

Public Notice to choose Solar Water Pumping System for electric tube-well connection applicants

IV-Extension of Timeline

The State Government has decided to provide solar pumps to the pending applicants of electric tubewell connections upto 10 HP from 2019 to 2021 of DISCOMs (UHBVN & DHBVN) of component-B of PM-KUSUM. Therefore, the PM-KUSUM State Portal was opened for the selection of solar water pumps for the said applicants from 28.04.2023 to 15.05.2023. Further, the timeline on the PM-KUSUM State Portal was extended firstly till 30.05.2023 & thereafter till 30.06.2023.

Now, the timeline on the PM-KUSUM State Portal has been again extended till 15.07.2023 for the said applicants to choose the type & capacity of solar water pumps.

This is for information and necessary action for all concerned.
