From

The Director General,
New & Renewable Energy Department & HAREDA, Haryana,
Akshay Urja Bhawan, Institutional Plot No.-1, Sector-17,
Panchkula.

To

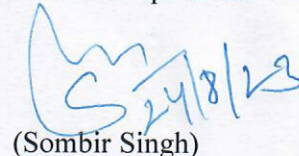

All the Empanelled firms.
PM-KUSUM (Component-B)

Memo no. HAREDA/2023/Pump/ 5848 Dated: 24-8-23

Subject:- Regarding Setting up of Training-cum-Awareness Camps for Farmers and ITI Students under Component-B of the PM-KUSUM scheme.

In reference to Letter of Empanelment (LOE) for off Grid Solar Photovoltaic Water Pumping Systems (SPWPS) under Component-B of the PM-KUSUM scheme for FY 2023-25 issued dated 31.7.2023. It is to inform you that as per the special conditions of contract point no. 3.1 Supply and Manufacture, 3.4 Operation & Maintenance (O&M), Training, Awareness and Sensitization. It is mandatory for all the empanelled vendors to provide local training to local persons regarding proper maintenance of Solar water pumping systems. Further, the vendors shall ensure that the local training, awareness and sensitization campaigns on usage of the SPWPS are conducted.

In this regard, you are requested to organize District wise Training-cum-Awareness Camps under intimation to concerned District ADC-cum-CPO office to sensitize the farmers about working of solar pump and its do's & don'ts. Further, you are also requested to train local ITI students for solar pump installation, operation and maintenance. It will help in solar pump installation, operation and timely maintenance of the systems as each vendor shall have to setup one authorized service center in each operational District. The Department shall also provide necessary support to assist you in organizing these sessions effectively. You are also requested to send a compile report of all Training-cum-Awareness camps in this office.
