

INSTITUTIONAL BIOGAS PROGRAMME

- HAREDA is implementing this scheme to promote installation of biogas plants in gaushalas, dairies etc.
- The gas is used for cooking as well as for power generation.
- To promote the installation of IBP's, State Govt. is providing financial assistance @ 40% of the plant cost to the Charitable institutes only.

Present Status:

- So far, 127 Institutional Biogas Plants of 7820 Cu. M. capacity have been installed in various Gaushalas/ Institutions in the State.
- For the year 2020-21, State Financial Assistance shall be available for poultry farms and commercial/individual's dairies also.
