

Public Notice for Allocation of Solar Water Pumping Systems - Phase I of 2025-26

Applications for solar water pumping systems under Phase I of FY 2025-26 were invited on the SARAL Haryana portal of NIC from 08.04.2025 to 21.04.2025 for solar water pump applications from general applicants and DISCOMS applicants under Component B of the PMKUSUM scheme.

Following a thorough review as per scheme guidelines, the Department has finalized a list of applicants eligible for allocation, error list and waiting list etc. The current status is as follows:

Sr. No.	Parameters	Values
1	Total No. of Payment Received In Bank	33,200
2	VPF not matched	59
3	Duplicate VPF/ Multiple Payments against same VPF	70
4	Payment matched with SARAL IDs	33,071
6	Less payments	14
7	Vendors not selected	28
8	Total Error List (Sr.2+Sr.No.3+ Sr.6+Sr.No.7)	171
9	30 records merged to form 13 unique records	13
10	Payments received ranging from Rs. 1 to 5	55
11	Tentative considerable list for work orders	32,957
11	Waiting List/Excess applications (Applicants having higher family income based on their verified annual income as per Parivaar Pehchaan Patra (PPP) and land holding by keeping initial budget allocation in notice)	2,486
12	Number of applicants considered for allocation of work orders	30,471

This office allocated solar pumps to 30,471 farmers, as detailed in **Annexure-A**. The first time vendor selected in application is considered for allocation, as the SARAL portal permits a single application to prevent fraud. Additionally, 171 applicants have been placed on the error list (**Annexure-B**) due to not matching payment with corresponding SARAL IDs for various reasons. These reasons include cases with more than one payment under the same family ID, duplicate virtual accounts, unmatched virtual accounts with SARAL IDs, and duplicate family IDs.

All 171 applicants on the error list (**Annexure-B**) are requested to submit proof of payment to the respective ADC-cum-CPO-NRE of their district within 15 days. This documentation is necessary to rectify the identified discrepancies so that these applications may be considered for allocation in replacement cases.

Furthermore, 2,486 applications (listed in **Annexure-C**) have been placed on the waiting list due to the applicants' higher verified annual family income according to Parivaar Pehchaan Patra (PPP) records by keeping the initial budget allocation. Accordingly, these 2,486 applicant farmers on the waiting list have the following options:

1. The farmer may choose a refund of the beneficiary share.
2. The farmer may wait till cancellation of any site due to non-feasibility or any other reason, and their application may be considered for allocation in the replacement against said cancelled site of the respective vendor.

Further, while preparing the list, all due care has been taken. In the event of an inadvertent error, farmers are requested to provide all relevant documents for the correction of the same.

This is for information and the necessary action of all concerned, please.

Dated- Panchkula
24.04.2025

Director General,
DNRE Haryana & HAREDA,
Panchkula
