P.T.O.

I have been informed by a few Members of Parliament and Members of Legislative Assembly that their names are missing from the Invitation Cards and/or the Foundation/Inaugural Stones of official functions conducted in their Parliamentary/Assembly Constituencies. In fact, there is no discretion that needs to be exercised in this activity. Administrative Secretaries may please issue strict instructions in their departments so that no such incident recurs in the State.

2. I have also been informed by officers in the Chief Minister's Office that prior approval of the wording of the Invitation Card/Inaugural Stone/Foundation Stone was not obtained in some of the cases. Please also ensure that the wording for every function is submitted to PSIPR and PSCM for prior approval in every case.
