26

Indian Sign Language Interpretation Related tenets/Instructions.

01. Interpreting is a physical and mental process. An interpreter can do a good interpretation mix 45 minutes. It is advice, If the program duration is more the 2 hours, So utilize two or more than two ISL Interpreters.

02. Interpreters not be a part of communication.

03. Interpreters follow the professional ethics and business practice.

04. Most of the interpreter works as freelance, they take the charges on daily basis and they free for next assignment (If the contract is not signed by Interpreter).

05. Interpretation charges may differ as situation. (i.e. Media, Video content making, location etc.)

06. Interpretation content may be shared with the interpreter for quality interpretation before the program.

07. Interpreters personal details cannot be shared to others without their consent.

08. Interpreter cannot pulverize deaf people values/Culture/Language.

09. T.A. & D.A. may be added extra in outstation Interpreting charges.

10. Interpreter cannot be treated as witness in legal set-up interpretation and video recording must be done at the time of legal interpretation(ISL) for further honorable court proceedings.

Note.. 01. Interpreters (Qualified) willing to add there details in this directory, follow this link....
