been considered by me for the purpose of this certificate.
5. The civil works and related utilities claimed under the application are complete to the extent necessary for the approved project and are capable of supporting commercial operations.
6. This certificate is restricted solely to technical verification of the existence, installation, identity and technical suitability of the assets. Verification of the value of investment, admissibility of expenditure, accounting treatment, reconciliation with books of account, payment of consideration, GST compliance or determination of eligible capital expenditure is outside the scope of this certificate and shall be certified separately by the CA.
7. I have exercised due professional care and diligence while conducting the physical inspection and issuing this certificate. The above certification is based on my inspection and the records produced before me and is true and correct to the best of my knowledge and belief. If any information is subsequently found to be false, misleading, misrepresented, suppressed, or based on concealment of material facts, we shall be liable for appropriate action under the prevailing laws.
8. I further certify that I have personally conducted the physical inspection of the project and have not relied solely upon photographs, representations or documents furnished by the applicant. Wherever physical verification of any concealed, embedded or otherwise inaccessible component was not technically feasible, the same has been verified based on records, commissioning reports and other supporting documents produced before me, and such limitations have been duly considered while issuing this certificate.
9. Geo-tagged and date-stamped photographs of the civil infrastructure/assets physically verified during my inspection have been taken and are annexed to this certificate. To the best of my knowledge and belief, such photographs fairly represent the assets inspected by me and correspond to the project for which incentives have been claimed. The photographs have been appropriately cross-referenced, wherever practicable, with the asset-wise physical verification schedule forming part of this certificate.

Schedule 1: Component/Asset Wise Physical Verification [to be signed on each page by Independent Chartered Engineer (Civil)]

Sr. No.	Name of Component/ Asset	Description	Invoice No.	Invoice Date	Amount Paid (INR)	Remarks
	Total					

Note:

a) The Chartered Engineer (Civil) shall annex geo-tagged and date-stamped photographs of related civil infrastructure physically verified during inspection. Each photograph shall, wherever practicable, be cross-referenced with the corresponding component in Schedule 1 to facilitate verification by the Competent Authority.

b) The Chartered Engineer (Civil) shall initial and affix his/her seal on each page of Schedule 1 (Component-wise Physical Verification) and every page of the annexed photographs. The signature appearing on the final page of this certificate shall be deemed to authenticate the entire certificate, including all schedules and annexures forming an integral part thereof.

CHARTERED ENGINEER (MECHANICAL) CERTIFICATE
(*On Letterhead*)

TO WHOMSOEVER IT MAY CONCERN

I, _____, an Independent Chartered Engineer (Mechanical), holding Registration No. _____, at the request of M/s _____ ("the applicant"), have inspected the project site at _____ and examined the plant & machinery, equipment, utilities, technical specifications, commissioning records and such other documents as deemed necessary for certifying the technical particulars relating to the application (*applicable incentive*) submitted by the applicant under the scheme.

Based on my physical inspection, verification of technical records and information produced before me, I hereby certify as under:

Sr. No.	Name of Component/ Asset	Qty (Nos)	Capacity	Cost (Rs. Lakh)
	Total			

1. I have physically verified the machinery, equipment, utilities and other fixed assets claimed under the application to the extent technically feasible.
2. The assets physically verified by me correspond substantially with the descriptions contained in the invoices, purchase documents, fixed asset records and other documents produced before me.
3. The assets verified are installed at the project location and form part of the approved project.
4. The assets verified are technically appropriate, necessary and capable of being used for the approved activities of the project.
5. The plant and machinery, equipment and associated utilities have been installed, commissioned and put to commercial use, wherever such commissioning is applicable.
6. To the best of my knowledge and based on physical inspection, asset condition and records produced before me, the plant, machinery and equipment certified herein appear to be new and unused and do not exhibit any visible indication of prior use.
7. No asset which is visibly dismantled, abandoned, permanently non-functional or unrelated to the approved project has been considered by me for the purpose of this certificate.
8. The utilities including electrical systems, transformers, DG sets, compressed air systems, water supply systems, HVAC systems, material handling systems and other engineering infrastructure, wherever applicable, are adequate and commensurate with the installed production or operational capacity.
9. Wherever technically feasible, the principal assets verified by me have been identified through equipment nameplates, serial numbers, capacity markings, manufacturer's identification, asset tags or other permanent identification particulars.
10. Based on the technical specifications, capacity, make, configuration and prevailing industry norms, the assets verified do not appear to be grossly inconsistent with the nature of the project or prima facie disproportionate to the investment claimed.
11. This certificate is restricted solely to technical verification of the existence, installation, commissioning, identity and technical suitability of the assets. Verification of the value of investment, admissibility of expenditure, accounting treatment, reconciliation with books of account, payment of consideration, GST compliance or determination of eligible capital expenditure is outside the scope of this certificate and shall be certified separately by the CA.
10. I have exercised due professional care and diligence while conducting the physical inspection and issuing this certificate. The above certification is based on my inspection and the records produced before me and is true and correct to the best of my knowledge and belief. If any information is subsequently found to be false, misleading, misrepresented, suppressed, or based on concealment of material facts, we shall be liable for appropriate action under the prevailing laws.

