

Public Notice for Allocation of Solar Water Pumping Systems from the waiting of 2023-24 & 2024-25

Applications for solar water pumping systems under Phase I of FY 2024-25 were invited on the SARAL Haryana portal from July 11 to July 25, 2024, for general applicants and from August 16 to August 30, 2024, for DISCOMS applicants under Component B of the PMKUSUM scheme. Following a thorough review as per scheme guidelines, the Department has finalized a list of applicants eligible for work orders, error list and waiting list etc.

Thereafter 17,458 solar pumps were allocated to different vendors on 06.11.2024 by keeping 1,318 applicants in the waiting list (Applicants having higher family income based on their verified annual income as per Parivaar Pehchaan Patra (PPP) and land holding) and 147 applicants were kept in error list (cases with more than one payment under the same family ID, duplicate virtual accounts, unmatched virtual accounts with SARAL IDs, and duplicate family IDs). The 1,318 said applicant had the following options:-

- a. Farmer may choose for refund of beneficiary share.
- b. Farmer may wait till cancellation of any site due to non-feasibility or any other reason and their application may be considered for allocation in the replacement against said cancelled site of respective vendor.
- c. Farmer may wait till fresh target allocation from the NABARD and will be kept in waiting list

In addition to these, there were farmers in the waiting list/error list from the previous work orders from dated 29.08.23 to 11.03.224.

Now, after giving user share refund to the farmers and replacement against the cancelation to the vendors, this office has allocated solar water pumps of 1,120 farmers from earlier waiting lists, as detailed in **Annexure-A**. Additionally, 260 applicants have been placed on the error list (**Annexure-B**) due to not matching payment with corresponding SARAL IDs for various reasons include cases with more than one payment under the same family ID, duplicate virtual accounts, unmatched virtual accounts with SARAL IDs, and duplicate family IDs.

All 260 applicants on the error list (**Annexure-B**) are requested to submit proof of payment to the respective ADC-cum-CPO-NRE of their district within 15 days. This documentation is necessary to rectify the identified discrepancies so that these applications may be considered for allocation in replacement cases or for the refund.

Further, while preparing the list, all due care has been taken. In the event of an inadvertent error, farmers are requested to provide all relevant documents for the correction of the same.

This is for information and the necessary action of all concerned, please.

Dated- Panchkula
21.04.2025

Director General,
DNRE Haryana & HAREDA,
Panchkula
