Endst. No. HAREDA/Pump/2023/ 5717-38

Dated: 23/08/23

Subject: - Regarding renewal of insurance.

On the subject cited above, it is informed to you that office has received the number of complaints such as modules has been damaged due to natural calamity, theft etc. that are covered under insurance policy from the date of installation of solar water pumping system at site for period of five years as per tenders terms and conditions. It has come to notice of this office that in some cases pumps are neither rectified and nor changed the damaged items under insurance policy because of insurance policy has not been renewed by the supplier after expiry period.

In view of above, you are hereby, directed to check the validity of all insurance policy submitted by vendors and if insurance is found expired then direct the vendors to renew the same immediately under the intimation to this office.