12. I further certify that I have personally conducted the physical inspection of the project and have not relied solely upon photographs, representations or documents furnished by the applicant. Wherever physical verification of any concealed, embedded or otherwise inaccessible component was not technically feasible, the same has been verified based on engineering records, commissioning reports and other supporting documents produced before me, and such limitations have been duly considered while issuing this certificate.

13. Geo-tagged and date-stamped photographs of the principal plant and machinery, equipment, utilities and other major project assets physically verified during my inspection have been taken and are annexed to this certificate. To the best of my knowledge and belief, such photographs fairly represent the assets inspected by me and correspond to the project for which incentives have been claimed. The photographs have been appropriately cross-referenced, wherever practicable, with the asset-wise physical verification schedule forming part of this certificate.

Schedule 1: Component/Asset Wise Physical Verification [to be signed on each page by Independent Chartered Engineer (Mechanical)]

S. No.	Asset Category	Asset Description	Invoice No.	Installed and Commissioned (Yes/No)	Amount Paid (INR)	Asset Identification Particulars*	Photo Ref. No. (where applicable)	Remarks

**Asset Identification Particulars may include serial number, asset tag number, equipment number, machine identification plate or any other permanent identification mark, wherever available.*

Note:

a) *The Independent Chartered Engineer (Mechanical) shall annex geo-tagged and date-stamped photographs of all major eligible assets and project infrastructure physically verified during inspection. Each photograph shall, wherever practicable, be cross-referenced with the corresponding asset in Schedule 1 to facilitate verification by the Competent Authority.*

b) *The Independent Chartered Engineer (Mechanical) shall initial and affix his/her seal on each page of Schedule 1 (Asset-wise Physical Verification) and every page of the annexed photographs. The signature appearing on the final page of this certificate shall be deemed to authenticate the entire certificate, including all schedules and annexures forming an integral part thereof.*

DECLARATION OF GUARANTEE

[*to be submitted on non-judicial stamp paper of Rs. 100/- (Min) duly sworn before a Notary Public (duly affixed with Notarial Stamp; and with Notary Seal & Notary Registration Number) or First-Class Magistrate*]

I/We, _____, authorised signatory of M/s _____, having its unit at _____, for claiming the incentive of _____ under the Greening & Sustainable Development scheme of Haryana Progressive MSME & Export Promotion Policy 2026, do hereby solemnly affirm and declare as under:

1. That I/we am/are duly authorised to submit this application, annexures, certificates, schedules and supporting documents and that the information furnished therein is true, complete and correct to the best of my/our knowledge and belief.
2. That the expenditure, asset-wise investment details, invoices, proof of payment, books of accounts, fixed asset register and other supporting records submitted or relied upon are true, correct and relate to the approved project at the approved project location, and that the assets forming part thereof have been acquired, installed, commissioned and put to productive use, wherever applicable.
3. That the actual expenditure component-wise shall remain subject to verification and final recognition by the Competent Authority under the scheme, and no right to incentive shall arise merely upon submission of this application.
4. That all applicable statutory approvals, registrations and compliances required for establishment and operation of the project have been obtained and continue to remain valid, except to the extent specifically disclosed.
5. That no duplicate claim has been made or shall be made in respect of the same project, assets, expenditure under any other scheme or policy of the Government of Haryana, except where expressly permitted under the Haryana Progressive MSME & Export Promotion Policy 2026, and that all fiscal incentives, subsidies, grants, reimbursements or financial assistance received, sanctioned or applied for from the Government of India, Government of Haryana or any other Government agency have been fully disclosed.
6. That I/we authorise the Competent Authority or any agency authorised by it to inspect the project site, verify books of accounts, statutory records, fixed asset register, employment records and supporting documents, and to obtain or verify information from any other Government department or financial institution or agency, as may be considered necessary.
7. That I/we have carefully read and understood the provisions of the Haryana Progressive MSME & Export Promotion Policy 2026, the applicable scheme, and all applicable terms and conditions governing the incentives claimed by the eligible applicant, and I/we undertake to comply with the same.
8. I/we understand and acknowledge that any fraud, forgery, fabrication or manipulation of records, submission of false or misleading information or certificates, concealment or suppression of material facts, submission of false declarations, or claiming incentives on the basis of fictitious or ineligible expenditure, assets or employees, may result in rejection of the application, withdrawal and recovery of incentives along with applicable interest, and may also attract action under the prevailing laws.
9. That any material change affecting the eligibility of the project or the admissibility of the subsidy, including any change in investment, project category, ownership, constitution, GSTIN, project location, commencement or operation status, employment strength, merger, demerger, transfer of business, closure of the unit or any other matter having a bearing on eligibility under the policy or the scheme, shall be promptly intimated to the Competent Authority during the project period.
10. That I/we shall comply with all continuing obligations prescribed under the Haryana Progressive MSME & Export Promotion Policy 2026 and the applicable scheme throughout the period during which any incentive is claimed or received, and this undertaking shall remain binding upon the eligible unit notwithstanding the release of any incentive.
