

## Public Notice for Solar Water Pumping Systems allocated in Phase-IV of 2023-24

To allocate solar pumps under component B of the PMKUSUM scheme, applications along with beneficiary shares for Phase IV were invited on the SARAL Haryana portal of NIC from 22.02.2024 to 04.03.2024. Accordingly, 18,410 applicants have applied for the same, and a total of 11,301 payment entries have been received in the bank. Further, the SARAL portal was also opened from 02.03.2024 to 04.03.2024 for the 1366 applicants whose vendor selection had some irregularities, i.e., null data, a different mobile number, etc., in previous applications to select a fresh vendor of their choice.

After the scrutiny of the received applications as per the scheme guidelines, the Department has prepared a list of applicants for the issuance of work orders. Now, the status of these applicants is as under:-

Sr. No.	Parameters	Values
1	Total No. of Payments Received in Bank	11,301
2	31 entries were merged to form 15 correct records. Total considered entries	11301-16=11285
3	Considered for work orders (A)	10,695
4	Error List/Not Found/Multiple Payments/Duplicate Family IDs	590
5	Applicants for re-selection of vendors	1,366
6	Selection done by applicants from Sr. No. 5 (B)	1,136
7	Error in vendor selection	230
8	Traced for work orders from previous error lists (C)	5
<b>9</b>	<b>Total considered for work orders (A+B+C)</b>	<b>11,836</b>

Therefore, this office has issued work orders for 11,836 farmers (List attached at **Annexure-A**) and 820 applicants (Waiting List/Error List attached at **Annexure-B**) who are kept on the waiting list because of issues like more than one payment in the same family ID, duplicate virtual account, virtual account not matched with SARAL, duplicate family ID, etc.

Accordingly, all these 820 payment applicants are requested to submit their proof to remove the discrepancies observed to the respective ADC-cum-CPO-NRE of your district within 15 days so that the same will be considered for allocation in replacement cases or later work orders.

Further, the list of applicants who have applied more than once is attached at **Annexure C**. In these cases, the first-time vendor selected is considered for the issuance of work orders, irrespective of payments made against the 2<sup>nd</sup> or 3<sup>rd</sup> applications, etc., as the option to apply once was operational later on the SARAL portal. Also, in the future, applicants who have already applied and not deposited their share will have to deposit the share against the same application, and they cannot apply again. In cases where malpractice was done with the applications, the applicants may file a complaint with the FIR in the concerned District Office to change the vendor.

Further, while preparing the list, every due care has been taken. In the event of an inadvertent error, farmers are requested to provide all relevant documents for the correction of the same.

This is for information and the necessary action of all concerned, please.

Dated- Panchkula  
11.03.2024

Director General,  
DNRE Haryana & HAREDA,  
Panchkula
