Memo No.DGNRE/2023/
Dated Panchkula, the

Subject: Clarification in the provision under clause (xxiii) of the guidelines for development of solar park in the state of Haryana by private Entrepreneurs without CFA - Reg.

On the representation dated 23.05.2023 of Distributed Solar Power Developers Association (DiSPA) for issue of clarification of Clause No.xxiii of the guidelines for development of Solar Parks, the matter has been considered and it has been clarified that :-

'It is trite law that each company is separate legal entity, distinct and independent from the owner, member, stakeholders, directors etc. with its own legal rights and obligations. Each company is a distinct legal entity. Under the guidelines, only bar imposed is that Solar Power Park Developer (SPPD) should not have any equity shareholding in any of the solar power project to be established in the solar park but no such bar is applicable in the case of any other entity in any of the solar power project. However, equity of Solar Power Developer (SPD) may not be less than 20% in terms of guidelines issued by HVPNL

Thus SPPD and its sister concern/parent company are separate entities'

This is issued with the approval of the competent authority.
