Akshay Urja Bhawan, Institutional Plot No.-1, Sector-17,  
Panchkula.

To

All the Empanelled Vendors,  
under PM-KUSUM scheme  
component-B.

Memo no. HAREDA/2023/Pump/8305

Dated: 19-10-23

**Subject: Instructions regarding feasibility of site for solar pump type & capacity and change thereof.**

In reference to the subject cited above, the following are the instructions regarding feasibility of site for solar pump type & capacity and change thereof.

1. All the firms are required to check the feasibility of a site of a solar pump at the time of survey, if the same is not feasible then same shall be reported on mobile app and to the concerned district office for verification so that the allocation of same pump may be canceled and share may be refunded to the farmer.
2. If the site of a solar pump type/capacity is feasible for other than the allocated pump type/capacity then the same shall be reported to the concerned district office and on mobile app. District office shall collect the differential beneficiary share from the farmers with written consent and a compiled list shall be sent to the HQ so that change of a pump type/capacity shall be done.

In view of the above, all the vendors are requested to supply and install the solar pump to a farmer after the compliance of said instructions.

(Sombir Singh)

Scientific Engineer "A",  
for Director General, NRE&HAREDA  
Haryana, Panchkula.

Cc: All the Additional Deputy Commissioner-Cum-Chief Project Officer of the State for necessary action in this matter.
