Subject: Regarding hiring of drivers on DC Rate for Electric Vehicles.

On the subject cited above, I am directed to inform you that the Department of New & Renewable Energy has placed an order dated 19/11/2020 with EESL for supply of four TATA Nexon EV XZ+ electric vehicles for one in each of the district i.e Gurugram, Faridabad, Karnal and Panchkula on Dry Lease basis (EV without Chauffer). The electric vehicles are likely to be delivered in the second week of December, 2020.

However, for proper care, maintenance and smooth operation of vehicles, it has been decided to hire the services of a trained driver by hiring their services locally on DC rate through outsource/service providers at the level of your office.
