HAREDA/ AkshayUrjaBhawan, Sector-17, Panchkula

Phone 0172-2585733, EPBX No.2587233, 2587833, E-mail-hareda@chd.nic

From

The Director General,
New & Renewable Energy Department & HAREDA, Haryana,
Akshay Urja Bhawan, Institutional Plot No.-1, Sector-17,
Panchkula.

To

The Additional Deputy Commissioner
-cum-Chief Project Officer, NRE,
of all the Districts.

Memo no. HAREDA/2023/Pump/8641-62 Dated: 31-10-23

Subject:- Regarding regular monitoring of RMS data and quarterly physical inspection report (QPR) for installed solar pumps on PM-KUSUM portal.

As you are aware that each solar pump is integrated on the PM-KUSUM portal through the Remote monitoring system (RMS) for smooth monitoring and fetches data at the interval of every 15 minutes. RMS data is a dynamic process and data of all the parameters keep changing from time to time. Further, it is also observed that the data of 10-15% of pumps have not been received for the last 90 days. Similarly, the quarterly physical inspection report (QPR) uploaded by the vendors also helps to identify the shifted solar pumps and take action promptly.

In this regard, you are requested to regularly monitor the RMS data on the PM-KUSUM portal and check the accuracy of the synchronised data for all the parameters. Further, it is also requested to take regular necessary actions on the pumps whose data has not been received on the portal in the last 90 days or which are shifted/non functional as appears in the QPR's uploaded by the vendors.

(Sombir Singh)
Scientific Engineer "A",
for Director General, NRE&HAREDA
Haryana, Panchkula.
