To

All the empaneled vendors for solar pumps
under SECI tender

Letter No. 9989-10016

Dated:- 20/03/2025

Subject: Regarding non consideration of delay penalty exemption request due to non-availability of sites by farmers without framer intimation and district officer verification under component-B of the PM-KUSUM scheme.

Reference: Letter No. 5188-5209 dated 30.10.2024.

In continuation of the above-referenced letter, wherein on the representation of vendors all district officers were directed to mention the reasons in the remarks column of the individual JCR/consolidated JCR where delay is occurring due to non-availability of sites for the installation of solar water pumps because of borewell/water logging/standing crop/other issues etc. at the farmers's end. The same must be duly verified by the concerned beneficiary and district officer so that so delay penalty will be imposed on such solar pumps.

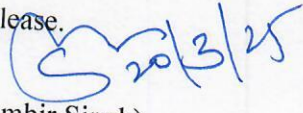

It has come to notice that certain vendors have been sending emails to district offices and HQ, citing delays in the installation of solar pumps due to the farmers' end without proper intimation from the farmers/district officer verification.

In this regard, it is clarified that no such email will be considered unless accompanied by intimation from the concerned farmer and verified by the respective district officer.

In cases where the farmer has requested a delay in the installation of a solar water pump due to a standing crop or non-availability of the site, the same will be treated as a no penalty case. However, any other delays will be treated as attributable to the vendor, and the applicable delay penalty will be imposed as per the tender guidelines.

Furthermore, all such reasons for delay at farmer's end must be clearly mentioned in the individual JCR at the time of its submission. Remarks mentioned only in emails will not be considered for penalty exemption.

This is for information and necessary action please.

(Sombir Singh)
Chief Scientific Engineer
for Director General,
DNRE Haryana & HAREDA,
Panchkula

A copy of the above is forwarded to the followings for their information and necessary action:-
