

Public Notice to choose Solar Water Pumping System for electric tube-well connection applicants

Und-Extension of Timeline

The State Government has decided to provide solar pumps to the pending applicants of electric tubewell connections upto 10 HP from 2019 to 2021 of DISCOMs (UHBVN & DHBVN) under component-B of PM-KUSUM scheme. Therefore, the PM-KUSUM State Portal was opened for the selection of solar water pumps for the said applicants from 28.04.2023 to 15.05.2023. Further, the timeline for apply for the same on the PM-KUSUM State Portal was extended for another 15 days, i.e. till 30.05.2023.

Now, the timeline on the PM-KUSUM State Portal has been again extended till 15.06.2023 for the said applicants to choose the type & capacity of solar water pumps.

This is for information and necessary action for all concerned.
