

Public Notice for Solar Water Pumping System allocated in Phase-II of 2023-24

To allocate solar pumps under the PMKUSUM scheme, 63,680 applicants (electric tube-well connections applicants and general applicants) were requested to deposit beneficiary shares online on the PMKUSUM portal from 22.11.2023 to 30.11.2023 for 6 categories of solar pumps. In response, 24,098 payment entries were received in the bank account of the Department/HARDA. After scrutinization, 23,941 applicants were considered to select a vendor, 134 applicants payments were kept in the error list, and the rest were merged as beneficiary shares in multiple entries.

Accordingly, the SARAL portal was opened from 19.12.2023 to 24.12.2023 to select vendors online. During the process, 52 applicant's payments also matched after the submission of their respective documents. So, out of a total of 23,993 applicants, 23,753 farmers have selected their vendor, and 240 applicants have not selected a vendor/error list/chosen vendor multiple time etc. The current status of these applicants is as under:-

Sr. No.	Parameters	Values
1	Total payments received in Bank	24,098
2	Considered for vendor selection	23,993 (23,941+52)
3	Error List/Not Found/Multiple Payments	89*
4	Vendor selected	23,753
5	Waiting List/Different vendor chosen multiple times/Not selected the vendor	240

*16 payment entries are merged as payments in multiple entries.

Therefore, this office has issued work orders for 23,753 farmers (List attached at **Annexure-A**) and 240 applicants (Waiting List attached at **Annexure-B**) are kept on the waiting list due to shortcoming/discrepancies in vendor selection. Further, 89 payment entries (Error list attached at **Annexure-C**) are yet to be matched with applicants.

Accordingly, all these 89 payment entries (Error List at **Annexure-C**) who have issues like payments are not traced/ payment deposited against a duplicate SARAL ID /wrong Virtual account etc are requested to submit their proof to remove the discrepancies observed to the respective ADC-cum-CPO-NRE of your district within 15 days so that the same will be considered later on. Further, 240 applicants (**Annexure-B**) who have not selected the vendor/different vendor chosen multiple times etc are kept in waiting, and the same will be considered for allocation in replacement cases/later work orders.

Further, while preparing the list, every due care has been taken. In the event of an inadvertent error, farmers are requested to provide all relevant documents for the correction of the same.

This is for information and the necessary action of all concerned, please.

Dated: 28.12.2023

Director General,
DNRE Haryana & HAREDA,
Panchkula
